California State Parks shared last month that the National Park Service provided final approval for our Land and Water Conservation Fund grant for the Pickleweed Park Enhancement Project.

- The grant will provide \$4.2 M to help support numerous improvements to the Park. We are gratefully for the support of L&R Director Catherine Quffa, Assistant Director Craig Veramay, DPW and the support of City Management and the City Council.
- We are expecting to hear on the CleanCA grant we applied for soon.
- Currently, City staff have reviewed the 65% plans for the project and are providing feedback to our consultant GATES Associates

The Boards and Commission Holiday Party Wednesday, 12/06/2023

Craig Veramay gave an update on the canal mural proposal. Next step is to take care of some maintenance that came up then pick a date to take it to City Council.

Mr. Veramay also gave an update on the library needs of the City. The Board of Library Trustees is looking at renovating the Carnegie Library downtown or building a new library at a new location, which would be a Library and Community Center at the B St. location. They are also looking at the Pickleweed Library and the needs there.

The last update was there are 7 or 8 vacancies in the City of San Rafael Boards and Commissions and hoped the board would share the opportunities with others.

**PICKLEWEED ADVISORY COMMITTEE  
AGENDA REPORT**

---

**February 7, 2024  
Item # 3.A.**

**TITLE:       YMCA Summer Camp @ Al Boro Community Center**

**RECOMMENDATION**

It is recommended that the Pickleweed Advisory Committee grant the YMCA a fee reduction or waiver for use of the rooms necessary to conduct a summer camp program for Canal children at the Albert J. Boro Community Center and Pickleweed Park Monday through Friday, June 17 to July 26, 2024 (closed for holidays June 19 and July 4), with permission for staff to grant additional space on a day-to-day basis, depending on availability.

**BACKGROUND**

Since 2021, the Albert J. Boro Community Center & Pickleweed Park has co-sponsored the San Rafael City Schools and YMCA partnership to offer a needed summer program for Canal youth.

Both the YMCA and San Rafael City Schools hope to continue this partnership in supporting Canal families with a summer program in 2024. Their proposal is to serve 70 school identified students where campers “will be provided with an enriching, safe and fun camp environment where they can grow emotionally and physically.”

The application requests use of many of the Center’s rooms and amenities. As was done in the past, in order to accommodate other programming in the facility, staff recommends granting the YMCA enough rooms for them to successfully base daily activities. Should the committee agree, additional rooms, primarily the gymnasium, could then be granted on a daily, space available basis. Generally, the activity fits well in the Center’s schedule and is very much needed in the community.

## **DISCUSSION**

While the Pickleweed Advisory Committee reviews the Co-sponsorship Application, representatives from the YMCA will be present to provide a program overview and support their application which is before the Committee. Committee members will then have an opportunity to ask questions of the applicant.

The Pickleweed Advisory Committee has the authority to grant a fee reduction (25%, 50%, 75%, or other), grant a full fee-waiver, reject the application and ask applicant to resubmit with additional information, or reject the co-sponsorship application all together.

## **FISCAL IMPACT**

The non-profit value of a full co-sponsorship totals \$21,630.00 while still retaining space for other programs. A fee reduction or waiver would potentially result in lost revenue to the City should a paying program be interested in renting the facility at that time. The YMCA has agreed to reimburse the City the Facility Attendant Fee of \$25/hour for opening the Center an hour early in the morning, totaling \$700.00 for the summer.

## **ALTERNATIVE ACTION**

Any other action as determined by the Committee.

# ALBERT J. BORO COMMUNITY CENTER FINAL PROGRAM REPORT FOR CO-SPONSORED PROGRAMS

(Use as many pages as necessary to address the required elements. Please number each one.)

Program Name:

YMCA @ Al Boro

Report prepared by:

Name Marissa Williams Title Community Programs Director

Date submitted: 1/11/2024

Date program completed: 7/28/2023

How many total people were served? 58

A. Outcomes: List each numbered outcome from your application and describe your success in meeting each outcome.

1. In partnership with SRCS we provided the youth in the community a safe and enriching environment.
2. The After school enrichments provided were art, STEAM, swim lessons, tennis lessons and had different independent contractors come and present to them.
3. Children had a safe space - emotionally and physically.
4. Children had a supportive environment where they can explore, learn and grow.
5. Children interact positively with the staff and each other.
6. Children engaged with new ideas and experiences.
7. Over the summer the children went on different field trips, swam every week and the older children went on additional Friday field trips at different Marin County Parks.

B. Measurements: Describe the measurements and evaluation strategies you used for each outcome, and provide a summary or actual data analysis. Attach relevant documents for each outcome and measurement strategy.

Surveys were conducted through the association, but no parents from the program responded to the survey. Next year we will have them printed and an event, so the parents can fill it out at pick up and with assistance. I do not have access to the surveys conducted by San Rafael City Schools. We've maintained our partnership with SRCS to operate programs at the Al Boro Community Center.

C. Success: If you did not succeed in meeting your objectives, tell us why you think that happened, and what strategies you employed to change the situation, or are planning to change in the future.

I think that parents did not fill out the survey because they were only offered online. Next year we will have the surveys printed as well and have an event where parents can come fill it out at pick up, during the last week of camp.

D. Summary: Briefly describe your overall satisfaction with your program and your reasoning, what highlights you would like to bring to the Board's attention, and any general comments about your program.

Al Boro YMCA provides a safe, nurturing, and enriching experience. At the Al Boro YMCA children from two different schools come together and become apart of the YMCA. We offer a rotation of different arts & crafts and games when the kids are on site.

Over the summer, through swimming and field trips children are given the unique opportunity to learn, grow and explore places that may be new and unfamiliar to them. Many of the youth are still learning how to swim. For many of the youth this past summer they went out into nature throughout Marin County. The progression and growth as they familiarize themselves with the swimming pool each week is truly heartwarming. Each week when we go on different field trips the children face consistently light up with excitement. It's so rewarding to see the children interact in new environments, with new people and continue to build community with each other.

## **Outdoor Equity Programs Grant- PARENT QUESTIONS**

### Community Meeting Input

Hello YMCA families,

This letter is an important ask and invite to you to join us for a parent input session next Tuesday, December 5<sup>th</sup> from 5:00-6:00 pm at Al Boro in room \_\_\_\_\_. We will still have your child(ren) in the YMCA program and will provide dinner for you and your children at pick up. We hope that you will join us to answer some important questions about the type of programming you would like to see for your children. Specifically, we are looking to apply for an outdoor parks and rec grant to provide access to your children and families to participate in outdoor experiences at state parks and other public lands.

Your input in the types of programs and experiences for which we ask for funding is of primary importance. We want to hear from you. If you are unable to attend the in person session, we ask if you can take a few moments to read the questions below and even just jot down a few ideas you may have for each question and return to Anahi at Al Boro by end of program day Wednesday, December 6<sup>th</sup>.

Thank you! Our goal is to provide the best quality experiences for your child(ren).

Your name:

**Question 5:**

What do you think is important for the YMCA to know around engagement in outdoor spaces and the programs you'd like to engage in? What else is important for us to consider in this area?
