

## Team Green 2

### Megan

#### Team leader

Hi! I'm Megan from Kentucky. I graduated from Western Kentucky University with a Bachelor's Degree in political science and a minor in gender studies. I enjoy podcasts, reading, and spending time in nature. This year I have gained skills in CPR First Aid Certification, mucking and gutting homes affected by mold, invasive species removal, Operational Leadership, Supervisory Skills, budgeting, and experience with scientific research studies.

### Mariah

#### Assistant Team leader, Service Learning

Hi! I am a Wisconsinite at heart and 20 years of age. I enjoy knitting, hammocking, and going for hikes. I plan to go to school for Human Services, Spanish, and Environmental Science.

### Evan

#### Health and Wellness Coordinator

Hey, I'm Evan; 19 years old and fresh out of High School. I was born and raised in southern Minnesota, and growing up on a rural plot of land, I developed a strong bond with and appreciation for nature, as well as a sense of family and community that's always driving me to do my best. My skills in school always gravitated towards the arts, whether it be acting, singing, drawing, writing, industrial craft, or anything else that could be a form of expression. In recent years, I've been excited to learn any new skill that I can in order to expand my mental tool set. It's my goal to forever be learning new things so that one day I might consider myself a true renaissance man, able to tackle any task that needs dealing with!

### Maritza

#### Vehicle Safety Tools

I was born and raised in the lone-star state, otherwise known as Texas. I'm just an average girl with an extreme competitive spirit. I grew up playing video games and competitive sports, in which I strived to be the best through repetitive practice and perseverance. Thus in the next 10 months, I hope to maintain that same spirit but remember that it's okay to be "the best version of yourself".

## **Tomas**

### **Vehicle Safety Tools**

My name is Thomas and I am from a small town in Southern Illinois near St. Louis, Missouri. I will be finishing my criminal justice degree and plan on working in federal law enforcement. I am forklift/order picker trained and was certified when I worked at a warehouse for Menards. I have worked with some power tools such as chainsaws, drills, and other construction equipment. I love to exercise and be outside. Growing up a military child, I do not mind constant change and love to explore new places. I am fluent in Spanish and love to use it in whatever the opportunity arises. It is always exciting to meet new people and I enjoy a good adventure.

## **Michael**

### **Recruiter**

Invasive species removal experience. Experience in outdoor education. Completed two rounds of service so far with AmeriCorps across the country. Park ranger experience. Passionate about volunteering & improving lives.

## **Alex**

### **Media Rep, Service Learning Initiator, Vegetarian**

Hello! I'm from Maryland fresh out of high school. 18 years old & ready to see all of the world! I enjoy being outdoors, hiking, and spreading positivity energy. I'm here to do hard work & have fun while doing it! I have a passion for the environment & nature.

## **Maddy**

### **Health & Wellness Coordinator, Vegetarian**

While in AmeriCorps NCCC I hope to meet new people, help those in need develop leadership skills & travel more. After the program I hope to work on an organic farm in upstate NY, and continue my career as a snowboard instructor.

**We are AmeriCorps Members and we will get things done.**
