

STATEMENT OF CANDIDATE FOR  
SAN RAFAEL BOARD OF EDUCATION, TRUSTEE AREA 4

**FAYE BOURRET**

**Occupation: Community volunteer**

As a concerned citizen, I attended virtual San Rafael City Schools Board meetings over the past years. I believe the primary objective of our School Board should be initiatives to recover our students' academic skills devastated by school shut down. Below grade level performance was reported prior to that. School closures and student 'lost learning' aggravate this unsatisfactory result. Our Board must urgently focus on recovery of grade level academic skills that our students need for graduating and succeeding in their future!

Assuring the safety of students in and around the school campuses is also of urgent importance.

Over 40 years ago, I made my home in Marin, settled in San Rafael with my husband and daughter in the Coleman School community; we maintain longstanding friendships in Dominican and Point San Pedro Road neighborhoods. Yearly, I work as a community and fund raising volunteer for veterans and youth programs. My skills in business operations, ownership and technology provide me with the foundation needed to serve on the School Board as Trustee on behalf of our students, parents and concerned citizens.

I would be honored to serve you. Please vote Faye Bourret for San Rafael Board of Education.

*Faye Bourret*
