Dear BPAC members,

I am unable to attend tonight's meeting but wanted to make a few comments regarding the plans for the new San Rafael Transit Center:

1. The bike route through the transit center should be at plaza level, making it easier to clean while also minimizing trip hazards for pedestrians between the plaza and buses.
2. Please assure a safe bike and pedestrian crossing for 2nd, 3rd, and 4th Streets.
3. Please make sure that there is ample bike parking.
4. Please work to assure that the city coordinates appropriate connections outside of GGT's scope to the transit center.

Thank you for considering my requests.

Best wishes,  
Jana Zanetto
