SAN RAFAEL CITY COUNCIL AGENDA REPORT

Department: Human Resources

Prepared by: Sylvia Gonzalez-Shelton,
Human Resources Operations Manager

City Manager Approval: _____

TOPIC: APPROVAL OF THE NEW MEMORANDUM OF UNDERSTANDING WITH SEIU LOCAL 1021 & FURLOUGH REIMBURSEMENT SIDE LETTER

SUBJECT: RESOLUTION APPROVING A MEMORANDUM OF UNDERSTANDING PERTAINING TO COMPENSATION AND WORKING CONDITIONS FOR SEIU LOCAL 1021 (JULY 1, 2021 THROUGH JUNE 30, 2024) AND FURLOUGH REIMBURSEMENT SIDE LETTER

RECOMMENDATION: Adopt Resolution.

BACKGROUND:

SEIU Local 1021 represents 125.36 full-time equivalent (FTE) positions in departments across the City. The most recent Memorandum of Understanding ("MOU") for SEIU expired on June 30, 2020 and was extended by side letter through June 30, 2021. Over the past several months, representatives of the City and SEIU have met in good faith and worked diligently to negotiate the terms of a successor MOU. The City and SEIU Local 1021 reached a tentative agreement on June 24, 2021, for a three-year successor MOU and SEIU Local 1021 membership subsequently ratified the tentative agreement.

ANALYSIS:

The following are the highlights that reflect the terms and significant economic items included in the agreement between the City and SEIU. In addition to the economic items, some operational items were also addressed in the final agreement, all of which can be found in the attached successor MOU.

1. **Term of the Agreement:** July 1, 2021 through June 30, 2024
2. **Salary Increase:** Individual classification salary increase percentages may be lower or higher than the percentages listed below, based on the amount of labor market adjustment agreed to for each position in the bargaining unit. The salary schedule included in the attached successor MOU authorizes the proposed new salary for each position.
 - a. Year 1: Value of a 3.5% base wage increase for the bargaining group, effective July 1, 2021
 - b. Year 2: Value of a 3.5% base wage increase for the bargaining group, effective July 1, 2022

Disposition: _____

c. Year 3: Value of a 3.5% base wage increase for the bargaining group, effective July 1, 2023

3. **New Positions:** During successor MOU negotiations, the City proposed a reorganization of the Finance Department and the Digital Service and Open Government Department. Certain SEIU classifications were proposed to be deleted and added through the reorganization. The Parties satisfied their obligations to meet and confer over the impacts of the City's planned reorganization in good faith and in accordance with the Meyers-Milias-Brown Act ("MMBA") and agreed to the reorganization implementation steps via a side letter agreement. The new position classification/job descriptions and salary ranges are included in the attachments to the proposed MOU.
4. **Non-Economic Items:** In addition to items discussed above, agreement was reached on other proposals, which reflect minor changes to existing provisions with no additional cost. The attached MOU includes all the changes agreed to by the parties.

Furlough Repayment Side Letter

In addition to the attached successor MOU, a side letter is attached that outlines the terms mutually agreed upon by the City and SEIU regarding the repayment of the furlough which was implemented in fiscal year 20-21. In response to the global COVID-19 pandemic that began in the spring of 2020, the City of San Rafael declared a local state of emergency. In anticipation of dire financial circumstances, the City exercised its management rights under MOU section 7.6 and implemented a Citywide furlough for all non-safety positions. Based on the best financial projections available at the time, it was necessary and prudent to implement the furlough in order to avoid the need to implement reductions in force in the future.

Year-end review of the FY 20/21 budget shows that the City's projected revenue losses anticipated due to the pandemic fortunately did not materialize as expected and the City is projecting a financial surplus for fiscal year 20-21. As a result, the City is in a financial position at this time to issue repayments to employees who were furloughed over the last year. The circumstances that make it possible for the City to reimburse employees for the furlough are extremely unique in nature and this one-time reimbursement for FY 20-21 is non-precedential. The City will issue a one-time re-payment equal to the actual furlough reduction amount taken by each employee in the bargaining group for FY 20/21. The City already made MCERA pension contributions on each employee's regular (non-furloughed) payroll amount each pay period during FY 20-21, therefore the City will not make any additional contributions to Classic or PEPPRA employees' pensions and the repayment amount is subject to normal payroll taxation. The individual furlough repayment amounts range from approximately \$350 - \$5,500, depending upon the individual position. The total amount of the furlough repayment for the bargaining group is \$304,200.

