TOPIC: NINE-YEAR, ONE-QUARTER PERCENT TRANSACTIONS AND USE TAX BALLOT MEASURE

SUBJECT: RESOLUTION DIRECTING THE SUBMISSION TO THE ELECTORS OF THE CITY OF SAN RAFAEL OF A BALLOT MEASURE, PROPOSING AN AMENDMENT TO THE MUNICIPAL CODE OF THE CITY OF SAN RAFAEL TO ADD A NEW CHAPTER 3.19A ADDING A NEW NINE-YEAR, ONE-QUARTER PERCENT TRANSACTIONS AND USE TAX, AT THE GENERAL MUNICIPAL ELECTION TO BE HELD TUESDAY, NOVEMBER 3, 2020 AS CALLED BY RESOLUTION NO. 14814; AND DIRECTING THE CITY ATTORNEY TO PREPARE AN IMPARTIAL ANALYSIS OF THE MEASURE

RECOMMENDATIONS
Staff recommends City Council adopt the attached resolution placing a nine-year, one-quarter percent transactions and use tax (sales tax) on the ballot for November 3, 2020.

BACKGROUND:
The City of San Rafael, along with many other cities across Marin County and the Bay Area, has been greatly affected from the COVID-19 pandemic and related steep downturn in economic activity. Currently, the City is projecting an $11.8 million deficit for the end of fiscal year 2019/20 and all of fiscal year 2020/21, putting many essential services at risk.

To face these challenges, the City has implemented a cost-cutting plan that includes actions such as: suspending or eliminating 23 regular positions and over 100 temporary positions through a voluntary retirement separation program and halting the recruitment for vacant positions, reducing city workers’ hours and thereby hours open to the public one day per month, canceling or deferring projects and programs from street repair to recreation, and delaying critical infrastructure maintenance that has already been deferred for many years.

In addition to budget reductions, the City is further focused on evaluating options for generating new funding so essential services can be maintained. This cost reduction plan is described in more detail in the COVID-19 Economic Recovery Plan (CERP) presented on May 18, 2020. Please see the CERP for a full description of the extent of the financial deficit, how city services are impacted, and plans to get to economic recovery.
The fiscal year 2020-21 budget was developed using the following guiding principles:

- Continually assess and improve efficiency in the delivery of services;
- Manage the size and compensation of the workforce to best deliver services given our current and anticipated financial realities;
- Seek additional revenues from all sources to meet the community’s needs and expectations of a high-quality level of service; and
- Collaborate with other Marin governmental agencies to consider partnerships and/or regionalized services to leverage resources and improve efficiency.

ANALYSIS:

A nine-year, one-quarter percent (25 cents on a $100.00 purchase) transactions and use (sales) tax was identified as a possible revenue source for several key reasons. Here are some examples:

- The cost burden of a sales tax is spread across both city residents, but also visitors who shop in San Rafael and rely on our infrastructure and essential services such as 911. Additionally, groceries and prescription medicine are exempt, therefore reducing the burden to residents on fixed incomes.
- A modest one-quarter of one percent sales tax increase would generate approximately $3.4 million in locally-controlled funding and would make a meaningful difference toward addressing the City’s revenue challenges.
- A sales tax can be structured as a general tax to provide flexibility in the use of funds to address the uncertain and changing needs of the community as the recovery from COVID-19 and related economic impacts evolve.
- Only one-quarter of one percent of local sales tax remains available under the statutory sales tax cap established in state law. The City has a very time-limited opportunity to capture this revenue stream and protect it for local use before it may be taken by other agencies.

In order to evaluate the possibility of placing a sales tax measure on the ballot, the City contracted with Godbe Research and TBWBH Props and Measures to assess community opinions and attitudes related to a potential voter-approved revenue measure that could be placed on the ballot as soon as the November 3, 2020 General Election. The survey was conducted May 11, 2020 through May 17, 2020 and the average survey length was 21 minutes.

The survey results indicate community support for a sales tax consistently above the simple majority threshold required for passage, which is 50% in favor +1 vote. The survey also provides clear guidance to the City regarding voter priorities for the use of funding various services as well as generally positive ratings of the City’s response to COVID-19, delivery of services, and management of the budget. The survey results were presented in detail at the June 15, 2020 Council Meeting.

What is the current sales tax rate in San Rafael and who receives the revenue?

The current sales tax rate in San Rafael is 9.0%. The California Sales and Use Tax is comprised of a standard statewide component and a local jurisdiction component. The statewide base sales tax rate is currently 7.25%. The City of San Rafael, like all other municipalities currently receives 1.0% of the statewide base rate. The local jurisdiction component allows municipalities and counties, through voter approval, to add additional district taxes. However, the combined rate of all district taxes in any county currently cannot exceed 2.00%. As the table below illustrates, local jurisdictions comprise 1.75% of the 9.0% sales tax rate in San Rafael. The City of San Rafael receives 0.75% of the local jurisdiction rate.

In 2013 when Measure E was passed, the Sales and Use Tax rate for the City of San Rafael was at 9.25%. This decreased to 9.0% effective January 1, 2017 due to a reorganization initiated at the State level. The one-quarter percent transactions and use tax will have the same effect of bringing the rate back to where it was prior to January 1, 2017.

