Subject:	Reclassification
Resolution No.	
Issue Date:	September 19, 2007
Revision Date:	July 27, 2010
Prepared By	Leslie Loomis, Human Resources Director
Approved By:	Ken Nordhoff, City Manager

## **POSITION RECLASSIFICATION POLICY**

#### **PURPOSE:**

The purpose of this policy is to clarify the proper procedures and requirements for reclassifications for all City of San Rafael classifications.

#### **RESPONSIBILITY:**

A reclassification can be initiated by either the employee, the Union representative or the Department Director by completing the Position Description Questionnaire (PDQ). The Department Director is responsible for completing the Reclassification Questionnaire and Approval form. Human Resources staff is responsible for reviewing the required documents and submitting them to the City Manager's office with a recommendation for approval or denial. If the City Manager approves a reclassification, Human Resources staff will be responsible for finalizing the reclassification.

#### **DEFINITIONS:**

#### A. Classification

The basic principle of position classification is that positions similar in duties and responsibilities should be grouped together in a common category. Position classification is based on the duties and responsibilities of the job and not on the qualifications held by an applicant or incumbent.

#### B. Reclassification

A classification review may be requested if the position has not been reviewed within the previous twelve (12) months <u>and</u> if permanent and substantial changes have been made in the duties and responsibilities assigned to the position or there is evidence that the majority (50% or more) of the work being performed is not appropriate for the position's current classification. A request for a reclassification analysis may be made by the employee, Union representative or Department Director through the procedures outlined in this Reclassification Policy and in the applicable MOUs. Reclassification is based on changes in duties and responsibilities in a position and not on an employee's length of service, increase in workload, or as recognition of an individual's job performance.

#### **Reclassification Policy**

Classification or reclassification of a position is initiated in one of five situations.

- 1. Creation of a new position;
- 2. Increase/Decrease in the job duties of a current position;
- 3. Vacancy occurs for a position which does not have an up-to-date job description;
- 4. Supervisor/Department Director Request
- 5. City-wide study
- 6. Employee request

Reclassification requests are initiated through completion of a Position Description Questionnaire (PDQ) which outlines information that is needed to initiate the study including:

- 1. Description of essential duties and responsibilities of the position, and how they have changed from those outlined in the job description.
- 2. List of decision-making and supervisory responsibilities.
- 3. List of skills, education, training, and experience required to successfully perform the duties of this position.
- 4. Description of working conditions and physical requirements of the position.
- 5. Supervisor's review.

Position Description Questionnaires (PDQ) will be reviewed biannually for reclassification consideration. Questionnaires are due by August 1<sup>st</sup> for a decision by September 30<sup>th</sup> and by February 1<sup>st</sup> for a decision by March 31<sup>st</sup>.

#### **POLICY:**

This policy establishes the procedures for requesting a position reclassification and explains the timelines and requirements associated with a reclassification.

#### PROCEDURE:

- 1. The employee in the position to be considered for reclassification must complete a Position Description Questionnaire (Attachment A) which can be obtained from the Human Resources Department, Room 210 in City Hall, or downloaded from the City's Intranet site. The employee's immediate supervisor must complete Section D. The Department Director must complete Section E.
- 2. The Position Description Questionnaire (PDQ) must be submitted to the Human Resources Department by the deadlines outlined above for consideration.
- 3. Human Resources staff will conduct an initial review of each PDQ and make recommendations to the City Manager's office for authorization to proceed with the reclassification study.
- 4. If a full review is approved by the City Manager or designee, Human Resources staff will complete the following steps:
  - a. Meet one-on-one with the current incumbent and their representative, if desired.
  - b. Upon completion of the one-on-one meeting, evaluate and classify the position based on the information contained in the PDQ, revised job description and the information obtained from the one-on-one meeting.
  - c. Revise the job specification accordingly.

#### Reclassification Policy

- d. Conduct a review of the final evaluation and determine appropriate salary range.
- e. Notify the supervisor/manager of the outcome of the reclassification request in writing or via e-mail using the "Reclassification Approval/Denial Form" (Attachment B).
- 5. The employee will be notified in writing of the results of the reclassification request within two weeks after a decision has been made.
- 6. If a reclassification is granted, the employee's wage rate will change to reflect the new pay range, if applicable, and correct placement on the appropriate salary schedule. Any pay increase will go into effect at the beginning of the pay period immediately following the decision. Human Resources staff will notify the Finance Department of all pertinent information.
- 7. If the reclassification is denied or the employee is not satisfied with the reclassification, the employee has the right to appeal the decision to the City Manager. Such an appeal must be made within 30 days of receiving notification of the audit results. The appeal procedure will be explained in the denial letter. The employee may also contact the Human Resources Department for further explanation of the appeal process.
