

## San Rafael Social Justice Community Art Group Project Purpose, Goals & Call for Artists

### **GROUP PURPOSE**

The San Rafael Social Justice Community Art Group formed in October 2020 and is comprised of arts and community advocates who live and/or work in the City of San Rafael. The group wanted to find a way to support the social justice messaging which was embedded in the chalk art mural created over the Summer of 2020 honoring Breonna Taylor's life at the intersection of Las Gallinas and Freitas Parkway. The mural was removed as the City's policy is to keep public property clear of markings of any kind<sup>1</sup>. The City and members of the community group have been working together toward the common goal of creating a publicly sanctioned art piece in Terra Linda, in the same vicinity and theme as the original mural.

### **GROUP GOALS**

The community groups' goals are to:

- Co-create, along with the City of San Rafael, a user-friendly, expeditious pilot process for approving public art projects on City owned property. This project will serve as a pilot, which will inform a future Public Arts program for the City of San Rafael.
- Shepherd a social justice public art proposal through this pilot process and see the project through its installation.

### **PROJECT GOALS**

- The art installation will create a positive message to celebrate the core themes of JEDI – Justice, Equity, Diversity, and Inclusion through the lens of a Marin-based black, Indigenous and people of color (BIPOC) perspective.
- The impact of the art installation will demonstrate that art is a representation of the collective community, and that the community can come together to heal, learn, and feel hope and unity. To that end, the creation of the art piece itself will have an educational and awareness building experience “baked in” for the community.

### **ART MEDIUM**

- Depending on the artist interpretation, the medium may consist of a mural, sculpture, and/or permanent canvas. The installation must be able to be moved to an alternative location at a future date.

### **ARTIST ELIGIBILITY**

The Call for Artists is open to all San Rafael and surrounding Marin County community adult and student practicing artists. Priority will be given to San Rafael-based artists and to those who identify as

a BIPOC individual. All entries must be an original design and artwork of the entrant and must be suitable for viewing by all ages.

### **FISCAL SPONSOR**

Youth in Arts (YIA) will act as the fiscal sponsor and recipient of all grants and funding sources for the project. This partnership ensures the next generation has a voice in this process and leverages the experience of YIA in developing local art projects. They will also provide support to the selected artist(s) by supporting them to incorporate a youth education component into the project.

**DESCRIPTION AND ART LOCATION:** Arbor Park resides in the northern part of San Rafael in the Terra Linda neighborhood. Located at the southwest intersection of Las Gallinas Ave and Manuel T. Freitas Pkwy, Arbor Park is what San Rafael calls a Parkette, or a small park. It consists of a few benches, grass area, and walking path. The park is highly visible to cars and pedestrians who travel in Terra Linda along Manuel T. Freitas which is the main thoroughfare for the neighborhood.