FISCAL IMPACT:

The current total annual salary and benefit cost to the City for the 125.36 FTE employees of SEIU Local 1021 is \$16,654,895. The additional ongoing incremental cost of the successor MOU beyond the FY 20/21 budget is:

	<u>Incremental FY 2021-22</u>	<u>Incremental FY 2022-23</u>	<u>Incremental FY 2023-24</u>
Wages:			
Base Salary	\$348,866	\$339,611	\$329,770
Other costs:			
Pension*	\$164,806	\$160,441	\$156,365

Taxes (Medicare, W/C)	<u>\$ 20,014</u>	<u>\$ 19,524</u>	<u>\$ 19,298</u>
Total Incremental Cost:	\$533,686	\$519,576	\$505,433

**This incremental pension cost results only from the negotiated wage increase and does not include the cost of associated MCERA rate changes. The terms and conditions of the pension benefit plan remain unchanged.*

While the incremental cost is \$533,686 for fiscal year 2021-2022, \$519,576 for fiscal year 2022-2023, and \$505,433 for fiscal year 2023-24, the increases are compounding and therefore the projected wages and other costs total \$3,145,643, plus \$304,200 in one-time costs for the furlough repayment, totaling \$3,449,843 for the three-year term. The increase in compensation included in this resolution is in line with the City's current budget projections. Funding for these positions is provided for in the City's General Fund.

OPTIONS:

The City Council has the following options to consider in this matter:

- Staff's recommendation to adopt the resolution.
- Adopt resolution with modifications.
- Direct staff to return with more information.
- Take no action.

RECOMMENDED ACTION:

Staff recommends that the City Council adopt the resolution to approve the Memorandum of Understanding between the City of San Rafael and SEIU Local 1021 pertaining to compensation and working conditions (July 1, 2021 through June 30, 2024) and the Furlough Reimbursement Side Letter.

3 COMPENSATION

3.1 GENERAL WAGES AND COMPENSATION

3.1.1 *Pay Dates*

City employees are paid twice per month on the 15th and the last working day of the month. When a payday falls on a holiday, the payday will be transferred to the following day of regular business unless Finance is able to complete the payroll by the previous workday. The method of the distributing payroll shall be established by the Finance Director.

The City calculates 1,950 hours as the annual number of work hours per year (37.5 hours per work week times 52 weeks per year equals 1,950 hours). Each semi-monthly pay period is calculated at 81.25 hours (1,950 hours divided by 24 pay periods). The hourly rate of pay is calculated by multiplying the monthly rate of pay identified in Appendix A times 12 months to equal the annual rate of pay, divided by 1,950 hours in a work year, to equal the hourly rate of pay.

The City will modify its pay schedule to 26 pay periods effective when administratively feasible subject to addressing technical issues and reaching agreement with all bargaining groups.

3.1.3 Compensation Goal & Definitions

It is the goal of the City to try to achieve a total compensation package for all employees represented by the Union in an amount equal to the following:

1. The average plus one dollar to the total compensation paid to the same or similar classifications in the following nine (9) cities: Fairfield, Vallejo, Hayward, San Leandro, South San Francisco, Alameda, Napa, Novato and Santa Rosa; and,
2. The highest total compensation paid to the same or similar classifications in the following agencies in Marin County: Corte Madera, Larkspur, Marin County, Mill Valley, Novato, and San Anselmo.

Total Compensation for survey purposes shall be defined as: Top step salary (excluding longevity pay steps), educational incentive pay, holiday pay, uniform allowance, employer paid deferred compensation (except for such portion that may be part of employee cafeteria plan),

employer's contribution towards employees' share of retirement, employer's retirement contribution, employer paid contributions toward insurance premiums for health, life, long term disability, dental and vision plans, and employer paid cafeteria/flexible spending accounts.

3.1.4 Compensation Surveys

To measure progress towards the above-stated goal, the City and the Union will jointly survey the identified benchmark positions, which are identified in the SEIU 1021 Represented Benchmarks and Internal Relationships Table attached as Exhibit "B" and included as part of this MOU, in September of the final year of this Agreement.

Identified benchmark positions from other agencies include positions that are filled as well as those that may be unfilled, so long as the benchmark position is identified by the survey agency as being on the salary schedule and having a job class description. Other city/agency positions are established as benchmark positions in San Rafael's compensation survey based upon similar work and similar job requirements.

Survey data will include all salary and benefit increases, as defined in 'total compensation'. The City and the Union shall review the benchmark and related survey data for accuracy and completeness.

3.1.5 Compensation Plan

The Compensation Plan adopted by the City Council shall provide for salary schedules, rates, ranges, steps and any other special circumstances or items related to the total compensation paid employees.

Each position within the classified services shall be allocated to its appropriate class in the classification plan on the basis of duties and responsibilities. Each class shall be assigned a salary range or a rate established in the salary plan. All persons entering the classified service shall be compensated in accordance with the salary plan then in effect.

3.2 STEP INCREASES

3.2.1 Entry Level Step

All initial employment shall be at the first step of the salary range, provided that the Department Director may make an appointment to a position at an appropriate higher salary when, in his/her opinion, it is necessary to obtain qualified personnel, or when it appears that the education or experience of a proposed employee is substantially superior to the minimum requirements of the class and justifies a beginning salary in excess of the first step. City Manager approval is required for entry level appointment above Step C for any position.

3.2.2 Consideration for Step Increases

An employee may be considered for a salary step increase in accordance with the time interval established in the salary plan as referenced in Exhibit "A". Unless otherwise noted, salary step increases within established salary ranges are scheduled at yearly intervals. Advancement to a higher salary step within an established salary range is granted for continued improvements and efficient and effective work by the employee in the performance of his/her duties.

