

FOR TRUSTEE OF THE SAN RAFAEL CITY SCHOOLS BOARD OF EDUCATION, District 3

LINDA M. JACKSON

Occupation: Incumbent

Education: MA and MS, University of Texas; BA, Wellesley College

Public education is the foundation of our democracy. In the midst of climate catastrophe, racial injustice and economic recession, we must bend toward the imperatives of tomorrow's democracy.

I've been a social justice advocate since marching with my parents in support of Selma Alabama protesters. In Peace Corps, I learned what it is like to be the 'other' outside the dominant culture. I'm a mom of four San Rafael High graduates; I know what students and families experience from kindergarten to graduation.

As trustee, I brought student voice, restorative justice, balanced budgets, EV parking, solar power, equity training, new classrooms, more access to advanced courses, and texts that reflect the experiences of immigrant and other underrepresented students to San Rafael schools.

Challenging times call for experienced leadership. With new people joining the board and a new superintendent, San Rafael schools needs a strong knowledgeable leader as I have been for over a decade.

I will protect our community's health, provide the best education possible online and in the classroom, and ensure wise spending of public education dollars. Learn more at www.lmjackson.com. I'm running for re-election and ask for your vote.
