1. OPTIONAL WALKING TOUR (meet at Whistlestop at 5.15 PM, depart at 5.30 PM sharp)

Members of the General Plan Steering Committee and their Alternates are invited to participate in a walking tour of the Downtown Precise Plan area. This tour involves approximately one mile of level walking, over a 75-minute period. Attendance is encouraged but not required. For Steering Committee members unable to attend, or for those with mobility limitations, we will provide a "make up" tour (or a tour by car) at a later date to be determined. **Please RSVP for this event by emailing barry.miller@cityofsanrafael.org.**

The walking tour will end at the Whistlestop at approximately 6.45 PM.

2. DOWNTOWN SAN RAFAEL COMMUNITY WORKSHOP (7:00 – 9:00 PM)

Members of the General Plan Steering Committee and their Alternates are invited to participate in a community design and visioning workshop for Downtown San Rafael. Please note this meeting will take place in the Jacksons Café space at Whistlestop at 930 Tamalpais Street. The meeting will be facilitated by Opticos Design, the prime consultant on the Downtown Precise Plan. The General Public has been invited to attend and participate and the meeting will be conducted as a workshop rather than a traditional Steering Committee meeting. The format will include welcoming remarks from City staff and officials, an opening presentation by Opticos, breakout groups, comments from each breakout group, and closing remarks. Additional events are planned on May 9, 10, and 11.
