ARTICLE IV

4.0 SALARIES

4.1 Basic Compensation Plan. There is hereby established a basic compensation plan for all members of the Association who are now employed or will in the future be employed in any of the designated classifications of employment listed in this MOU.

4.2 Salary Schedule. The basic salary schedule, as periodically updated and published by the City is comprised of five (5) steps or rate ranges of pay for sworn (CalPERS "Safety") employees and five (5) steps or rate ranges of pay for non-sworn (CalPERS "Miscellaneous") employees.

Effective the first full pay period following City Council adoption of this MOU, a Step "E" (approximately five percent (5%) increase from Step "D") will be added to the non-sworn classifications in this unit.

The steps within each range are identified by the letters "A" through "E" inclusive for sworn (CalPERS "Safety") classifications and "AA" through "E" inclusive for non-sworn (CalPERS "Miscellaneous") classifications, with Step "A" being the lowest step for sworn (CalPERS "Safety") and Step "AA" being the lowest step for non-sworn (CalPERS "Miscellaneous") classifications.

The assignment of classes to salary rate ranges during the term of this MOU is listed in Exhibit A.

4.3 Salaries.

A. The base salaries of employees shall be adjusted as follows:

1. Effective the first full pay period following City Council adoption of this MOU, classifications covered by this MOU shall receive a salary increase of three percent (3%).
2. Effective the first full pay period after July 1, 2023, employees covered by this MOU shall receive a salary increase of three percent (3%).
3. Effective the first full pay period after July 1, 2024, employees covered by this MOU shall receive a salary increase of three percent (3%).
4. Effective July 1, 2020, the City agrees, after implementation of the four percent (4%) salary increase effective July 1, 2020, to maintain approximately five percent (5%) between the classes of Top Step Sergeant including all pay additives available to this classification and Police

Lieutenant "D" Step including Supervisory Post Additive (minimum five percent (5%)) and Bilingual Pay Additive.

5. The City and Association agree that upon the expiration of this MOU and during the period of good faith negotiations for a subsequent contract, salary and benefits shall continue at the then current rate.

B. The parties agree that the City may, at its sole discretion, alter its payroll practices to eliminate the salary and wage step increases system as set forth in its current payroll matrix, as outlined in the City's salary schedule, as periodically updated and published by the City, and replace them with an equivalent percentage system. For example, a five (5) salary rate range increase would not be computed as set forth on the current matrix, but would instead be exactly two and one half percent (2.5%), rounded up to or down to the nearest penny. This system would apply to all salary increases as set forth in this MOU, including Article IV ("Salaries"), Article V ("Assignment and Other Special Pay Additives") and the rate ranges assigned to the classifications represented by this bargaining unit. There shall be no negative consequences to any represented employee by such conversion.

C. The City agrees, during the term of this MOU, to maintain approximately seventeen percent (17%) between the classes of Police Captain and Police Lieutenant.

4.4 Application of Basic Compensation Plan. All employees working in classifications of employment covered by this MOU shall be compensated at a monthly rate, as set forth in Exhibit A.

4.5 Beginning Rates. An employee appointed to one of the designated sworn (CalPERS "Safety") classifications of employment listed in this MOU may be placed by the appointing authority at Step "A," Step "B," Step "C", or Step "D" within the applicable rate range in the schedule to which the class has been allocated by Resolution of the City, provided that such employee shall be assigned such salary step upon the commencement of their service in said classification and such assignment having once been made shall remain in effect until the said employee shall be entitled to advance to the next salary step in accordance with the further provisions of the Article.

An employee appointed to one of the designated non-sworn (CalPERS "Miscellaneous") classifications of employment listed in this MOU may be placed by the appointing authority at Step "AA", Step "A", Step "B", or Step "C" within the applicable salary rate range as provided above.

4.6 Service. The word "service" as used in this MOU shall be deemed to mean continuous, full-time service in the classification in which the employee is being considered for salary

advancement, service in a higher classification, or service in a classification allocated to the same salary rate range and having generally similar duties and requirements. Employees hired after the first (1st) working day of the month shall not be credited with “time in service” for that month when determining the length of service required for salary step advancement. A lapse of service by an employee for a period of time longer than ten (10) calendar days by reason of resignation, quit, or discharge, shall serve to eliminate the accumulated length of service time of such employee for the purpose of this MOU and any such employee reentering the service of the City shall be considered as a new employee, except that they may be reemployed within two (2) years and placed in the same salary step in the appropriate salary rate as they were at the time of termination of employment. “Resignation, quit, or discharge” for purposes of this section shall mean leaving City service altogether and not movement within City employment by way of transfer, promotion, or demotion between and among any City departments.

