

PARKING CHANGES ARE COMING TO EAST SAN RAFAEL

The goal of these parking changes is to eliminate cars currently being stored on City streets. This will open up space for residents and visitors to park in the commercial areas and in their neighborhoods.

Commercial Area (Francisco Blvd E & Kerner):
4-hour time limit enforced from 8am - 6pm everyday,
except holidays. Citations: \$35

Residential Areas (Canal, Bahia, Spinnaker/Baypoint): 24-
hour time limit enforced everyday, except holidays.
Citations: \$75

24-hour time limit enforced streets within commercial areas:

- south side of Harbor between Canal and Mill
- both sides of Canal between Harbor and Larkspur
- both sides of Hoag between Canal and Mill
- Winward Way

New posts and signs may be placed on property frontages, but the City will strive to keep the impact on property owners to a minimum.

Once the new signs are posted, there will be a month of warnings that Parking Enforcement officers will write and place on violators' windshields. After the first month, Parking Enforcement officers will be writing citations and/or towing vehicles.
