

CITY OF SAN RAFAEL

Third Street Rehabilitation Project

Community Meeting

DATE: Monday, November 13, 2017

TIME: 6PM - 8PM

LOCATION: Falkirk Cultural Center
1408 Mission Ave at "E" Street
San Rafael, CA 94901

Please join your neighbors, design and engineering consultants, City staff, downtown merchants, and other interested community members to kick off the Third Street Rehabilitation project. Together we will plan for improved safety, infrastructure repair, congestion relief, and beautification from Grand Avenue to Fourth Street. Your feedback will help the project team understand community needs and then begin to create specific design plans for review during future public workshops.

For more information, contact April Malvino at BKF Engineers:
