Subject: street closure for live music

Hi Lindsay,

I am writing to show my support for the continuation of street closure for live music at the Pint Size Lounge/Whippersnapper location on 4th street. As I am sure you already know, every night there is live music, there is brisk business for these two establishments, which is VERY important to them and brings the city of San Rafael more tax money. It is also wonderful for our community to gather and enjoy live music and good food. Many of us would love to see the music continue through the end of October, Halloween-time being a good time to end it. Thank you for passing this on and for your support.

Best regards,
Jane Berman