3.2.3 Merit Increases

Accelerated merit performance step increases of five percent (5%) may be granted an employee based upon the recommendation of the Department Director and approval of the City Manager. Employees at the maximum step of their salary range may be granted a merit performance step increase of five percent (5%) above and beyond their salary range. A merit

step increase may be effective for up to one (1) year. A merit step increase may be withdrawn and is not a disciplinary action and is not appealable.

3.2.4 *Anniversary Date*

Based upon job performance, as measured by a Performance Evaluation, employees may receive consideration for a step increase within their salary range on their anniversary date. When an employee is promoted or reclassified to a new position, the first pay date at the new position shall constitute the employee's new anniversary date for purposes of the annual Performance Evaluation.

3.2.5 *Promotions*

Employees promoted to higher-level positions shall be placed at the step in the new salary range that will provide, at a minimum, a five (5%) increase (unless that would exceed the top step in the salary range).

3.2.6 *Performance Evaluations*

Upon completion of the probationary period, a performance evaluation shall be prepared and reviewed on or before the anniversary date and yearly thereafter as a means of determining whether a step increase is merited, and/or as a means of improving employee performance and communication between supervisors and subordinates.

Employees who receive a satisfactory or above rating on their performance evaluation shall receive a step increase. In the event the performance evaluation occurs after the anniversary date and the evaluation is rated satisfactory or above, the step increase shall be retroactive to the anniversary date.

If a performance evaluation is past due by more than 60 days the City shall process a Personnel Action Report (PAR) moving the employee to the next step in the salary range provided the Department Director provides a written statement to the Human Resources Director indicating that the employee's performance is satisfactory or above. The Human Resources Director will work with the employee's supervisor to have a performance evaluation completed as soon as possible.

3.3 SALARY CHANGE ON RECLASSIFICATION

If an occupied position is reclassified, the incumbent shall be affected as outlined below:

3.3.1 *To a Lower Classification*

When a position is re-allocated to a lower classification the incumbent is either:

1. Transferred to a vacant position in the former classification; or

If the incumbent's current salary is greater than the top step of the lower classification, Y-rated at the current salary until the salary of the lower classification is at or above the Y-rate.

3.3.2 *To a Different Classification with the Same Salary Range*

When a position is reallocated to a different classification with the same salary range, the incumbent shall be granted the same status in the new classification, in which he/she shall be paid at the same step of the range and shall maintain the same salary rights.

3.3.3 *To a Higher Classification*

When a position is reclassified to a classification with a higher salary range, the incumbent is moved into the higher classification with the position, except in the circumstances prescribed

below. Placement in the salary range shall be in accordance with the appropriate salary pay plan.

If the duties upon which the reclassification are based could have been assigned to any of a number of employees in that classification within the division or department, then a promotional exam is held for the reclassified position. Such an exam is a departmental only recruitment limited to employees within that classification. If the incumbent is not successful in this competitive process, she/he is assigned to the position vacated by the promotion.

3.4 SPECIFIED WAGE ADJUSTMENTS / DIFFERENTIALS

3.4.1 *Out of Class Compensation*

Employees assigned in writing by their supervisor to perform work in a higher paid classification, shall be compensated at a rate 5% greater than the employee's current base salary. Eligibility for out-of-class compensation requires a minimum assignment of five (5) consecutive days. The out-of-class increase shall be retroactive to the first day of the assignment. However, when an employee is moving from a nonlead/supervisory to a lead/supervisory role, the out-of-class pay becomes effective on the first day of the assignment and the five (5) day minimum requirement does not apply. If the assignment extends beyond four consecutive weeks, then the employee shall be compensated at the lower step of the classification within which the duties fall if that is greater. The Department Director is required to complete a Personnel Action Report (PAR), located on the HR page of the Intranet, to initiate out-of-class compensation.

In the event a Parking Enforcement Officer is assigned "field training" duties, the City shall consider this as "out of class" work and the assigned Parking Enforcement Officer will receive 5% of their current pay as compensation for the hours worked in this assignment.

3.4.2 *Shift Differential Pay*

- a. A three percent (3%) shift differential shall be paid for all employees in the represented bargaining group who are regularly scheduled to work fifty percent (50%) or more of their shift between the hours of 5:00 p.m. and 11:00 p.m.

- c. Employees in job classes not identified in this section who are assigned to work the swing or graveyard shift time periods on a temporary basis and/or on an overtime basis are excluded from shift differential pay for those time periods.
- d. Shift differential shall not be considered an additional percentage on salary for personnel involved but shall apply only to hours actually worked; e.g., differential does not apply to sick leave, vacation or compensatory time, but does include overtime for employees regularly assigned to the swing or graveyard shifts.

3.4.3 *Court Pay*

Parking Enforcement Officers who are required, in the course and scope of their official employment, to appear in court or other official hearings other than during his/her work week schedule, shall receive a minimum of four hours pay if that appearance is on a scheduled day off. If a court appearance is required on a scheduled work day, and such appearance commences one half (1/2) hour after completion of an employee's shift, then the employee shall be compensated at the overtime rate for actual time spent, beginning at the conclusion of the regular shift hours and ending upon his/her release from the court or hearing office.

