

**STATEMENT OF CANDIDATE FOR  
MEMBER, CITY COUNCIL, DISTRICT 3  
CITY OF SAN RAFAEL**

**MARIBETH BUSHEY**

**Occupation:** San Rafael City Councilmember

Serving you as a San Rafael City Councilmember remains an honor. I feel especially proud that our Council has been able to support our families and the business community over the last couple of years, working as a collaborative team. I am confident that together, we can tackle the challenges ahead and that San Rafael's families and businesses will continue to thrive.

Especially now—as we navigate the ongoing uncertainties of the lingering pandemic and economic challenges ahead—I remain focused on the health and welfare of San Rafael families and our local business community.

I'm an advocate for modernizing and expanding our thriving library services, and a champion for San Rafael's award-winning Climate Change Action plan and developing thoughtful, practical, sustainability programs.

I am honored that all my current City Council colleagues have endorsed my candidacy - Mayor Kate Colin and Vice Mayor Rachel Kertz, as well as Councilmembers Eli Hill and Maika Llorens Gulati. My previous City Council colleagues, former Mayor Gary Phillips and Councilmembers Andrew McCullough and John Gamblin have also endorsed my re-election.

I appreciate your ongoing partnership, and ask for your vote for re-election to San Rafael City Council. Thank you.
