Police Department and provide greater community participation in making recommendations on police department policies, practices, and procedures.

The City Clerk's office opened the recruitment and received thirty-two applications; however, one was ineligible due to the inability to verify residency in San Rafael. Of the thirty-one eligible applications.

The extensive community outreach efforts to recruit and ensure a diverse candidate pool was extremely successful in achieving that goal and the criteria established by the resolution.

Preliminary interviews were scheduled with a subcommittee of the City Council, consisting of Mayor Kate Colin and Vice Mayor Llorens Gulati, on Monday, October 9<sup>th</sup>, and Wednesday, October 11<sup>th</sup>. Of the thirty-one eligible applicants, twenty-six applicants responded and were scheduled for a preliminary interview. The City Clerk’s office reached out to the other the five applicants multiple times, however they did not respond. Of the twenty-six applicants who responded and were scheduled for an interview, two applicants did not attend their scheduled interview and were unresponsive.

**ANALYSIS:**

The City Council subcommittee preliminary interviews were held with the twenty-six responsive applicants, and twelve (12) were selected as finalists to be interviewed by the full City Council.

The PAAC shall be comprised of seven members appointed by the City Council and may include alternate(s). Committee members must be City of San Rafael residents, who have pledged to be impartial, unbiased, and objective. The membership of the PAAC should be inclusive and reflective of community members of diverse backgrounds including but not limited to race, ethnicity, age, gender identity, sexual orientation, economic status, and various communities of interest. Committee members must be at least 18 years old (except for one designated seat for a youth member between ages of 17-26). Members are not required to have any specialty knowledge or particular skills to be eligible.

Each PAAC member will serve a term of four (4) years, except for three initial appointments which will be two-year terms to ensure that the terms are staggered, and that all the appointments do not expire in the same year. Members will be limited to two consecutive four-year terms.

The City Council will appoint the Chair and Vice-Chair for the initial first-year term of the PAAC.

**FISCAL IMPACT:** There is no fiscal impact associated with this item.

**COMMUNITY OUTREACH:**

The call for applications for the Police Accountability and Advisory Committee was advertised through mass email notification, the City website, social media platforms, Marin IJ, and physically posted at City facilities.

City staff promoted the Police Advisory and Accountability Committee in various ways to ensure participation from residents. In partnership with the City Council, staff hosted four community conversations at the four council districts to speak with residents about the Committee, encourage residents to apply, and take a short, interactive survey to help guide the Committee's priorities once formed. City staff also launched a social media campaign, including Instagram, X, Facebook, and Snapshot, to incentivize residents to apply and respond to the online survey. City staff also distributed flyers at various food banks and community-based organizations and partnered with Voces del Canal, a local advocacy group, to promote the Committee, and collect survey responses from the Canal neighborhood. Staff also participated in other City events/meetings to promote the Committee; these included movie nights, the farmer's market, and various community meetings.

Include any volunteer contributions to the community if applicable: Describe su participación en su vecindario de San Rafael. ¿Qué ha hecho para que su comunidad sea segura? Incluya cualquier contribución voluntaria a la comunidad, si corresponde:

14 years in San Rafael still brand new to me, but I've grown to love and enjoy what I have in this community and still learning as well. My family hosted in one year hosted the Tuesday night out events, I've volunteered with VOAD during the fire seasons, coastal clean ups, etc. My current job as a manager for the homeless outreach team (CARE Team) with Community Action Marin, I got heavily involved with this population throughout the County not just San Rafael. I'm also a member of the Baha'i Faith locally here in San Rafael, currently playing rugby with the Marin Reds in Marin City. Safety wise, first I live and abide by the rules, and doing so, I promoted these habits to anyone I collaborated with, and with an opportunity like this with PAAC, I'll be able to reach out to even more neighborhoods in the County as well.

---

**Q18**

Please list your reasons for wanting to serve. Por favor, indique las razones por las que desea servir:

I love everything/anything about Safety when it comes to myself, who's around me, and my neighborhood. Collaborating these and identifying ways to make sure we established such a wide range of Safety measures in our communities is vital for me. Building working relationship, a sense of a safe and vibrant community, people helping people, and also educating the wider community on various issues, knowing the right people/authorities to direct folks/issues in the community to, knowing which platform to use for different reasons, these are some of the reasons I really wanted to serve, and be part of this greater initiative.

---

**Q19**

Please share your perception and or perspective about law enforcement in San Rafael. Por favor, comparta su percepción o perspectiva sobre la aplicación de la ley en San Rafael.

I trust them and what they do. I understand it's not always easy, but law enforcements know what they've been trained to do. It's their job, I have mine, and I'll stay in my lane. I have siblings and a lot of my good mates are on the field, and I fully respect the commitment they have towards their jobs, the uniform, badge and Country.

---

**Q20**

If selected to serve, what reasonable accommodation requests should the Committee facilitator know, in order for you to fully participate? En caso de ser seleccionado, ¿qué ajustes razonables debe saber el facilitador del Comité para que usted pueda participar plenamente?

I don't have any. I'm very flexible with time, just wanted to serve my community in any way I can contribute.

---

**Q21**

Describe possible areas in which you may have a conflict of interest with the city if any. Describa posibles áreas en las que pueda tener un conflicto de intereses con la ciudad, si las hubiera:

I'm happy to step back from voting if it comes down to it, but always willing to put in my views/opinions anytime. I'm open for dialogue, brainstorm options, and any other form of discussions for solutions. I'll go the extra mile to assist with anything I could bring to the table.

I have lived in the same apartment for 28 years and try to be aware of everyone's safety, whether it be speeding cars, when so many families are walking from parking their cars. I worked at Helen Vine for 12 years and know quite a few people who may or may not be actively using or homeless and am able to deescalate situations. I think they are great, but there are always some, as in any workplace or society that may need to be trained better or possibly removed. I think that support for the police is at its lowest and I am not sure people understand how hard they work. I have experience growing up as a white woman in Mill Valley, sober since the age of 25 and I have had legal and mental health experiences. I have worked with law enforcement through my work and I am a graduate of the SR citizens police academy in 2010.

As a prosecutor, I have seen the good, the bad and the ugly. I have had to deal with police misconduct in cases, but I have also seen creative solutions by SRPD to deal with crime and very heroic behavior. I believe that the men and women of SRPD are dedicated to serve the public in a positive way. I am aware that the stresses of the job make it difficult and that there are personnel issues to be dealt with. It seems to me that the City Council and the police department are making efforts to become more culturally competent and provide the best service possible. I would like to help in that process.

SRPD has a problem in policing and perceptions in the SR Hispanic, which have only become really evident recently. That has to be fixed. SRPD shares endemic problems with virtually all PDs--"clubby" cohesion, outdated organization, deserved negative perceptions. That has to be fixed. Often overlooked: If we SR citizens want to have the right, and the best, new officers, some clean up is needed. Otherwise we will not have the police force the community deserves in the future.
