

COME TO THE SUN PARTY!

Solar Eclipse 2017

It's the celestial event of the decade, and you're invited!

Enjoy a Johnny Doughnuts treat, coffee, apple juice, and science fun! We have special glasses for your viewing safety, thanks to the Gordon and Betty Moore Foundation and San Francisco Amateur Astronomers. Make a pinhole projection viewer, play science games, and be a citizen scientist! A San Francisco Amateur Astronomer will be on-hand for information and interpretation.

Monday, August 21st, 9am-12pm

Library Lawn and City Hall Driveway

All Ages Welcome!
