

**Statement of Candidate for
Trustee Area 4, Board of Education
San Rafael City Schools**

Name: Carolina Martin
Occupation: School Board Trustee

As an immigrant to this country, I am very thankful I was able to access higher education and achieve my dreams of becoming a classroom teacher early in my career. I graduated from the University of San Diego with my Bi-lingual Teaching credential and later received my Masters in Education. I am a mother of two young children who is committed to working hard in supporting the public schools in San Rafael that my children attend. I strongly believe in the importance of a thriving education for families and communities.

I have spent my career committed to non-profit organizations that focus on getting communities the resources they need to thrive. My experience in education and in non-profits enable me to effectively advocate for the students and families of the San Rafael City School District. During this post-pandemic time, we need leaders that will ensure our children and teachers can work safely in our schools, and that our kids receive the highest quality education possible. I am supported by San Rafael Mayor Kate Colin, San Rafael School Board Trustees Gina Daly & Marina Palma, former Area 4 Trustee Natu Tuatagaloa and San Rafael School Board Vice President Lucia Martel-Dow.