- g. Based upon the employee's hourly rate of pay, the Payroll Office computes how much used sick and/or vacation leave time the employee will be credited and credits the employee with those hours. NOTE: The employee may not be credited more than accrued at or during the time of the disability.
- h. The Human Resources Department, after notification from Payroll, notifies the employee when they have used all accrued sick and/or vacation time and when leave without pay status (LWOP) begins. Once the employee is on LWOP they would keep any SDI payments received and would be fully responsible for the monthly health, dental and life insurance premiums if they chose to remain in the group plans. FMLA/CFRA provide an exception and are referenced under Section 5.4.8.

The City's safety policies and procedures shall comply with all applicable state laws related to a safe work environment.

6.8.8 Materials Relating to Disciplinary Action

Except for the specific disciplinary matters provided below, reprimands and suspensions of less than five (5) days in the employee's personnel file which have been in the file three (3) years or more shall not be used unless the materials relate to conduct that reoccurred within three (3) years of the first incident.

At the request of the employee, materials relating to disciplinary actions which are three (3) or more years old shall be removed, provided there has been no reoccurrence of the conduct on which the discipline was based. Performance evaluations are excluded from this provision.

Materials relating to disciplinary actions for misappropriation of public funds or property; misuse or destruction of public property; the use of being under the influence of drugs or alcohol at work; acts which would constitute a felony; acts which present an immediate danger to the public health and safety; or acts of harassment or discrimination based on protected status will not be removed from the employee's personnel file.

6.9 MISCELLANEOUS

6.9.1 *Hazardous Materials*

Maintenance employees in the Union will be provided with the necessary training associated with what is termed first responder awareness level. First responders at this level (awareness only) are those who are likely to witness or discover a hazardous substance release and who have been trained to initiate an emergency response operations level. "Awareness" individuals take no action beyond notifying the designated authorities of the release. The on-duty Fire Battalion Chief is the Incident Commander in the event of a hazardous material release.

It is understood and agreed by both parties that maintenance employees in this Union do not have any responsibility to clean up, mitigate or otherwise dispose of hazardous materials. The Fire Department personnel and/or contract personnel have the direct responsibility of dealing with hazardous materials.

Maintenance employees of this Union do have direct responsibility to handle (clean up, mitigate, transport, dispose of, etc.) petroleum products such as diesel fuel gasoline, drain oil, and the like.

6.9.2 *Gratuities / Solicitation of Contributions*

Gratuities and/or solicitation of contributions are not allowed.

6.9.3 *Return of City Equipment*

Upon termination of employment, all tools, equipment, and other City property assigned to an employee shall be returned to the employee's supervisor before leaving City employment.

6.9.4 *Political Activity*

The political activity of City employees shall comply with pertinent provisions of State and Federal Law.

6.9.5 *Employment of Relatives*

Employment of relatives shall be governed by the City's Personnel Rules and Regulations.

6.9.6 *Labor / Management Meetings*

The City and the Union agree that consultation meetings may contribute to improved employer-employee relations.

The committee shall be comprised of three (3) representatives from the Miscellaneous and Supervisory Units and three (3) from City Management as well as the SEIU Field Representative and the Human Resources Director. The parties agree that committee members may change depending on the subject matter.

Meetings may be requested by either party. The party requesting the meeting shall submit a proposed agenda and the receiving party shall acknowledge and confirm the date, time and location of the requested meeting. It is intended that the subject matter will not include issues subject to Article 7.4 Grievance Procedures.

6.9.7 *Contract Orientation Work Sessions*

The City and the Union agree that the individuals having responsibility for the enforcement of the Agreement, Union Stewards and Department Directors/Supervisors, shall participate in an Annual Contract Orientation Work Session for the purpose of obtaining a better understanding of the provisions of the contract. These work sessions shall be held on City time and facilities.

6.9.8 *Temp Seasonal Employees*

Both the City of San Rafael and SEIU 1021 recognize the valid, necessary reasons for appropriate temporary, seasonal, retiree, and fixed-term work. The City follows the Resolution of the City Council of the City of San Rafael adopting a temporary, seasonal, retiree, fixed-term salary and benefit plan. The City shall make its best efforts, with consideration to the fiscal condition of the City, to continue to transition temporary positions that are used in a recurring, routine manner and perform work typically accomplished by SEIU classifications throughout the term of the agreement, to regular City positions.

6.9.9 *Gym Reimbursement*

Employees are eligible to receive up to \$16.50 per month reimbursement for paid gym memberships. Such reimbursement shall be reported as taxable income to the employee.

7 PROCEDURES

7.1 DEMOTION & SUSPENSION

7.1.1 *Demotion*

The Appointing Authority may demote an employee when the following occurs:

- a. The employee FAILS to perform his/her required duties.
- b. An employee requests such a demotion. No employee shall be demoted to a classification for which he/she does not possess the minimum qualifications. When the action is initiated by the Appointing Authority, written notice of demotion shall be provided to an employee at least ten (10) working days before the effective date of the demotion, and a copy filed with the Human Resources Department.