The state of California contains approximately 150 incorporated cities that currently have a sales tax rate of 9.25% and over and 43 incorporated cities with rates at 10% or above up to 10.5%. Some nearby cities such as Alameda, El Cerrito, Millbrae, Pacifica, Dublin, Martinez and Hayward to name a few all have a sales tax rate of 9.25% or higher. Similar to the City of San Rafael, these cities rely heavily on sales tax as the number one revenue generator while other cities rely on higher property tax revenues as a result of higher home prices and more special assessment taxes.

How will the City of San Rafael benefit?

The one-quarter percent transactions and use tax is recommended for a nine-year period. The economic impacts of the COVID-19 pandemic and shelter in place orders have a significant negative impact on our local businesses and the revenues used to operate our city. To meet our financial challenges, the City took immediate cost cutting steps that created a balanced budget for fiscal year 2020-21, bridging a $9 million gap due to revenue shortfalls. However, the City has used all of its one-time funds that had been accumulated over previous years and is budgeted to decrease its emergency reserve fund of 10% to 6.3%. The GFOA recommends at least a 10% emergency reserve and best practices call for 17%. Furthermore, the COVID-19 pandemic is expected to have a negative financial impact well past fiscal year 2021.

With 23 frozen positions and over 100 temporary positions unfilled as part of the budget cuts in the fiscal year 2020-21 budget, the City is unable to maintain essential services as they were prior to the COVID-19 pandemic. In order to continue priority operations, the City will need to generate additional revenues.

Top priority and essential service areas include:
- Providing disaster and health emergency preparedness
- Maintaining 9-1-1 emergency response times
- Repairing potholes and enhancing city streets
- Maintaining city parks and playgrounds
- Maintaining services and programs for youth, families and seniors
• Maintaining crime prevention programs and services
• Maintaining local services to help address the needs of individuals experiencing homelessness

In 2019, the City worked with an outside firm, Management Partners to create a 20-year financial model. While in the past, the City looked out a few/several years while financial planning, this was the first time that a robust model was created to estimate 20 years into the future. The model is quite comprehensive and allows the user to set assumptions such as the severity of anticipated future recessions, investment into city facilities over time, increase in property taxes due to anticipated development, etc.

Prior to the COVID-19 impact on the City’s budget, the model showed a difficult financial period starting in Fiscal Year 2020-21 where the City would need to reduce expenditures and add revenues over a period of about the next 9-10 years. That period is made considerably more difficult with the massive revenue losses brought on by COVID-19, thus the need to eliminate positions, implement furloughs, cut services, seek new revenues, and the like.

In addition, the City expects to experience pension expense reductions of a large scale in fiscal year 2030-31. This is due to the unfunded liability from the Great Recession established in 2013 being fully paid down by 2030 as the amortization period is 17 years. As a result, the City expects savings of approximately $12 million starting in the fiscal year 2030-31. The one-quarter percent transactions and use tax would sunset in March 2030, thus bridging the gap until the City is able to experience substantial decreases in expenses.

More information on the potential one-quarter percent can be found at this webpage which also includes a survey and Frequently Asked Questions that we will be regularly updating as comments and questions are received.

**Recommended Actions**

The purpose of this staff report is to (1) direct the submission to the City’s voters of a ballot measure, proposing an amendment to the Municipal Code of the City of San Rafael to add a new chapter 3.19A adding a new nine-year, one-quarter percent transactions and use tax, at the General Municipal Election to be held Tuesday, November 3, 2020; and (2) direct the City Attorney to prepare an impartial analysis of the measure.

The Resolution before the Council includes the ballot measure language recommended by staff as follows:

“San Rafael Emergency Preparedness and Essential Services Protection Measure. To preserve essential city services with funding that cannot be taken by Sacramento, including disaster/health emergency preparedness, repairing potholes/city streets, maintaining 911 emergency response times, city parks/playgrounds, crime prevention, preserving local services/programs for youth, families, seniors, homeless, and other city services, shall the City of San Rafael measure increasing the local sales tax rate by ¼%, for 9 years, providing $3,400,000 per year, be adopted?”

This is the language that would appear on the ballot itself; however, the full text of the ballot measure is the ordinance included as Attachment A to the Resolution, which would add the one-quarter percent transactions and use tax as new Chapter 3.19A of the Municipal Code. This ordinance would be printed in full in the voter information pamphlet for the election.
The Resolution also directs the City Attorney to prepare an impartial analysis of the proposed ballot measure to be filed with the City Clerk and printed in the voter information pamphlet. The impartial analysis is not meant to advocate a position on the measure, but rather must impartially disclose the effect of the measure on the existing law and the operation of the measure.

COMMUNITY OUTREACH:
Other than the aforementioned resident survey and the potential “sales tax” measure website, the City also mailed an informational piece to all registered voters in San Rafael which included a brief feedback survey. Staff will additionally continue to engage in a proactive effort with the community and local stakeholders to collect feedback and provide information to the public to raise awareness of the city’s budget challenges and alternatives for protecting current service levels. This effort has included preparing and disseminating unbiased information and creating feedback channels to ensure the public has access to the information they need about the City’s budget situation and funding choices so that they can consider this issue and get their questions answered. This outreach effort focuses on the broad voting public as well as key community stakeholders like the local business community, neighborhood associations and others. The City utilizes existing communication channels such as email, social media such as Twitter, Facebook and Instagram, participation in local groups and organizations as well broader distribution methods like direct mail and print media.

