Occupation: School Board Member/Nonprofit Executive

In our community, we face grave challenges. As a parent, the President of the San Rafael Board of Education, and the Executive Director of a local non-profit dedicated to connecting children to nature, I know that our only successful path forward will require compassion, courage, fearlessness, and flexibility.

And that is why I love living in San Rafael. As a parent, school board member, community advocate, local business owner, and E.D., I've seen our vibrant spirit shine and our collaboration rise to meet the challenge.

There are also incredible possibilities ahead. As a fearless advocate for every family, a champion for our youth, and a small business owner, I see this moment as an opportunity to learn from one another, understand new perspectives, and celebrate our richness.

My priorities: Creating strong educational foundations for our youth, supporting the local business community and the San Rafael families impacted by COVID-19, proactively pursuing solutions to meet the impacts of Climate Change, building bridges across cultures and neighborhoods so we have the best of all worlds and stand shoulder-to-shoulder with every family.

I would appreciate your vote, and your partnership moving forward as we come together as a community to navigate these challenges.