Withholding a salary step increase or withdrawing a merit step increase within or above the salary range of the employee's position shall not be deemed a demotion.

Disciplinary demotion action shall be in accordance with Article 7.3 Disciplinary Action.

7.1.2 *Suspension*

The Appointing Authority may suspend an employee from a position at any time for a disciplinary purpose. Intended suspension action shall be reported immediately to the Human Resources Director and shall be taken in accordance with Article 7.3 Disciplinary Action.

7.2 TERMINATION OF EMPLOYMENT

7.2.1 *Resignation*

An employee wishing to leave City service in good standing shall file with his/her immediate supervisor, at least fourteen (14) days before leaving service, a written resignation stating the effective date and reason for leaving. A copy of the resignation shall be forwarded to the Appointing Authority and Human Resources Department.

7.2.2 Termination - Layoff (Lack of work or funds)

The Appointing Authority may terminate an employee because of changes in duties or organization, abolishment of position, shortage of work or funds, or completion of work for which employment was made.

7.2.3 Termination - Disciplinary Action

An employee may be terminated at any time for disciplinary action, as provided in Article 7.3 Disciplinary Action.

7.2.4 Retirement

Retirement from City service shall, except as otherwise provided, be subject to the terms and conditions of the City's contract, as amended from time to time, with the Marin County Retirement System.

7.2.5 Job Abandonment

Absence from duty without authorization for any period of time may be cause for disciplinary action. Absence from duty without authorization in excess of five (5) continuous working days may constitute abandonment of the position and may be grounds for termination. The employee and the Union shall be notified by certified mail of proposed termination prior to the effective date of termination.

7.3 DISCIPLINARY ACTION

7.3.1 Right to Discipline & Discharge

Upon completion of the designated probationary period an employee shall be designated as a non-probationary employee and the City shall have the right to discharge or discipline any such employee for dishonesty, insubordination, drunkenness, incompetence, negligence, failure to perform work as required or to observe the Department's safety rules and regulations, or for engaging, during the term of this Memorandum of Understanding, in strikes, individual or group slowdowns or work stoppages, or for violating or ordering the violation of the Memorandum of Understanding, except where permitted by law. The City shall use progressive disciplinary steps (i.e., reprimand, suspension, demotion, discharge) unless the violation is such as to justify termination. Disciplinary action shall mean discharge/dismissal/termination, demotion, reduction in wage, suspension resulting in loss of pay, and written reprimand.

In addition, the City may discipline or discharge an employee for the following: Fraud in securing appointment; negligence of duty; violation of safety rules; unacceptable attendance record including tardiness, overstaying lunch or break periods; possession, distribution or under the influence of alcoholic beverages, non-prescription or unauthorized narcotics or dangerous drugs during working hours; inability, unwillingness, refusal or failure to perform work as assigned, required or directed; unauthorized soliciting on City property or time; conviction of a felony or conviction of a misdemeanor involving moral turpitude; unacceptable behavior toward (mistreatment of discourteousness to) the general public or fellow employees or officers of the City; falsifying employment application materials, time reports, records, or payroll documents or other City records; misuse of City property; violation of any of the provisions of these working rules and regulations or departmental rules and regulations; disorderly conduct, participation in fights, horseplay or brawls; dishonesty or theft; establishment of a pattern of violations of any City policy or rules and regulations over an extended period of time in which a specific incident in and of itself would not warrant disciplinary action, however, the cumulative effect would warrant such action; failure to perform to an acceptable level of work quality and quantity;

insubordination; other acts inimical to the public service; inability or refusal to provide medical statement on cause of illness or disability.

7.3.2 Preliminary Notice

A non-probationary employee shall receive a preliminary written notice from the employee's Supervisor of any proposed disciplinary action that involves the loss of pay. The notice must contain a specific statement of charges or grounds upon which the proposed disciplinary action is based and the date the disciplinary action will be effective.

Any known written materials, reports or documents upon which the disciplinary action is based must be attached to the notice.

Upon the receipt of the notice, the employee shall have five (5) days to appeal the matter in writing to Step 2 of the Grievance Procedure. If a written appeal is filed, no disciplinary action shall be imposed until the Department Director has conducted a hearing with the employee and employee's representative present and having heard the response of the employee. The Department Director's decision shall be final for written reprimands.

If no written appeal is filed within five (5) days, the employee shall be deemed to have waived his right to proceed to Step 4 of the Grievance Procedure.

7.3.3 Disciplinary Action and Appeal

After hearing the response of the employee, the Department Director may order that the proposed disciplinary action or modification thereof be imposed. Such notification shall be issued in writing within 10 days of the meeting.

If the employee elects to appeal the Department Director action, he/she may request a confidential settlement conference with the City Manager. Participation in the confidential settlement conference shall be voluntary. If the matter is still unresolved after the confidential settlement conference, the employee shall notify the City within ten (10) days that the matter is appealed to Step 4 (Arbitration) of the Grievance Procedure. The matter shall then proceed in accordance with the Grievance Procedure. The City Manager's decision shall be final for suspensions of five (5) days or less.

