From Concerned Citizens:

I got this information about the meeting late, so I wasn't able to get it in for the May 2nd 2022 meeting.

Vaccination is a Medical Procedure, and there are side effects.

You aren't doctors - you are just public employees - and you shouldn't be telling people to get vaccinated.

Here's some links you or staff need to be aware of before you try to - encourage - or force others to get vaccinated.
