

**REQUEST FOR PROPOSAL (RFP)  
FOR  
PROFESSIONAL SERVICES FOR  
UNCONTROLLED CROSSWALKS EVALUATION AND PRIORITIZATION**

**March 23, 2018**

**Introduction**

The City of San Rafael (City) hereby requests proposals from qualified Consultants for the evaluation and prioritization of uncontrolled crossings within City jurisdiction. The final product sought is a summary of ranked crosswalks in order of priority and recommendations with conceptual drawings for each location.

Proposals shall be submitted by firms that have a capable and demonstrable background in the type of work described in the section titled “Scope of Services” of this notice. In addition, all interested firms shall have sufficient, readily available resources, in the form of trained personnel, support services, specialized Consultants and financial resources, to carry out the work without delay or shortcomings.

**Project Description**

The City strives to improve pedestrian safety at uncontrolled crosswalks throughout the City by adopting a variety of pedestrian safety treatments and implementing improvements including, but not limited to, crosswalk visibility enhancements, street lighting, pavement markings, warning signage, curb extensions, pedestrian refuge islands, LED enhanced signage, and signalization. Due to the number of uncontrolled crosswalks in the City and limited construction funds available, the City is requesting that the uncontrolled crosswalk locations be analyzed utilizing the City-approved *Uncontrolled Crosswalk Scoring Matrix* (Attachment 2) and prioritized based on the total scores; the locations with the highest scores are reflective of highest priority locations.

**Evaluation Criteria**

A review and selection committee, made up of City staff and other professionals, will evaluate the Consultants based on the Proposals to determine which Consultant is best qualified to perform the work for this project. The committee will then determine a ranking of the Consultants at which time negotiations may begin with the most qualified Consultant. The Consultant fee will be evaluated to determine if the amount of the fee is considered a reasonable cost for the work outlined in the Proposal. If the top ranked Consultant has submitted a reasonable fee, the committee will make a recommendation to the Public Works Director that negotiations be opened to ensure that the top ranked Consultant has a full understanding of the expectations of the City, that the scope reflects all tasks anticipated and that the fee reflects completion of the project to the satisfaction of the City. In the event that the City and the top ranked Consultant are unable to come to an agreement as to scope and fee, the City reserves the right to close negotiations with the top ranked Consultant and open negotiations with the second-ranked Consultant. Once an agreement is reached involving the scope and fee, the Public Works Director will make a recommendation to the City Council to award the project to the selected Consultant and to authorize the Public Works Director to enter into an agreement with that Consultant. If the City Council is in agreement with the recommendation, City staff will proceed with the completion of the agreement and prepare the contract for execution.

Ranking of the Proposals will be based on the following point system (100 points maximum):

1. Inclusion of all required items and completeness of the Proposal (5 points)
2. Understanding of the work to be done (25 points)
3. Previous experience of similar projects completed on time and within budget (20 points)
4. Qualified and experienced personnel in the project team (15 points)
5. Capability of developing innovative or advanced techniques (5 points)
6. Familiarity with state and federal procedures (10 points)
7. Commitment to adhering to the project schedule and budget (5 points)
8. Clear description of the tasks and demonstrated technical ability (15 points)

The City will notify each Consultant regarding the outcome of the Proposal selection process.

The City may reject any or all of the Proposals if it deems such action are in the public interest.

10. INSURANCE.

A. Scope of Coverage. During the term of this Agreement, **CONSULTANT** shall maintain, at no expense to **CITY**, the following insurance policies:

1. A commercial general liability insurance policy in the minimum amount of one million dollars (\$1,000,000) per occurrence/two million dollars (\$2,000,000) aggregate, for death, bodily injury, personal injury, or property damage.

2. An automobile liability (owned, non-owned, and hired vehicles) insurance policy in the minimum amount of one million dollars (\$1,000,000) dollars per occurrence.

3. If any licensed professional performs any of the services required to be performed under this Agreement, a professional liability insurance policy in the minimum amount of one million dollars (\$1,000,000) per occurrence/two million dollars (\$2,000,000) aggregate, to cover any claims arising out of the **CONSULTANT'S** performance of services under this Agreement. Where **CONSULTANT** is a professional not required to have a professional license, **CITY** reserves the right to require **CONSULTANT** to provide professional liability insurance pursuant to this section.

4. If it employs any person, **CONSULTANT** shall maintain worker's compensation insurance, as required by the State of California, with statutory limits, and employer's liability insurance with limits of no less than one million dollars (\$1,000,000) per accident for bodily injury or disease. **CONSULTANT'S** worker's compensation insurance shall be specifically endorsed to waive any right of subrogation against **CITY**.

B. Other Insurance Requirements. The insurance coverage required of the **CONSULTANT** in subparagraph A of this section above shall also meet the following requirements:

1. Except for professional liability insurance, the insurance policies shall be specifically endorsed to include the **CITY**, its officers, agents, employees, and volunteers, as additionally named insureds under the policies.

2. The additional insured coverage under **CONSULTANT'S** insurance policies shall be primary with respect to any insurance or coverage maintained by **CITY** and shall not call upon **CITY'S** insurance or self-insurance coverage for any contribution. The "primary and noncontributory" coverage in **CONSULTANT'S** policies shall be at least as broad as ISO form CG20 01 04 13.

3. Except for professional liability insurance, the insurance policies shall include, in their text or by endorsement, coverage for contractual liability and personal injury.

