ABILITY TO:

- Drive a Fire Engine.
- Perform related maintenance mechanic duties.
- Maintain effective working relationships with others.
- Follow chain of command.
- Communicate effectively verbally and in writing.
- Supervise others.

EDUCATION and/or EXPERIENCE:

Any combination of education and experience that demonstrates possession of the requisite knowledges, skill and abilities. A typical way to obtain these would be:

- High School diploma or equivalent.
- At least 18 months of experience with the City of San Rafael Fire Department
- Valid California Drivers' License with necessary endorsements to drive fire apparatus in compliance with the California Vehicle Code.
- Current San Rafael Fire Department Engineer Certification.

PHYSICAL DEMANDS:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly required to stand; walk; sit; use hands to finger, handle, or feel; reach with hands and arms; climb or balance; stoop, kneel, crouch, or crawl; talk or hear; and smell. The employee must frequently lift and/or move up to 100 pounds and occasionally lift and/or move more than 100 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus.

WORK ENVIRONMENT:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly exposed to outside weather conditions and regularly works in evenings or on weekends. The employee frequently works in indoor conditions. The employee occasionally works near video display. The noise level in the work environment is usually moderate.

APPLICATION AND SELECTION PROCESS: Must currently be employed by the City of San Rafael's Fire Department. Copy of current California Drivers' License with necessary endorsements *and* SRFD Engineer Certification must be attached to the application **as ONE PDF file**, no larger than 2MB. City of San Rafael online application is required; resumes do not substitute for the City application.

All applicants who meet the required criteria will be invited to participate in the testing process. The testing process will consist of a written examination (including a local geography section), a manipulative pumping portion, a technical oral portion and a manipulative driving portion. All candidates must pass the written test with a minimum score of 70% to continue to the practical portion of the exam.
