# Public Hearing Overview

---

- Proposed Underground Utility District (UUD) on Canal Street
  - Between Medway Rd to Spinnaker Point Dr
- Public Comments/Questions
- City Council Action/Direction

# Background

---

- Rule 20A Program
  - Allows cities to receive monetary credits to underground overhead utilities
- In 2019 – Established Freitas Parkway Underground Utility District to prevent reallocation of Rule 20A funds

# Proposed Canal Street UUD

- Eliminates heavy concentration of overhead electric facilities
- Extensively used by the general public
- Passes public recreation area and an area of scenic interest to the general public

# Overview Map of District

# Next Steps

---

- PG&E prioritization & design
- Canal Active Transportation Experience
  - ATP grant funding
    - Construction FY26-27
  - Street lighting coordination

# Recommendation

---

- Adopt resolution to form an underground utility district on **Canal Street** between Medway Rd to Spinnaker Point Drive
- Prioritize Rule 20A funds for Canal Street undergrounding project
