

**PG&E Community Wildfire Safety Program  
Webinar #2**

**SUBJECT: PG&E Wildfire Safety Webinar**

PG&E will be hosting to share more information about our Community Wildfire Safety Program (CWSP). This webinar will provide an opportunity for anyone who is interested in PG&E's wildfire safety efforts to receive a presentation from PG&E leadership, ask questions and provide feedback.

Topics will include:

- Expansion of the Public Safety Power Shutoff program
- Accelerated safety inspections of electric infrastructure
- Enhanced vegetation management around power lines
- Hardening the electric system for the future by replacing equipment and installing covered power lines and stronger and more resilient poles

Below is more information about the next scheduled webinar. Please feel free to share this invitation with members of your community. Closed captioning for the event will be available in English, Spanish and Chinese.
