

SAN RAFAEL SHADED FUEL BREAK SITE VISIT ON GREENWOOD AVE

OCTOBER 11, 2022
2:00 PM - 3:30 PM

Please join us for a field trip hosted by ESP to a shaded fuel break completed by San Rafael Fire Department in collaboration with MWPA. This project includes removal of invasive broom and acacia in the open space between Greenwood Ave & Upper Toyon Drive.

Location: City-owned open space at Greenwood Avenue in San Rafael

Parking: Park on Greenwood Avenue and meet at the trailhead at the western end of Greenwood Avenue at 2 pm. Please consider carpooling.

Details: No restrooms onsite, please bring layers and wear comfortable shoes appropriate for easy to moderate hiking. No registration necessary.