7.3.4 Harassment Policy

It is the City's intent and purpose to provide all officials, employees, applicants and contractors with an environment that is free from any form of harassment, discrimination or retaliation. Employees shall refer to the City Policy against Harassment, Discrimination and Retaliation which is available on the City's Intranet website.

7.4 GRIEVANCE PROCEDURE

7.4.1 Definition

1. **Grievance** is a dispute which involves the interpretation or application of any provision of this Memorandum of Understanding, except issues concerning appeals of punitive action, which are governed by Sections 7.1, 7.2 and 7.3 of this Memorandum. A dispute regarding the interpretation of the City's Personnel Rules and Regulations is subject to the grievance procedure up to Step 3 (City Manager). All ordinances, resolutions, rules and regulations which are not specifically covered by the provisions of this Memorandum shall not be subject to the Grievance Procedure.
2. **Day** shall mean any that the City Office is open for business, excluding Saturdays, Sundays and the holidays recognized by the City.

3. **Grievant** may be an individual employee or a group of employees or the Union on behalf of a group of employees or the Union on its own behalf on matters involving the City and Union relationship.
4. **Time limits** begin with the day following the event causing the grievance or the day following receipt of a grievance decision.

7.4.2 *Procedure*

Step 1.

Within seven (7) days of when the grievant knew or should have known of the act or omission causing the grievance, the grievant shall present either in writing or verbally a clear and concise statement of the grievance to the immediate supervisor.

Within five (5) days thereafter, the immediate supervisor shall investigate and respond to the allegations of the grievant.

Step 2.

If the grievant is not satisfied with the resolution at Step 1, the grievant must reduce the grievance to writing and present it to the Department Director within five (5) days.

The written grievance shall contain a statement of facts about the nature of the grievance and shall identify the specific provisions of this Memorandum of Understanding alleged to be violated, applicable times, places and names of those involved, the remedy or relief requested, and shall be signed by the grievant.

The Department Director shall confer with the grievant and within ten (10) days respond to the allegations in writing.

Step 3.

If the grievant is not satisfied with the resolution at Step 2, the grievant shall within five (5) days appeal the matter to the City Manager.

The City Manager shall investigate the matter, conduct a hearing if the City Manager deems it appropriate and within ten (10) days thereafter, respond to the allegations in writing.

Step 4.

If the grievance remains unresolved after Step 3, the Union may, by written notice to the City's Human Resources Department within ten (10) days after the receipt of the response in Step 3, notify the City that the Union wishes to appeal the grievance to final and binding arbitration. The parties shall attempt to agree upon an arbitrator. If no agreement is reached, they shall request a list from the State Conciliation Service of nine (9) names. The selection process will include a review of the arbitrator's availability for the hearing.

Each party shall then alternately strike a name until only one (1) name remains, said person to be the arbitrator. The order of striking shall be determined by the flip of a coin.

7.4.3 *Arbitration*

The arbitrator shall be empowered to conduct a hearing and to hear and receive evidence presented by the parties. The hearing should be held within 60 calendar days of the selection of the arbitrator. The hearing shall be informal and need not be conducted according to technical rules of evidence. Repetitious evidence may be excluded and oral evidence shall be taken only under oath. The arbitrator shall determine what evidence is relevant and pertinent, as well as

any procedural matters, and he/she may call, recall and examine witnesses, as he/she deems proper.

The burden of proof shall be upon the Union in grievance matters and upon the City in disciplinary/discharge matters.

After the conclusion of any hearing and the submission of any post hearing evidence or briefs agreed upon by the parties, the arbitrator shall render a written decision which shall be final and binding upon the City, the Union and any employee(s) involved in the grievance or disciplinary matter.

The arbitrator shall not be empowered to add to, subtract from, or in any way modify or alter any provision of this Memorandum of Understanding. The arbitrator shall only determine whether a grievance exists in the manner alleged by the grievant, and what the proper remedy, if any, shall be, or in the case of disciplinary/discharge matter whether the City allegations are accurate and the appropriateness of the disciplinary penalty.

The fees and expenses of the arbitrator shall be shared equally by the Union and the City. All other expenses shall be borne by the party incurring them. The cost of the services of court reporter shall be borne by the requesting party unless there is a mutual agreement to share the cost or unless the arbitrator so requests. Then the costs will be shared equally.

7.4.4 General Provisions

1. Employees who participate in the Grievance Procedure by filing a grievance or acting as a witness on the behalf of either party shall be free from discrimination by either the Union or the City.
2. A grievant has the right to be represented at each stage of the procedure, to cross examine witnesses, and have access to all information regarding the basis of the grievance upon which the City relies in making its determinations.
3. If the City management fails to respond within the specified time limits, the grievance shall, at the request of the Union, be moved to the next step of the procedure. If the Union or a grievant fails to process or appeal a grievance within the specified time limits, the matter shall be deemed withdrawn with prejudice. The parties may by mutual agreement waive the steps in the procedure.
4. If a hearing is held during work hours of employee witnesses, such employees shall be released from duties without loss of pay or benefits to appear at the hearing. Witnesses requested by the parties shall be compelled to attend said hearings.
5. The Human Resources Department shall act as the central repository for all grievances.
6. Time limits contained herein may be extended by mutual agreement of the parties. Absence for bona fide reasons by a grievant, the Union representative or any management official involved in responding to the grievance shall automatically extend the time limits by the same number of days of absence.

