

# UNDER CONSTRUCTION

## EXCITING NEWS!

Our library will be closing in June for a much needed major update! It is anticipated that this will take about 18 months. Library services will still be available during this reconstruction time. Our Newhope branch, our Knowledge Mobile and other sites will still be open. In the fall, a temporary library will open at the Delhi Community Center. Watch the library website for specifics.

When the Main Branch reopens, there will be a dedicated FOSAPL Bookstore on the main level!

However, during the construction phase, FOSAPL Bookstore will be closed. There is simply no room with everything that is going on. The last day for the Basement Bookstore will be Wednesday, March 27, 2024. FOSAPL is looking forward to greeting you in our new store when the Main Library reopens.
