Subject: Re: Comment for City Council Members for Item 6.c for Tonight's City Council Agenda

... and may I add - as Chair of the PSPR median sub committee - my wholehearted thanks for the invaluable contributions made by the singled-out "troika " in the DPW in supervising the work of Gardeners Guild and ensuring that the obligations contained in the contract are followed. Our committee concurs with the staff's recommendation. Thanks. Jim Dickson

Would you please provide this comment to the Mayor and City Council Members regarding Item 6.c on tonight's City Council Meeting agenda.

Thanks

Kevin Hagerty

Honorable Mayor and City Council Members:

On behalf of the Point San Pedro Road Coalition, I would urge the City Council to approve the staff recommended Point San Pedro Road Median Landscaping Assessment District fee before you. The Coalition's Roadway Committee has worked closely with City's Public Works Department staff on reviewing the proposed Assessment District Budget and related assessment fee for the coming year and we support the City's staff recommendations.

I want to acknowledge and thank Public Works Department Director, Bill Guerin, Senior Management Analyst Talia Smith and Parks Maintenance Supervisor, Aaron Tubbs for their work in providing oversight and supervision of the median's budget and maintenance contract.

Kevin Hagerty
Chairman, Roadway Committee
Point San Pedro Road Coalition
