

Standard # 08-1201

CHRISTMAS TREE LOT SIGNAGE

This Standard is promulgated pursuant to provisions in the California Fire Code as adopted by the San Rafael City Council.

This Standard shall apply to all locations within the City of San Rafael where natural cut Christmas trees are offered for sale to the general public whether flame proofing of trees is performed on site or not.

All Christmas tree lots operating in the City of San Rafael shall post a permanent and durable sign, at the entry point to the lot, and at the point of sale. The wording on the sign shall be as follows:

NOTICE

“Any Christmas tree being purchased for use in any of the following shall be treated with an approved Flame-Retardant”

Licensed Care Facilities
Common area for apartments/condominium's
Place of public assembly
Schools and Churches
Hospitals and Rest Homes

The graphics for the sign shall be as follows:

- Letters for the word “Notice” shall be at least 2” high and have a 3/8” wide stroke.
- All other letters shall be at least 1” high and have a 1/4” wide stroke.
- Letters shall be of a contrasting color to their background.
- Lines shall be spaced not less than 1/2” apart.

Thomas Ahrens

Chief Building Official/ Fire Marshal
