Subject: West End Block Party

We love the live music and the sense of community that happens with free outdoor quality bands. My wife and I have been homeowners at F and Latham for over 28 years. The west end was not the desired location in 1994 that it has become today. The West End Village is now a community and a destination. Adam has been a most most gracious host for these enjoyable events that brings the neighborhood together.

As senior citizens living a block away, we have nothing negative to say. We truly hope San Rafael continues to be a fantastic place to live. Maybe we will even get the West End Village Annual celebration. Thank you for your time,
