1. Next Step (from web page)

Housing

Research factors that make up the cost of living in residential facilities.

2. From choices on the leftside of webpage:

Creating an Age Friendly Community

[\(https://www.cityofsanrafael.org/creating-an-age-friendly-and-livable-community/\)](https://www.cityofsanrafael.org/creating-an-age-friendly-and-livable-community/)

Housing - Score: 45%

Factors:

- Percentage of housing units with zero-step entry
- Availability of multi-family housing
- Housing affordability
 - - Housing costs
 - Housing cost burden
 - Availability of subsidized housing
