

1 HOUR 2 GET READY

San Rafael Disaster Preparedness

Learn what you can do in one hour to be more disaster ready and help create a more resilient community.

WHAT

A 60 minute class focuses on helping you take steps to be better prepared. Whether you own or rent, what you do now can help you survive the next wildfire, earthquake or flood.

TOPICS

- + Understanding Emergency Management
- + How to support city responders
- + Ways to minimize damage and injury
- + How to stay informed
- + Make a plan
- + How and when to shelter in place
- + Evacuation
- + Go-Bags and disaster kits
- + Working together as a community
- + How to learn more and get involved

The presentation focuses on things you can do in one hour to Get Ready! Q&A will follow as time allows.

OVERWHELMED?

Don't be. Come to a class or other event, and commit to spending one hour to get prepared. Every step you take is one step closer to being prepared.
