Downtown Walking Tour

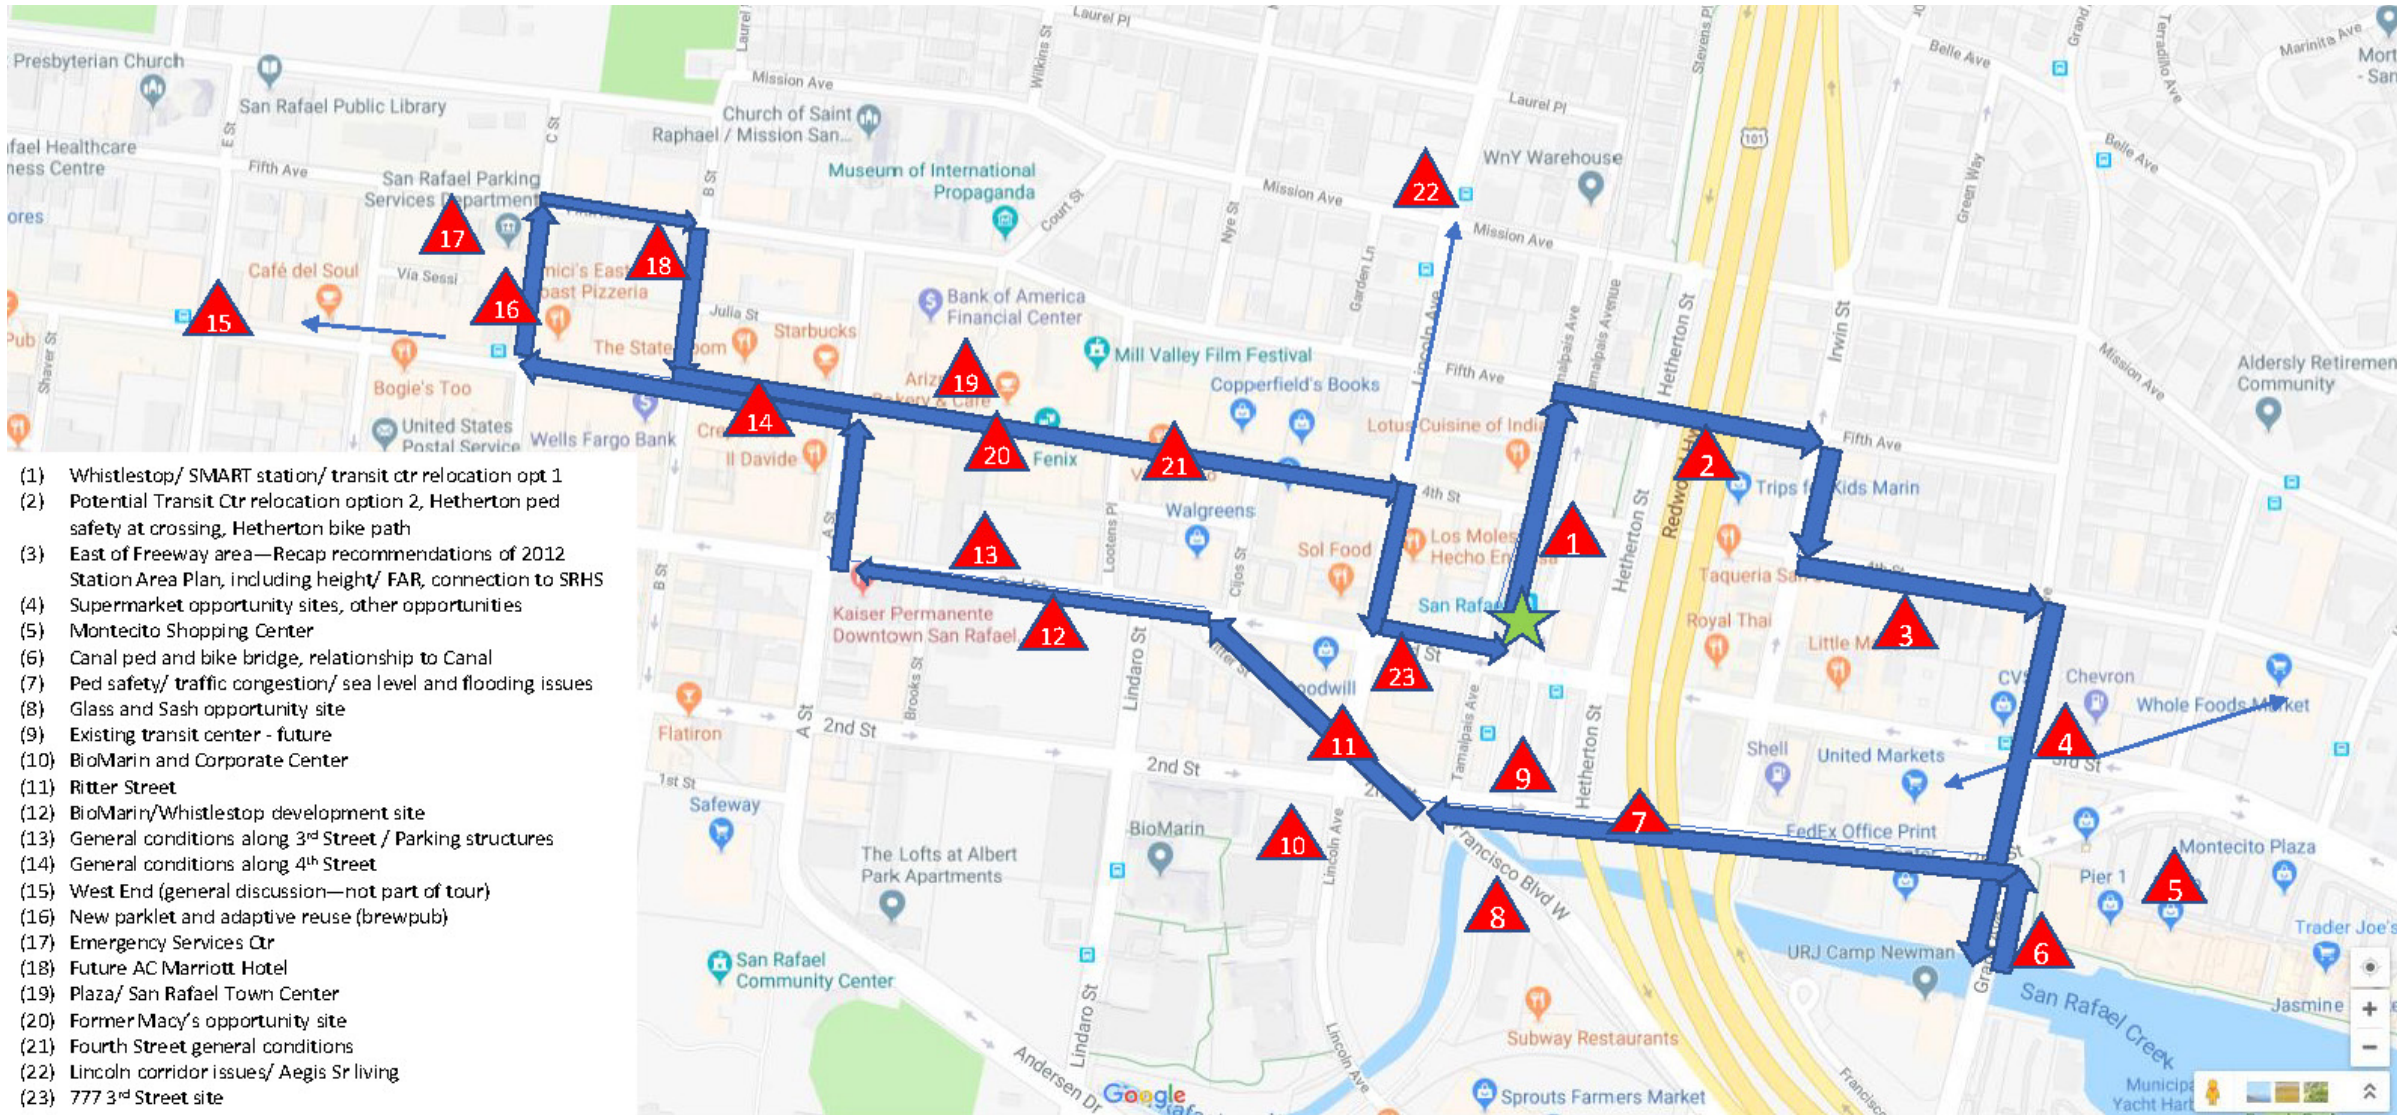

Downtown Walking Tour

- The tour lasted 1.5 hours and included key areas in the Downtown Plan area
- Participants included General Plan Steering Committee members, City staff, community members and the consultants
- Participants were split into two groups, led by Paul Jensen and Barry Miller
- Each group stopped at key points along the route and shared observations and ideas

Focus Group Meetings

Focus Group Meetings

- The consultant team attended four focus group meetings on 2nd and 8th May 2019
- Each focus group included 7-10 local stakeholders with different viewpoints and opinions, to encourage robust discussion
- The meeting minutes from these focus groups will be transcribed and made available to the public in the near future

Focus Group Topics:

- Historic Resources in Downtown
- Downtown Merchants and Businesses
- Downtown Employers and Developers
- Downtown Service Providers

Post-Charrette Feedback

Post-Charrette Feedback

- Key Charrette graphics including the preliminary design ideas were displayed in the charrette space on May 11th and 12th.
- Passers-by could view the exhibits and comment online at **www.cityofsanrafael.org/2040**
- Feedback received will be compiled and made available to the public in the near future
