FACILITY RENTAL RESERVATION POLICY AND PROCEDURES

Please carefully read through this entire document – renters are responsible for following the rules and policies outlined below.

APPLICATION PROCESS

1. You are welcome to visit and tour Falkirk during hours of operation, provided an event is not in progress. Please call or e-mail ahead before making a site visit.
2. In order to reserve a room, a person 21 years or older must submit both a complete Library and Recreation rental application and a reservation deposit. You may submit your application in person or by email. If you submit your application by email, a San Rafael Library and Recreation staff member will contact you to collect the appropriate deposit to secure your reservation.
3. Applications are accepted on a first-come, first-served basis. Applications will be accepted up to one year in advance.
4. If more than one person applies at the same time for the same room on the same date/time, priority will be given to residents of San Rafael. If two residents or two non-residents apply for the same rental date, a lottery will be drawn to determine priority.
5. Rental requests will be reviewed and processed in the order in which they were received. Renters will be notified by phone, mail, or e-mail as to the status of their application. The booking deposit will be refunded in full if the application is not approved.
6. Rental Contracts are not finalized until a department staff member has contacted you and provided you with an approved rental contract.

GENERAL INFORMATION

1. The applicant whose name and signature appears on the rental contract should be present for the full length of the event. If the applicant cannot be present, he/she must designate an individual who will be present and submit their name and phone number on the application. The designated person **MUST** check-in with facility attendant on the day of event and is responsible for following and helping to enforce the policies/regulations. Application permits are non-transferable, and applicants must be 21 years of age.
2. Hours stated on rental application must include set-up, decorating, main event and clean-up, which are the responsibilities of the renter. To avoid exceeding rental times, please plan at least 1.5-2 hours for clean-up. Rentals that exceed stated rental hours are charged double the hourly rate, rounded up in 30-minute increments. All renters, guests, vendors, and rented equipment must leave the property by the end time listed on the rental agreement.
3. Reservations will be confirmed and considered complete only after all required forms are signed and submitted, and applicable fees and deposit have been received. No dates are tentatively held for any group who has not submitted a facility rental form and booking deposit.
4. Incomplete or inaccurate information by the renter on the contract may result in cancellation of the contract and loss of fees paid.
5. The applicant's name and signature that appears on the rental contract must match the name on the proof of insurance and payment.
6. Only the renter(s) whose name is on the rental application can submit changes. Changes are subject to approval and must be made in writing (email preferred) or directly with the community center office. All rental changes are tentative until confirmed by Department staff and any/all additional fees have been paid.
7. Renter acknowledges that the facility may be rendered unusable or otherwise unavailable due to circumstances beyond the City's control, including but not limited to flooding, fire, natural disaster, power outages, public health emergencies, criminal acts or acts of war or terrorism. In the event that the facility should become unavailable due to any such circumstances, the City will refund any fees received from renter and such refund will constitute the limit of City's liability to renter in connection

with the unavailability of the City facility. The City shall not be liable to renter for any actual or renter's consequential damages, including but not limited to other costs incurred in connection with renter's event, lost profits, and lost opportunity.

8. Reservations may be revoked at any time whenever the use of buildings or facilities may interfere with Department program activities or where there has been a violation of approved regulations.
9. Reservations may be revoked or terminated, and additional guests will not be allowed in the building if it is determined that the event is different or larger than represented on the rental application.
10. The City reserves the right to make any physical or furniture changes to the building.

Events involving exchange of any type of monetary consideration (example: purchase of meal ticket with alcohol being served as part of that meal) requires the renter to obtain an ABC permit. State law prohibits the serving of alcoholic beverages to minors or to anyone who is or appears to be under the influence of alcohol. Alcohol must be served by an adult, over 21, from a bar or staffed beverage table.

History of the Falkirk Cultural Center

Falkirk, a California Victorian, was built in 1888 in the Mission city of San Rafael. An excellent example of the Queen Anne style, it captures the spirit of early California. It has a complex, picturesque roof-line of gables and chimneys, variously shaped bays and decorative details that relate playfully to the different levels as was common of the style. A celebration of country living with seventeen rooms, three floors, and a large porch with oversized turned posts, Falkirk's open floor plan was not common in Victorians. The home and the history of its occupants reflect both the emergence of San Rafael as a fashionable suburb of San Francisco and the growth of rail and shipping industries in the west.

Ella Nichols Park, born in Vermont in 1847, travelled with her parents via the Isthmus of Panama to San Francisco in 1850. Summers were spent at Violet Terrace; a portion of the property includes San Rafael's Gerstle Park. A wealthy and reclusive young widow, she returned to San Rafael in 1882 after the death of her husband, Trenor Park; but it was not until October 1886 that she purchased the 11-acre estate from railroad magnate James D. Walker and had his house removed. In February 1888 she commissioned E. F. Chisholm to build her home, designed by architect Clinton Day. He is best known for the original chapel on the Stanford University campus and the City of Paris Department Store on Union Square in San Francisco. By August of that year this elegant country home was completed for a cost of \$30,000. A devout Presbyterian, Ella donated the land and a matching grant to build the original stone church at Fifth Avenue and E Street.

After Ella's death in 1905, the estate was purchased by Captain Robert Dollar in 1906. Captain Dollar was born in 1844 in Falkirk, Scotland and became very wealthy, first through the timber industry and later in the shipping business. He founded the Dollar Steamship Company, established trade with the Orient, and began the first regularly scheduled round-the-world passenger/freight line. Captain Dollar is often credited with founding the Merchant Marine. Also a devout Presbyterian, Dollar donated the bells and stained-glass windows to the same church. An active member of civic life in San Rafael and one of the drafters of the City Charter, Dollar donated much of the city's adjacent open space on San Rafael Hill. He also gave lavishly to his hometown of Falkirk, Scotland, where he is fondly remembered today. In October 1988 San Rafael and Falkirk became sister cities.

Many alterations occurred during the Dollar years. The rear addition was built to house the family of Dollar's son Harold when they returned from Shanghai, China. Agnes (Mrs. Harold) Dollar then undertook the renovation of the grounds in 1927. The brick steps, pond, and rolling lawns replaced what had once been a Victorian garden. The picnic terrace and garage were also part of this renovation. The newly defined grounds became a showcase for the new wonder and toy of the wealthy – the automobile. A Gatsby garden.

In February 1972, an attempt was made to secure the property from the Dollar family for development. The plans included destruction of the mansion and all out buildings. In December the estate was placed on the National Register of Historic Places and a grassroots citizen's group, Marin Heritage, began a three-year struggle to save the estate for the people of the City of San Rafael. In November 1974 voters approved a 4-cent tax to allow for the purchase and maintenance of the estate. Shortly after the mortgage was paid California State Proposition 13 disallowed the tax, leaving the City to maintain Falkirk Cultural Center from the General Operating Fund. Falkirk now operates as an historic site with tours available upon request. The house and grounds are available for receptions, weddings, and meetings. The center houses a contemporary art gallery and an educational center for cultural arts.
