Subject: Walgreens's entrance-exit

The Lindaro-3rd St. entrance-exit should not be closed.
WE use the Walgreens on at the Lindaro entrance frequently.
Although I am a resident of Kentfield, I once had an office & business license in San Rafael.
My wife & I have allways shopped & gone for entertainment in San Rafael. We were there yesterday & I was there today.
Thanks,
Marty Rayman

Subject: Walgreens 3rd Street Entrance Closure

I would like to voice my opinion that I am against the closure of this entrance on 3rd Street side. It is much more convenient and makes sense logistically to have entrances and exits on both the Lootens and 3rd Street locations based on our needs.

Thank you.
