## Finding the Residential Resale Report on Line

Your report should be ready within 2 to 3 business days.

To find your report: Enter the following in your web browser: https://epermits.cityofsanrafael.org/etrakit3/Search/permit.aspx

By clicking where it says "Click here for search examples" you can get an idea of what is needed to accurately search. For example, if a street is known as 4th, putting in Fourth will not produce a result.

There is no need to add the suffix (St/Ave/Lane/Circle).

(Searching by the permit number brings up only the one permit. Don't forget the dash when searching by permit number).

As you can see, several permits came up when using the address for this search. Single click on the Permit you want to open. Since we are looking for a Resale permit, you want to open the most recent permit that starts with an R. (See permit "Type" to help in your selection.)
