

Neighborhood Egg Hunt

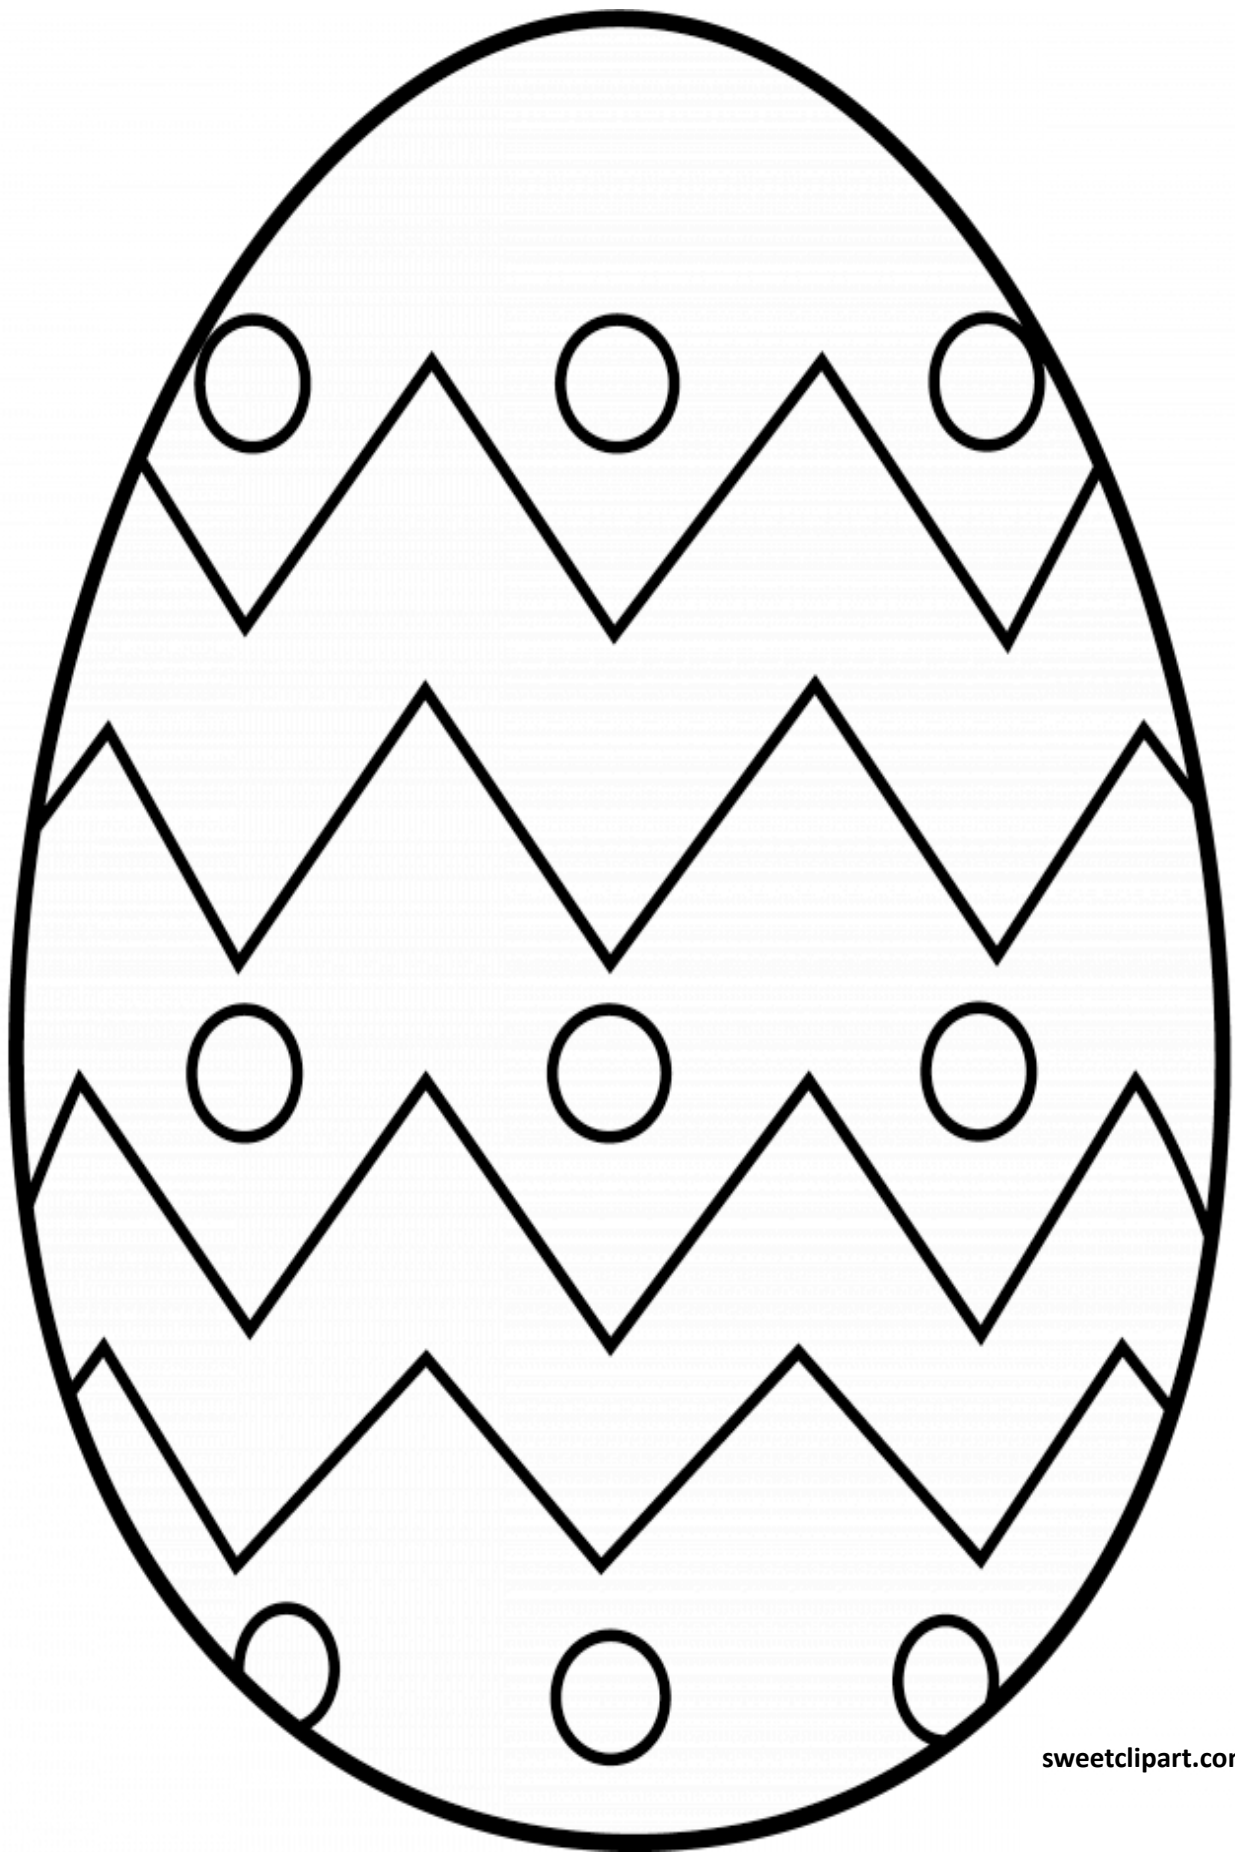

(with Physical Distancing!)

