

POLLINATOR PLANT SALE

Saturday, March 7, 2020

9:00am to noon

**Greenhouse at the Falkirk Cultural Center
1408 Mission Avenue, San Rafael**

Marin Master Gardeners have 35 varieties of flowering plants for sale.

Plants are selected for their ability to attract California native bees and butterflies. The sale will include a wide variety of beautiful garden plants that provide pollen and nectar from February to November.

Plants are sold in 4-inch pots for \$4 each.

A list of plants is available upon request, [Woody elwoodrow1@earthlink.net](mailto:Woody.elwoodrow1@earthlink.net).

Please note: volunteers in the greenhouse accept cash or check only.

Marin Master Gardeners are present to advise on plant selection and cultivation, as well as establishing a garden to attract and sustain pollinators.
