### SAN RAFAEL VOTER-APPROVED TAX OVERSIGHT COMMITTEE STAFF REPORT

TOPIC: VOTER-APPROVED TAX OVERSIGHT COMMITTEE (VATOC) MEETING STAFF

**REPORT** 

SUBJECT: PRESENTATION OF UNAUDITED FINANCIALS FROM FY 2022-23 AND BUDGET

FOR FY 2023-24

#### **BACKGROUND**

The Voter-Approved Tax Oversight Committee was formed in September 2022 to consolidate oversight of the City's voter-approved tax measures into one five-member committee. The committee provides independent oversight of all San Rafael voter-approved tax measures, Measures D, E, G, and R, to ensure the funds have been expended in accordance with the authorized purposes, and prepares and submits to the City Council an annual report on the audited expenditures and revenues from each tax measure from the previous fiscal year.

#### **ANALYSIS**

Measure D: Library Parcel Tax

In 2016, San Rafael voters renewed an annual parcel tax to fund opening hours and services for the San Rafael Public Library. As a special-purpose tax, the revenues from Measure D can only be spent for library services in San Rafael to maintain hours of operation and provide services, equipment, programs and materials at the San Rafael Public Library. Measure D is scheduled to expire in 2027.

The unaudited financial statements for FY 2022-23 show Measure D revenues of \$1,144,505, expenditures of \$1,169,871 and an ending fund balance of \$833,944. An overview of the Measure D financials can be found in Attachment 2. The accumulation of fund balance is a result of two primary factors over the life of the tax: vacant staff positions funded by the Parcel Tax, and the growth of small amounts being underspent in various line items over the life of the tax.

The unaudited capital set-aside fund balance was \$100,338. This capital set-aside was earmarked for new and improved library facilities as directed by the City Council as part of the previous Measure C and was capped at \$500,000. The Measure C funds were utilized to pay third outside research firms to conduct a survey assessing voter support for a tax measure to fund either an expanded and restored Carnegie library, or a new joint library and community center at Albert Park. Additional outside consultants were used to provide cost analysis for both potential projects as well as tax rate analysis.

For FY 2023-24, staff have budgeted for \$1,167,507 in revenues and \$1,628,627 in expenditures. The deficit will be supported by existing fund balances while retaining a year-end fund balance of \$863,162. In addition to ongoing operations and programs, staff plan to implement new infrastructure and technology including an automated materials handling system, holds pick-up lockers at Northgate mall, and mobile shelving units.

#### **VOTER-APPROVED TAX OVERSIGHT COMMITTEE STAFF REPORT / Page: 2**

In 2018, San Rafael voters approved Measure G, a business excise tax on cannabis businesses. Measure G allows for a tax on cannabis businesses operating in the City of up to 8% on gross receipts, and taxes different types of businesses at different rates. Current rates can be found on the <a href="City's website">City's website</a>. Measure G funds can be used for a variety of purposes, including police and fire services, street repair and improvements, and enhancing community centers. Measure G does not have an expiration date.

During FY 2022-23, \$346,216 of Measure G business tax proceeds were received and \$163,730 were expended. The decrease in Measure G revenues from FY 2021-22 to FY 2022-23 can be attributed to challenging conditions in the cannabis market and the temporary decrease in the cannabis tax rate from 4% to 2% for delivery non-storefront license types on <u>January 1, 2023</u>. For FY 2023-24, staff have budgeted for \$225,000 in revenues and \$180,246 in expenditures.

On <u>January 27, 2023</u>, the San Rafael City Council committed the majority of the existing fund balance of \$968,251 to support the pilot Specialized Assistance For Everyone (SAFE) Team, which began in late FY 2022-23. The program was initially supported using funds from the City's opioid settlement and grant funds, after which cannabis tax revenues will be utilized. Staff plan to return to Council at mid-year based on actual program needs and adjust transfers out to support the program's operations.

#### Measure E: Essential Facilities Transactions and Use Tax (0.75%)

San Rafael voters passed Measure E in 2013. Measure E is a three-quarter cent general purpose transactions and use tax that supports essential facilities in San Rafael, including making critical improvements to our public safety facilities in San Rafael. Construction of the Public Safety Center was completed in 2020, and a variety of other facility construction and improvements are underway. Measure E is scheduled to expire in 2034.

During FY 2022-23, a total of \$14,706,528 of Measure E funds were collected by the City. Per direction from City Council given to staff in early 2014, one-third of Measure E funds are dedicated to supporting essential facility construction and improvements, including debt service. A majority of the funds allocated for essential facilities are utilized to pay debt service for the Public Safety Center, totaling \$4,315,250. A total of \$586,929 was assigned to the Public Safety Facilities Fund this fiscal year. For FY 2023-24, staff have budgeted for total Measure E revenues of \$14,487,000 based on projections from HdL. Expenditures are budgeted at \$2,250,000 for essential facilities projects. The Measure E transfers in will be adjusted at the end of the fiscal year based on actual Measure E receipts and net of debt service.

#### Measure R: Transactions and Use Tax (0.25%)

Measure R was passed in 2020 by San Rafael voters. Measure R is a one-quarter cent general purpose transactions and use tax, often referred to as a local sales tax. Funds from this measure go to the General Fund and support a variety of City operations, including public works, recreation and library, administrative services, and public safety. Measure R is scheduled to expire in 2030. FY 2022-23 was the second full fiscal year of Measure R tax receipts, during which \$4,802,175 of revenues were received. For FY 2023-24, staff have budgeted for \$4,829,000 in Measure R revenues based on projections from the City's sales tax consultants, HdL.