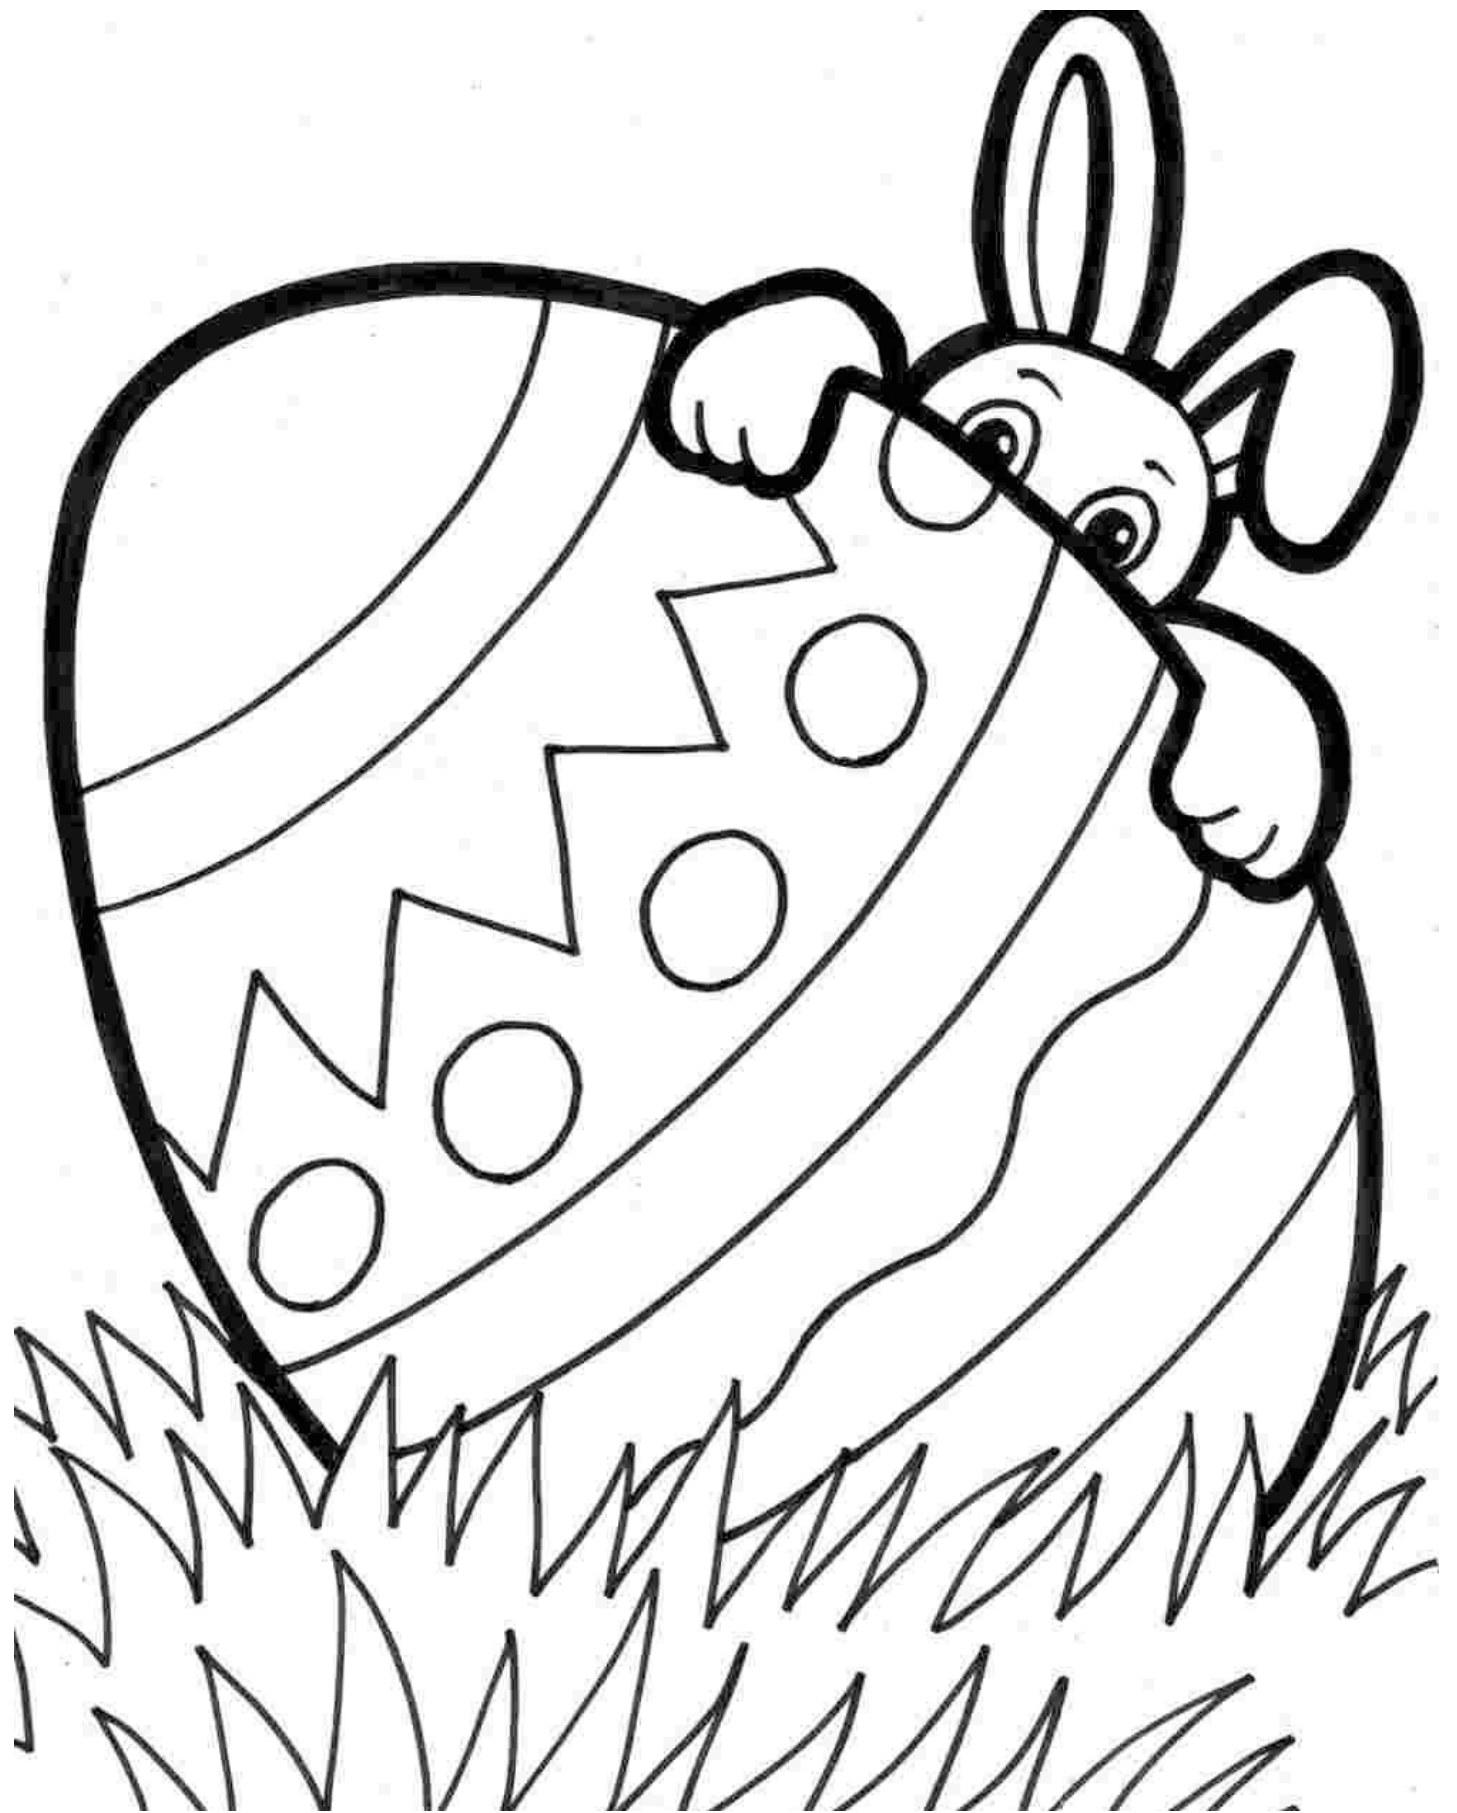

Let's have fun in our neighborhood by sharing colorful egg pictures in our windows. Then head out for a walk and count how many you see or take photos and share with us so we can see the Easter fun!

- Print out the egg templates we've attached here or create your own.
- Make them fun and bright with your favorite colors or paints.
- Carefully cut out your egg.
- Secure the egg to a window of your home that it is visible from the sidewalk.
- Have fun searching your neighborhood and tally up how many eggs you find!

Remember to continue physical distancing and stay six feet away from others
