SHAWN AND ANDREW SHOW LOVE

Shawn Plate and Andrew Thompson showing much support for Municipal Clerks everywhere!

SHAWN PLATE REVIEWS HISTORY

Shawn enjoys yoga, working out and reading the minutes from San Rafael's early days and comparing today's budget to 1919's budget.

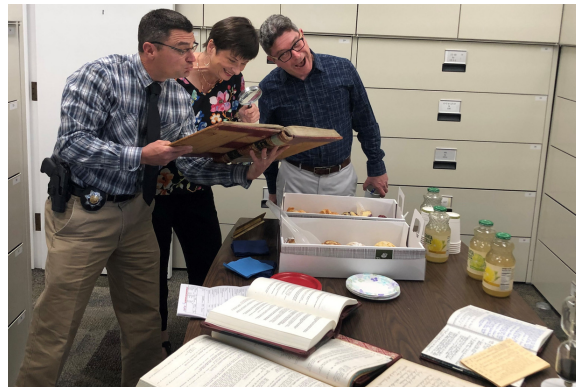

SNACKS & THROWBACKS

Councilmember Colin dropped by and read some of the minutes from 1965. She was able to get a look at how our process has changed over history with regard to minute creation.

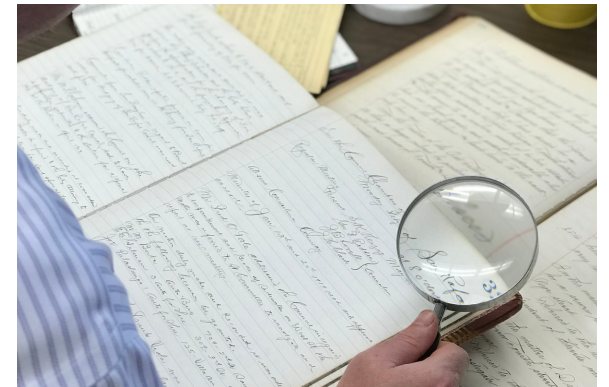

CHRIS, BRENDAN AND LAUREN #CLERKLIFE

Chris Viebrock, Dylan Frisbie and Lauren Davini stopped by with baked goods (thanks Lauren!) and marveled over the legislative history at their fingertips.

TODD, ANNE AND PAUL TIMEHOP TO 1874

Todd Berringer, Anne Derrick and Paul Jensen scoured the minute books in search of big name community members from the past!

LOOK CLOSELY

While using the handy-dandy magnifying glass, we were able to get an up-close shot of the beautifully written "San Rafael" from the handwritten minutes.
