Language

Tiny Tot Fun with Spanish

In this class students will learn about the rich and diverse cultures that make up the Spanish speaking countries. Our Pre-K class is specially designed to encourage learning and support daily use of the Spanish language in a fun way.

Students learn words that are easy to remember and can be used at home. In an array of exciting and diversified classes, we role-play practical situations in everyday life, and use games, songs, and arts & crafts to enhance the curriculum. The student not only learns the language but embraces the culture as well.

While our classes are not full immersion, they are inclusive of all ages and skill levels. Please Note: Children must be 3 years old and potty-trained for inclusion in this program! Classes are taught by Your Language & Cultural Center, Inc. Staff.

Virtual Coding Classes for Kids

Learn coding and have fun! Join the following award-winning, top-rated kids coding classes online. The small group classes with a maximum of five students each, along with a live video experience, and awesome teachers set every child up for success. This program was founded by tech experts who were at Google, Uber and Stanford.

Scratch Junior (Beginner Level)

This series of fun classes use the Scratch Junior platform, developed by the same MIT team that built Scratch. While building interactive stories and games, your child will be introduced to the basics of coding concepts, solve problems, and most importantly, create! For Grades K-1 (ages 5 - 6) Beginner Level - no prerequisite.

Requires an iPad or Tablet and computer that is running Zoom and Internet connectivity.

Python for AI - Levels 1 and 2 (Intermediate Level)

Students take a deeper dive into coding using Python. Students will transition from block coding, which they learned in Scratch, to text-based coding. They will learn fundamental Python skills as they build creative stories, animations and games. Basic topics will include using Python syntax, variables, loops, functions, and built-in data structures. In these classes, students will begin using Python for AI and data science. We will explore more advanced elements of Python such as dictionaries and files and learn how to employ Python’s powerful modules to build games, stories and real-world data projects. For Grades 5-9 (ages 10-15) Intermediate Level - Scratch coding experience and familiarity with basic coding blocks are recommended but not required.

Preschool Programs

Parkside Preschool

485-3387

Parkside Preschool is a year-round, full-time program, which provides a developmentally appropriate play-based program that focuses on exploration, discovery, and social interaction. The two classrooms are set up with a variety of activity centers: art, science, language arts, library, dramatic play, blocks, and math. Activities are planned and prepared to spark a child's sense of curiosity and wonder. The stimulating and supportive environment, coupled with caring professionals, nurtures a love for learning with an emphasis on problem solving, self-regulation skills, and creativity.

Pickleweed Preschool

485-3101

Pickleweed Preschool is a state funded, part-day preschool program. Our highly experienced and caring teachers create an environment that offers a range of experiences to encourage and foster children's independence and academic growth. The children begin to develop self-discipline and the ability to concentrate while exercising their choice of materials in various activity centers during work time. Children will participate in small and large group activities to study and explore their expanding world and will learn practical life and social skills through their work and play. All activities and curriculum will encourage children's English Language Development and Acquisition.

School-Age Child Care

Our school age programs provide a safe, nurturing environment for your child and ample opportunity for children to explore, create, learn and play. The centers follow the school district calendars and offer extended hours during minimum days and non-student days including summer and holiday breaks. Convenient locations and professional staff are just some of the reasons why our school-age programs and Kid's Camps are so popular

Resilient Neighborhoods: Be Part of the Climate Solution

Are you concerned about climate change and a healthy planet? Want to meet great people who also care and want to do something about it? You are invited to join Resilient Neighborhoods for a five meeting workshop series to get started. Have fun calculating your carbon footprint, and taking effective, measurable and money saving actions to reduce it. You'll get prepared for emergencies and help build a stronger, safer, and healthier community. Over 1,000 Marin residents have already reduced more than 5-million pounds of CO2 pollution through Resilient Neighborhoods. Are you next? While the climate news is a roller coaster, the best antidote is action! All you need to participate is access to your utility bills and a computer. A \$40 refundable deposit will be collected for the handbook. No class 1/20, 1/25, 2/3, 2/8, 2/17, 2/22, 3/3 and 3/8.

Albert J. Boro Community Center
50 Canal Street

Wed, January 5 - Wed, February 23
Age 50 and up

Older adults of all ethnicities in Marin are welcome to come to the Albert J. Boro Community Center/Pickleweed Park where we provide opportunities for socialization and integration. The group meets every Wednesday from 11 am to 12 pm. Hot, nutritional lunches are served at 12 noon for a donation of \$3 for those who are 60 years of age and older and a \$6 fee for those under 60 years of age. To make reservations for lunch, call (415) 473-INFO (4636) by the prior Thursday. This program is made possible through funds from the Federal Older American Act and administered locally by the Marin County Health & Human Services, Division of Aging and Adult Services. Programs are organized by the City of San Rafael Library and Recreation Department.

Join in on the activities and meet new friends. Bring your ideas of what type of programs and activities you would like to start at the Center. Our largest populations at present are Hispanic/Latino and Vietnamese, although we welcome all older adults. For more information contact the Albert J. Boro Community Center at (415) 485-3077.

This elegant three-story house is a blend of Queen Anne and Eastlake styles, built in 1888 on eleven acres. In keeping with the style of the period, it has a complex and intriguing roof line of gables and chimneys, variously shaped bays, and plenty of decorative detail.

The interior is beautifully rendered in rich redwood paneling, and features ornate mantelpieces, hardwood floors, and elegant wall coverings. The foyer is especially striking with its huge decorative fireplace and floor-to-ceiling stained-glass windows.

The property was most notably owned by the Dollar family from 1906 until the early 1970s. The estate was named Falkirk in honor of Captain Robert Dollar's Scottish birthplace and to celebrate his civic involvement and generous donations to the City of San Rafael.

Facility Rental Information

Facility reservations are accepted one year prior to the date. A rental packet is available online and includes policies and procedures to reserve the facilities, sample layouts, helpful resources and an application.

Art Galleries

Our three spacious, light-filled galleries on the second floor of the mansion are open to the public and exhibit a variety of contemporary art throughout the year.
