

**City of San Rafael
Job Class Specification**

Job Title: Chief Building Official

SUMMARY

Performs a variety of management and complex building code inspection, supervision, and site development functions. Directs and controls all matters pertaining to the Building Division. Supervises plan review and inspection of buildings and structures in all stages of construction. Directs the issuance of permits and collection of fees for these services.

ESSENTIAL DUTIES AND RESPONSIBILITIES include the following. This list is meant to be representative, not exhaustive. Some incumbents may not perform all the duties listed while in other cases related duties may also be assigned.

- Serves as the City's Chief Building Official.
- Oversees the review and performs complex plan reviews of building, subdivision improvement and development plans, reports, calculations, and specifications in verifying compliance with building, fire, zoning, and other codes, ordinances and resolutions.
- Oversees and provides information to interested parties on the City's Building code, and subdivision and site development program including code provisions, procedures, required submittals and plan processing, and inspection schedules.
- Develops and implements division policies and procedures.
- Issues stop-work orders in situations of deliberate or negligent non-compliance.
- Understands and interprets applicable codes, laws, ordinances and regulations. Provides code interpretations as required and recommends the adoption and amendment of codes, ordinances and regulations. Maintains construction, fire, and life-safety codes in conformance with current State law.
- Manages the division budget and is responsible for the day-to-day administration of the budget.
- Makes presentations to City Council as required.
- Provides staff with support in decision making and provides direction to technical staff.
- Maintains effective communications with staff through regularly scheduled meetings.
- Delegates meaningful responsibilities and authority.
- Maintains divisional records and other records.
- Analyzes the effectiveness of, and makes recommendations for, changes in procedures, policies and programs.
- Provides comments and conditions on planning applications for development.
- Maintains a permit-tracking system for the division.
- Selects consultants for peer review of soils, hydrology, structural, and accessibility elements of complex plans.
- Provides information on accessibility regulations to the public and other City Departments.
- Prepares monthly and annual reports of all activities of the Building Division.
- Gives talks and tabletop demonstrations to civic organizations, school groups & other interested parties.
- Responds to fire scenes or other emergencies, if requested by emergency personnel, to consult on matters of structural safety, or to assist in investigations.
- Assists in the development of departmental programs, goals, objectives, policies and procedures. Implements programs. Meets assigned goals.

- Gathers data and prepares and submits reports as required. Reports submitted are to be clear, concise, accurate, and on schedule, with appropriate recommendations.
- Attends meetings, hearings and court proceedings as required.
- Communicates objectives and requirements of State and local regulations to engineers, architects, consultants and others including the general public.
- Conducts inspections; investigates complaints. Takes appropriate actions to mitigate hazards.
- Enforces all applicable regulations, codes, and ordinances in a systematic, reasonable and uniform manner.
- Performs related duties as required.

KNOWLEDGE OF:

- Building and Safety laws, codes and regulations. Methods, materials, techniques and practices employed in building and site development, design, construction, and inspection. Principles of Supervision. PCs and related software. California & ADA accessibility regulations. California Energy regulations. Report preparation.
- California Building code.
- Instructional methods and public speaking.
- Principles of supervision

ABILITY TO:

Manage a building inspection and safety operation. Perform plan checks. Formulate, implement and maintain policy and procedure. Communicate effectively, both orally and in writing. Perform complex building and safety inspections. Supervise building safety personnel. Establish and maintain effective working relationships with Boards and Commissions. Establish and maintain effective working relationships with designers, property owners, builders and the public. Prepare clear, concise, accurate reports. Interpret codes & ordinances.