7.5 POSITION RECLASSIFICATION

Reclassification of positions covered by this MOU shall be in accordance with the City's Reclassification Policy available on the City's Intranet website.

7.6 FURLOUGH PROGRAM

Both the City of San Rafael and SEIU 1021 recognize the unpredictable changes in funding that affect City finances. Through this recognition and in a cooperative spirit the City of San Rafael

and SEIU 1021 have worked expeditiously on the development of a Furlough Program. This Agreement does not mean the City will necessarily implement furloughs; but in the event it is necessary to implement due to continued economic problems in the City of San Rafael, the City shall meet and consult with the Union at least 60 days prior to implementation of the Furlough Program. The procedures for this Furlough Program shall provide for both Voluntary Time Off (herein described as VTO) and Mandatory Time Off (herein described as MTO).

7.6.1 *Voluntary Time Off (VTO)*

The needs of the City and the respective departments (as determined by the Department Director and City Manager) will need to be considered in the actual granting of VTO. Any VTO time granted and the resulting savings will have a corresponding impact on the time needed through MTO.

1. An employee's VTO time would count in determining how many hours of MTO an employee needed to take during the fiscal year.
2. An employee selecting at least a 5% reduction of hours through the VTO would receive "float days" as described in 6.6.2. (4.b.).
3. Employees who take VTO at a time other than when MTO is taken by other employees will have to take vacation leave, compensatory time off or leave without pay if the MTO results in the closure of the department.
4. Employees will be allowed to exceed a 5% reduction of hours through the VTO with review of the Department Director and approval of the City Manager and such approval shall be revocable should the City determine that the impact of the absence cannot be absorbed by the Department. Prior to revoking approval, the City will contact the employee and review pertinent information which would impact the employee's ability to return to work. Should the City need to remove additional VTO, such removal would be considered a non-disciplinary action and would not be subject to any appeal/grievance procedure.

7.6.2 *Mandatory Time Off (MTO)*

MTO will be taken by the employee during the MTO period when feasible in their respective department (as determined by the Department Director and City Manager) and after consultation with the union.

1. Employees may not take paid vacation time in lieu of designated MTO time.
2. MTO time shall be considered time in pay status for the accrual of leave and eligibility for holidays. MTO time will not impact health, dental and life insurance benefits. At this time MTO time will not impact Marin County retirement calculations of average compensation or service credit as the City and employee will continue to fund the full amounts. If the Marin County Retirement Association changes its policy on this, the City will, effective the first of the month following notice from the Marin County Retirement Association, make the necessary change in the program's administration to correspond with the change in the policy.
3. MTO time shall apply toward time in service for step increases and completion of probation.
4. Other Terms and Conditions:
 - a. The MTO program shall be limited to a maximum five percent (5%) reduction in work hours/pay for the fiscal year. When the maximum MTO

reduction (5% is implemented, the involved employee shall be credited with three (3) days of float time

- b. **Float time** accrued through the MTO Program must be taken in the fiscal year following the furlough, with supervisory approval, or the leave will be forfeited. The float days have no cash value upon termination of employment. If an employee is laid off before having the opportunity to take unused furlough induced float time, said employee would be eligible to take the unused furlough induced float time during the thirty-day layoff notice period.
- c. Should the City of San Rafael experience a financial windfall during the fiscal year that furloughs are implemented, the City and the Union agree to re-open negotiations on this Furlough Plan.

7.7 REDUCTION IN FORCE

7.7.1 Authority

The Appointing Authority may lay off, without prejudice, any regular employee because of lack of work or funds, or organizational alterations, or for reasons of economy or organizational efficiency.

7.7.2 Notice

Regular employees designated for layoff or demotion shall be notified in writing at least thirty (30) calendar days prior to the anticipated date of termination or demotion. The employee organization shall also be so notified.

7.7.3 Order of Layoff

Layoffs and/or reductions in force shall be made by classification. A classification is defined as a position or number of positions having the same title, job description and salary. Extra hire employees shall be laid off before permanent employees in the affected classification. In effecting the preceding order, a part-time permanent employee with more seniority can displace a full time permanent employee.

7.7.4 Seniority

If two or more employees within a classification have achieved permanent status, such employees will be laid off or reduced on the following basis:

- a. Seniority within the affected classification will be determinative. Such seniority shall include time served in higher classification(s). The computation of seniority for part-time employees will be credited on a pro rata basis to full time service. Time spent on a City Manager approved leave of absence without pay does not count toward seniority.
- b. If the seniority of two or more employees in the affected classification or higher classification(s) is equal, departmental seniority shall be determinative.
- c. If all of the above factors are equal, the date regular status in City service is achieved shall be determinative.
- d. If all of the above are equal, date of certification for appointment shall be determinative.

