Hi

Please keep the outdoor music going on the street at Pint Size Lounge.

Great outdoor venue during especially needed while Covid still transmitting and folk not ready to head inside. And it supports struggling local artists!!!

Thanks

Subject: Support for Pint Size Lounge street closure

Hello-

I would like to voice support for continuing the Thursday/Friday Street closure and live music on 4th St in front of the Pint Size Lounge. These events provide us with the community and culture that we need in the west end. They bring people together and create economic opportunity for multiple bars and restaurants in the street. Please let this continue!

Thank you,
J.D. Swartz

Subject: 4th St. West End Music

Hello,

Please vote to continue the music at the Pint Size Lounge on Thursday and Friday nights into October! Adam Violante at the Pint Size has done a great job of bringing quality music to San Rafael and the town really needs some cultural activities since the Farmer's Market is gone. Adam is very co-operative with the neighbors and built drum baffles to keep the volume down. He also brings people down to 4th St. again for the local music and dining.

Please support your local musicians and community by continuing these wonderful free shows!

Thanks,

Jim Talley

To whom it may concern:

I own a business kitty corner from The Pint Size at 1700 4th St called Abbot Kinney Marin. We have really enjoyed having live music outside. I feel it brings necessary attention and happiness to the community. I think Adam has done a great job at building community in the area. I would love to see the live music continue.

Sincerely,
Mandie Oler, owner of Abbott Kinney Marin

Subject: Music 4th St continue

Hello , I am business owner on 4th St across from the Pint Size at Abbot Kinney Please continue to allow music for our community to continue!

We love the community and seeing friendly faces , It puts us on the map , keeps the homeless at bay and makes me feel safer at night when I walk to my car It has brought in more people to our shop This would be a very poor decision to rid our already STRUGGLING town of something good Thank you Sonja Baker Avallone

Subject: Live music & Street Closure at Pint Size Lounge Thurs / Friday eves

Dear San Rafael City Council,

I am writing to tell you that I would like to have the closed streets, al fresco dining and live music continue in front of the Pint Size Lounge on 4th & G St. and also other blocks in San Rafael on Thursday and Friday evenings. Marin has a long history of talented musicians and being able to enjoy free music on the street is a tradition that our family treasures. We attend the live music event in front of the Pint Size Lounge regularly and NEVER have I witnessed any drunk or unruly behavior. The only thing that I have seen is happy people enjoying themselves. I also want to note that I have NEVER witnessed the music going past 9pm on those special evenings. Please, please continue this wonderful gift to our community.

Thank you,
Susan A. Forrester
