

**CITY OF SAN RAFAEL
MASTER FEE SCHEDULE – FIRE DEPARTMENT**

Liability of Persons Causing Fire Department Response

Such response costs and expenses shall include, but not limited to, Fire Department equipment and personnel committed to the incident charged at fully burdened hourly rate to nearest ¼ hour plus clerical and support services, and any payments made by the City to outside business firms to secure, investigate and monitor remediation and clean up of the incident. The City shall compute and bill the responsible party for such response costs and expenses, with payment due within thirty (30) days following the mailing of the bill, unless an appeal is filed as provided in Section 4.08.130(A).

Emergency Ambulance Response Reimbursement (Third Party Billing)

An expense charged to the patient's medical insurance provider to reimburse the City for non-emergency and emergency medical and transport services including supplies and pharmaceutical items.
