Subject: Proposed Fee Changes

To the Park and Recreation Commission:

The San Rafael Community Center has been our home for many years and we are very grateful. We are also grateful for the staff, who have been so helpful and good to work with, and for the rates that have been fair and reasonable, especially for all of us nonprofits. No one likes to see their rent go up, but we know from time to time this needs to happen and we know you have worked hard to come up with new rates that again will be fair and reasonable for us all. Thank you for allowing us to share our thoughts.

Respectfully,

Mike Riley, Associate Pastor
