Third Street Corridor Projects

Weekly Third Street Corridor Project Updates

WEEKLY news & updates

March 11, 2022

THIS WEEK (March 7 - 11): Maggiora & Ghilotti worked on locating existing underground utilities and identifying potential utility conflicts between 3rd Street between Brooks St. and E St.

Maggiora & Ghilotti started the trenching and installation of the new MMWD waterline from Lincoln Ave. to Lindaro St. and will continue to the west for the next month.

NEXT WEEK (March 14 - 18): Maggiora & Ghilotti will continue locating existing underground utilities in 3rd Street between Brooks St. and E St.

Maggiora & Ghilotti will also be installing water connections on Cijos St., Ritter St., and Lootens Pl. This work will require a lane closure on 3rd Street and detours on A St., C St., Cijos St., D St., E St. and 4th St.

Ghilotti Bros. Inc., and St. Francis Electric will begin potholing to locate existing underground utilities at all the intersections for 2nd and 3rd St. between Marquard Ave. and Brooks St.

Ghilotti Bros. Inc., will also be performing vegetation work on 2nd St.

IMPACTS: Traffic Controls (temporary signs, message boards, traffic cones, delineators and detour signs) will be put in place to direct motorists through the work area. Curb parking spaces will be marked "No Parking." There will be intermittent lane closures on 3rd Street and detours on A St., C St., Cijos St., D St., E St. and 4th St.

The hours of work will be 6:00am - 3:00pm. on Third Street and 9:00am - 6:00pm on Second Street.

*All estimated timelines are tentative and subject to change
