To the Design Review Board and Leslie Mendez, Planning Manager

Please have these comments included in correspondence for 52-54 Fremont/Marquard Project Design Review Board hearing on Nov 16, 2021:

"I support saving the 9 redwood trees that are currently slated for removal as part of the 52-54 Fremont/Marquard Project. Please find another solution for this project that allows the trees to remain as they are."

Please send me verification of receipt.

Thank you,

Mrs. Reily H. Urban
(mom-friend of a neighbor in that SR area & a person familiar with the grove, the property & story poles)

Subject: Save the Redwoods!

To the Design Review Board and Leslie Mendez, Planning Manager

Please have these comments included in correspondence for 52-54 Fremont/Marquard Project Design Review Board hearing on Nov 16, 2021.

I support saving the 9 redwood trees that are currently slated for removal as part of the 52-54 Fremont/Marquard Project.

Please find another solution for this project that allows the trees to remain as they are—we need these valuable trees, and the habitat they provide in our community.

Please send me verification of receipt.

Thank you,
Suzanne

Subject: Comments for Meeting on 11/16

Good evening Ms. Mendez,

Please have these comments included in correspondence for the 52-54 Fremont/Marquard Project Design Review Board hearing on November 16, 2021.

I support saving the 9 redwood trees that are currently slated for removal as part of the 52-54 Fremont/Marquard Project. Please find another way to move forward with this project that allows these redwood trees to stay intact.

Warm regards,
Alexandra Nicandri