4. By execution of this Agreement, **CONTRACTOR** hereby grants to **CITY** a waiver of any right to subrogation which any insurer of **CONTRACTOR** may acquire against **CITY** by virtue of the payment of any loss under such insurance. **CONTRACTOR** agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not **CITY** has received a waiver of subrogation endorsement from the insurer.

5. If the insurance is written on a Claims Made Form, then, following termination of this Agreement, said insurance coverage shall survive for a period of not less than five years.

6. The insurance policies shall provide for a retroactive date of placement coinciding with the effective date of this Agreement.

7. The limits of insurance required in this Agreement may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and noncontributory basis for the benefit of **CITY** (if agreed to in a written contract or agreement) before **CITY'S** own insurance or self-insurance shall be called upon to protect it as a named insured.

8. It shall be a requirement under this Agreement that any available insurance proceeds broader than or in excess of the specified minimum insurance coverage requirements and/or limits shall be available to **CITY** or any other additional insured party. Furthermore, the requirements for coverage and limits shall be: (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the named insured; whichever is greater.

C. Deductibles and SIR's. Any deductibles or self-insured retentions in **CONSULTANT'S** insurance policies must be declared to and approved by the **PROJECT MANAGER** and City Attorney, and shall not reduce the limits of liability. Policies containing any self-insured retention (SIR) provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named insured or **CITY** or other additional insured party. At **CITY'S** option, the deductibles or self-insured retentions with respect to **CITY** shall be reduced or eliminated to **CITY'S** satisfaction, or **CONSULTANT** shall procure a bond guaranteeing payment of losses and related investigations, claims administration, attorney's fees and defense expenses.

D. Proof of Insurance. **CONSULTANT** shall provide to the **PROJECT MANAGER** or **CITY'S** City Attorney all of the following: (1) Certificates of Insurance evidencing the insurance coverage required in this Agreement; (2) a copy of the policy declaration page and/or endorsement page listing all policy endorsements for the commercial general liability policy, and (3) excerpts of policy language or specific endorsements evidencing the other insurance requirements set forth in this Agreement. **CITY** reserves the right to obtain a full certified copy of any insurance policy and endorsements from **CONSULTANT**. Failure to exercise this right shall not constitute a waiver of the right to exercise it later. The insurance shall be approved as to form and sufficiency by **PROJECT MANAGER** and the City Attorney.

## 11. INDEMNIFICATION.

A. Except as otherwise provided in Paragraph B., **CONSULTANT** shall, to the fullest extent permitted by law, indemnify, release, defend with counsel approved by **CITY**, and hold harmless **CITY**, its officers, agents, employees and volunteers (collectively, the "**City Indemnitees**"), from and against any claim, demand, suit, judgment, loss, liability or expense of any kind, including but not limited to attorney's fees, expert fees and all other costs and fees of litigation, (collectively "**CLAIMS**"), arising out of **CONSULTANT'S** performance of its obligations or conduct of its operations under this Agreement. The **CONSULTANT'S** obligations apply regardless of whether or not a liability is caused or contributed to by the active or passive negligence of the **City Indemnitees**. However, to the extent that liability is caused by the active negligence or willful misconduct of the **City Indemnitees**, the **CONSULTANT'S** indemnification obligation shall be reduced in proportion to the **City Indemnitees'** share of liability for the active negligence or willful misconduct. In addition, the acceptance or approval of the **CONSULTANT'S** work or work product by the **CITY** or any of its directors, officers or employees shall not relieve or reduce the **CONSULTANT'S** indemnification obligations. In the event the **City Indemnitees** are made a party to any action, lawsuit, or other adversarial proceeding arising from **CONSULTANT'S** performance of or operations under this Agreement, **CONSULTANT** shall provide a defense to the **City Indemnitees** or at **CITY'S** option reimburse the **City Indemnitees** their costs of defense, including reasonable attorneys' fees, incurred in defense of such claims.

B. Where the services to be provided by **CONSULTANT** under this Agreement are design professional services to be performed by a design professional as that term is defined under Civil Code Section 2782.8, **CONSULTANT** shall, to the fullest extent permitted by law, indemnify, release, defend and hold harmless the **City Indemnitees** from and against any **CLAIMS** that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of **CONSULTANT** in the performance of its duties and obligations under this Agreement or its failure to comply with any of its obligations contained in this Agreement, except such **CLAIM** which is caused by the sole negligence or willful misconduct of

**CITY.** In no event shall the cost to defend charged to the design professional exceed the design professional's proportionate percentage of fault.

C. The defense and indemnification obligations of this Agreement are undertaken in addition to, and shall not in any way be limited by, the insurance obligations contained in this Agreement, and shall survive the termination or completion of this Agreement for the full period of time allowed by law.

12. NONDISCRIMINATION.

**CONSULTANT** shall not discriminate, in any way, against any person on the basis of age, sex, race, color, religion, ancestry, national origin or disability in connection with or related to the performance of its duties and obligations under this Agreement.

**CONSULTANT** shall observe and comply with all applicable federal, state and local laws, ordinances, codes and regulations, in the performance of its duties and obligations under this Agreement. **CONSULTANT** shall perform all services under this Agreement in accordance with these laws, ordinances, codes and regulations. **CONSULTANT** shall release, defend, indemnify and hold harmless **CITY**, its officers, agents and employees from any and all damages, liabilities, penalties, fines and all other consequences from any noncompliance or violation of any laws, ordinances, codes or regulations.

14. NO THIRD PARTY BENEFICIARIES.

**CITY** and **CONSULTANT** do not intend, by any provision of this Agreement, to create in any third party, any benefit or right owed by one party, under the terms and conditions of this Agreement, to the other party.