7.7.5 *Bumping Rights*

An employee designated to be laid off may bump into a class at the same salary level for which he or she meets the minimum qualifications, or into the next lower classification in which such employee has previously held regular status. An employee who is bumped shall be laid off in the same manner as an employee whose position is abolished.

7.7.6 *Transfer Rights*

The Human Resources Director will make every effort to transfer an employee who is to be affected by a reduction in force to another vacant position for which such employee may qualify. The length of eligibility for such transfer will be the period of notification as provided in Section 7.7.2, but no longer than the effective date of such layoff or reduction.

7.7.7 *Layoff Procedure Notification*

Once the decision has been made to reduce the workforce per this MOU, the City will meet with the Union to review and receive feedback on the procedure to be used to inform and process those classifications and individuals who are determined to be laid off. The information gained in this meeting from the Union by the City will be advisory and not binding.

7.8 RE-EMPLOYMENT

7.8.1 *General Guidelines*

Individuals who have been laid off or demoted shall be offered re-appointment to the same classification in which they held status in the order of seniority in the classification. Individuals demoted in lieu of reduction in force shall be offered restoration to the highest class in which they held status and in which there is a vacancy prior to the appointment of individuals who have been laid off.

7.8.2 *Right to Re-Employment*

Each person who has been laid off or demoted in lieu of a layoff from a position the person held, shall, in writing, be offered re-appointment in the same classification should a vacancy occur in the classification within two years after the layoff or demotion. Prior to being re-employed, the employee must pass a physical exam administered by a City appointed physician and must pass the background check administered by the City.

7.8.3 *Time Limits*

Should the person not accept the re-appointment within seven (7) calendar days after the date of the offer, or should the person decline or be unable to begin work within two weeks after the date of acceptance of the offer, the person shall be considered unavailable for employment, shall forfeit the right to re-employment and shall be removed from the re-employment list.

7.8.4 *Availability*

Whenever a person is unavailable for re-employment, the next senior person who is eligible on the re-employment list shall be offered re-employment.

7.8.5 *Probationary Status*

Employees re-appointed under the provisions above will not be required to complete a new probationary period if they had previously held permanent status in the classification. Employees who had not completed their probationary period shall serve the remainder of the probationary period upon re-appointment.

7.8.6 *Restoration of Benefits*

Employees restored to previously held positions shall be deemed to have returned from a leave of absence for the purpose of all rights and benefits legally permissible. Time not on the payroll will not count as time worked for the purposes of seniority accrual.

**Side Letter Between
SEIU Local 1021 (SEIU)
and
The City of San Rafael**

July 19, 2021

In response to the global COVID-19 pandemic that began in the spring of 2020, the City of San Rafael declared a local state of emergency. Additionally, and in accordance with Governor Gavin Newsom's Executive Order(s), which severely curtailed and/or outright closed commercial establishments, the City temporarily closed its offices for an undetermined amount of time and established remote work options for its non-public safety workforce in order to continue serving the needs of the community. The City utilizes the services of HDL to provide sales tax forecasts and tax revenue projections. HDL advised the City in the Spring of 2020, that it should be prepared for unprecedented financial losses, in an amount upwards of \$12M over the next 18 months. In anticipation of these dire financial circumstances, the City exercised its management rights under MOU section 7.6 and implemented a Citywide furlough for all non-safety positions. Based on the best financial projections available at the time, it was necessary and prudent to implement the furlough in order to avoid the need to implement reductions in force in the future.

Two significant things changed during fiscal year 20-21:

1. In the fall of 2020, the Measure R passed, which is expected to increase the City's annual sales tax revenues by approximately \$4M, which the City will begin receiving at the end of FY 20-21, and
2. In the first quarter of 2021, HDL's sales tax revenue forecasts significantly changed for the better and the revenue losses initially expected due to the pandemic, luckily did not materialize.

Based on the two above changes in financial condition, the City is projecting a financial surplus for fiscal year 20-21, therefore the City is willing to issue repayments to employees who were furloughed over the last year. The City is pleased that it is in the financial position to do so.

The circumstances that make it possible for the City to reimburse employees for the furlough at this time are extremely unique in nature. The City retains the management right under MOU section 7.6 in the future to implement a furlough if needed. The City does not commit to any future reimbursement of the furlough monies and considers this one-time offer to reimburse the FY 20-21 as non-precedential. Thus, the City now grants to each employee in the bargaining group a one-time re-payment equal to the amount they would have received had the furlough not occurred. In exchange for receiving these funds, employees will not be entitled to 3 days of float under MOU section 7.6.2 subsection 4.

The furlough repayment amount for each employee will be calculated based on their individual actual furlough reduction amounts that were deducted from each employee's paycheck during FY 20-21. The furlough repayment amounts range from approximately \$350 - \$5,500, depending upon the individual position. The City already made MCERA pension contributions on each employee's regular (non-furloughed) payroll amount each pay period during FY 20-21, therefore the City will not make any additional contributions to Classic or PEPRAs employees' pensions and it is subject to

normal payroll taxation. The actual total dollar amount to be reimbursed to the members of this bargaining unit is \$304,200.
