BACKGROUND:

In January 2022, MTC released its third round of One Bay Area Grant funds (OBAG3). In this round of funds, TAM was responsible for evaluating projects, establishing initial project prioritization based on a list of criteria and submitting project nominations for consideration by MTC. MTC has established a minimum requirement for TAM to program at least 50% of the OBAG3 funds to projects located within or connected to a Priority Development Areas (PDA). The eligible PDAs in Marin County include: Downtown San Rafael, Unincorporated Highway 101 Corridor, Southeast San Rafael, and Northgate.

The City of San Rafael submitted proposals for 4 projects:

1. Canal Active Transportation Improvements
2. Canal/Southeast San Rafael PDA
3. Northgate PDA
4. Second and Fourth Street Intersection Improvements

All four projects received support from TAM staff and on September 22, 2022, the TAM Board of Directors authorized staff to submit nominations for the proposed projects for consideration from MTC. TAM submitted nominations to MTC on September 30, 2022. One of the requirements for receiving regional discretionary funds is that the City must adopt a Resolution of Compliance with State Housing Laws and Resolutions of Local Support for each of the projects. These resolutions must be submitted to MTC by October 31, 2022.

The Resolution of Compliance with State Housing Laws and Resolutions of Local Support for each of the projects is attached to this report.

FISCAL IMPACT:

Adoption of this Resolution of Local Support is a required document for OBAG 3 applications. The City is currently positioned to receive \$8,767,594 to fund two public improvement projects (Canal Active Transportation Improvements and Second and Fourth Street Intersection Improvements) and to fund two neighborhood plans within two PDAs (Southeast San Rafael PDA and Northgate PDA). The City will be obligated to pay a fair share portion of \$2,553,224. This amount has been budgeted in part as part of the Fiscal Year 2022-23 budget for CDD (\$206,460 using Fund 218 General Plan) and DPW (\$2,367,764 using Fund 206 Gas Tax) and additional costs will be included in the FY 2023-24 budget process and in future years if needed.

RECOMMENDED ACTION:

Adopt a Resolution verifying compliance with State Housing Laws and adopt Resolutions of Local Support authorizing the filing of an application for funding assigned to MTC and committing any necessary matching funds and stating assurance to complete the project.