FISCAL IMPACT:
If an increase of one-quarter percent transactions and use tax is placed on the November 3, 2020 ballot and approved by the voters, the City of San Rafael would expect to collect approximately $3.4 million per year or approximately $30.6 million in total. Proceeding with placing a sales tax measure on the November ballot would mean incurring certain costs such as the cost paid to the County Registrar of Voters to add this measure to the ballot which is approximately $24,000 and the cost of preparing and disseminating future mailers and outreach materials.

OPTIONS:
The City Council has the following options to consider on this matter:
1. Adopt the resolution and place the measure on the November 3, 2020 ballot.
2. Adopt resolution with modifications.
3. Direct staff to return with more information.
4. Take no action.

RECOMMENDED ACTION:
Adopt the Resolution of the City Council of the City of San Rafael:
1. Direct the submission to the voters of a ballot measure proposing an amendment to the Municipal Code of the City of San Rafael to add a new chapter 3.19A adding a new nine-year, one-quarter percent transactions and use tax at the General Municipal Election to be held Tuesday, November 3, 2020; and
2. Directing the City Attorney to prepare an impartial analysis of the measure.

NOW, THEREFORE, THE PEOPLE OF THE CITY OF SAN RAFAEL DO
ORDAIN AS FOLLOWS:

DIVISION 1. AMENDMENT TO MUNICIPAL CODE.
A new Chapter 3.19A is hereby added to the San Rafael Municipal Code to read as follows:

Chapter 3.19A

TRANSACTIONS AND USE TAX

3.19A.010 -- Definitions.

As used in this Chapter, “City” means the City of San Rafael and “tax” means the transactions and use tax imposed under the provisions of this Chapter.

The tax imposed by this Chapter is in addition to, and does not replace or amend, the provisions of the tax imposed pursuant to Chapter 3.19 of the San Rafael Municipal Code.

3.19A.020 – Operative Date.

“Operative Date” means the first day that the tax is imposed and collected. The Operative Date shall be April 1, 2021, unless a later Operative Date becomes effective under the provisions of Section 3.19A.040.

3.19A.030 – Purpose.

This Chapter is adopted to achieve the following, among other purposes, and the City Council directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative only if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transaction and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that may be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative
procedures followed by the State Board of Equalization in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that may be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

3.19A.040 – Contract with State.

Prior to the Operative Date, the City shall contract with the State Board of Equalization to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided however, that if the City shall not have contracted with the State Board of Equalization prior to the Operative Date, it shall nevertheless so contract and in such a case the Operative Date shall be the first day of the first calendar quarter following the execution of such a contract.

3.19A.050 – Imposition of Transactions Tax; Transactions Tax Rate.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City of San Rafael at the rate of one-quarter of one percent (0.25%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the Operative Date.

3.19A.060 – Place of Transaction.

For the purposes of this Chapter, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

3.19A.070 – Imposition of Use Tax; Use Tax Rate.

An excise tax is hereby imposed on the storage, use or other consumption in the City of San Rafael of tangible personal property purchased from any retailer on and after the Operative Date for storage, use or other consumption in said territory at the rate of one-quarter of one percent (0.25%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.
3.19A.080 -- Proceeds of Tax.

The proceeds of the transactions and use tax imposed by this Chapter shall be deposited into the general fund of the City to be used for all general government purposes which may include, but are not limited to disaster and health emergency preparedness, repairing potholes and city streets, maintaining 911 emergency response times, City parks and playgrounds, crime prevention, preserving local services and programs for youth, families, seniors, homeless, and other City services. The tax imposed by this Chapter is intended to be and is, a general tax, the proceeds of which are to be spent as the City Council shall in its discretion, from time to time, determine.

3.19A.090 -- Adoption of Provisions of State Law.

Except as otherwise provided in this Chapter and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this Chapter as though fully set forth herein.

3.19A.100 -- Limitations on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made:

1. When the word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, State Board of Equalization, State Treasury, or the Constitution of the State of California.

2. When the result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this Chapter.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

   a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or

   b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by
the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

3.19A.110 -- Permit Not Required.

DIVISION 2. CEQA.

The approval of this ordinance is exempt from the California Environmental Quality Act (Public Resources Code §§ 21000 et seq., “CEQA,” and 14 Cal. Code Reg. §§ 15000 et seq., “CEQA Guidelines”). The transactions and use tax to be submitted to the voters is a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action nor does it authorize any private activity, but merely taxes such activity as otherwise occurs. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment. If revenue from the tax are used for a purpose that would have either such effect, the City will undertake the required CEQA review for that project. Therefore, pursuant to CEQA Guidelines section 15060 CEQA analysis is not required at this time.

DIVISION 3. EFFECTIVE AND OPERATIVE DATES.