4.7 Advancement Within Ranges. The following regulations shall govern salary advancement within rate ranges:

- A. For any employee who has been initially appointed to a step lower than Step “E,” advancement to the next higher step (Step “A” from Step “AA,” Step “B” from Step “A,” Step “C” from Step “B,” Step “D” from Step “C,” or Step “E” from Step “D” respectively) shall be granted for continued satisfactory and efficient service by said employee in the effective performance of the duties of their position. The effective date of an increase from Step “AA” to Step “A,” if granted shall be the first (1st) day of the month following the completion of six (6) months of service at Step “AA.” The effective date of such step increase from Step “A,” Step “B,” Step “C,” Step “D”, or Step “E” if granted, shall be the first (1st) day of the month following the completion of one (1) year of service at the step to which said employee is being advanced. Effective January 1, 2023, the effective date of step increases, if granted, shall be the first (1st) day of the pay period following completion of one (1) year of service at the step to which said employee is being advanced.

Such merit advancement shall require the following:

1. There shall be on file in the Office of the Executive Director of Human Resources a copy of each periodic efficiency or performance report required to be made on the employee by the Civil Service Rules and Regulations and/or the City Manager during the period of service time of such employee subsequent to their last salary advancement.
2. The Police Chief, at least twenty (20) calendar days prior to the anticipated completion of such employee’s required length of service, shall file with the City Manager a statement recommending the granting or denial of the step increase and supporting such a recommendation with

specific reasons therefore. The employee shall be notified of the reasons therefore.

3. No advancement in salary above the lowest step in the salary rate range of the designated classification shall become effective until approved by the City Manager, except when placement on a salary step above the lowest step in the applicable salary rate range results from promotion under the provisions of Section 4.9.

- B. When an employee has not been approved for advancement to the next higher salary step, they may be reconsidered for advancement to the next higher step above their then current step after the completion of three (3) months of additional service and shall be reconsidered for such advancement after the completion of six (6) months of additional service.

4.8. Annual Performance Based Bonus Pay:

Each employee covered by this MOU may be eligible to receive an annual performance bonus for superior performance as a one-time monetary incentive payment based on a percentage of current annual rate of base salary in accordance with the following criteria in Sections 4.8(A) through 4.8(C).

A. Performance Levels

1. For overall superior performance rated as '5' Significantly Exceeds Expectations, a one-time monetary incentive payment of five percent (5%).
2. For overall superior performance rated as '4' Exceeds Expectations, a one-time monetary incentive payment of two and one-half percent (2.5%).
3. For overall performance rated as '3' Meets Expectations, no monetary incentive payment.
4. For overall performance rated as '2' Below Expectations, no monetary incentive payment.
5. For overall performance rated as '1' Significantly Below Expectations, no monetary incentive payment.

- B. Upon an employee failing to receive a rating of "Significantly Exceeds Expectations" in their Annual Performance Evaluation, the supervisor shall promptly prepare a written document which details objectives the employee must meet in order to receive a "Significantly Exceeds Expectations" rating for that

evaluation period and provide that document to the employee. The employee's evaluation will be held in abeyance for a period no longer than ninety (90) days, allowing the employee time to attempt to achieve the objectives. During this time any Performance Based Salary Adjustment for an "Exceeds Expectations," if awarded, shall not be processed. If the employee fails to achieve a rating of "Significantly Exceeds Expectations" within the ninety (90) day period, they will not be eligible for the "Significantly Exceeds Expectations" bonus for that rating period.

C. Application of Guidelines

1. Any one-time incentive payment granted under this plan is not an increase in base salary and no salary rate range applicable to an employee shall be changed or deemed to have been changed by reason of such payment. However, such incentive payment for Classic CalPERS members as allowable under CCR Section 571a will be reported to CalPERS as special compensation for calculation towards retirement.
2. In the event that CalPERS determines that such payments do not meet the definitions listed in CCR Section 571a as special compensation to be reported to CalPERS, the City will convert the incentive payment for eligible employees to a meritorious step on the salary range as set forth in section 4.8(C)(7).
3. An employee that is deemed to be a "New CalPERS Member" is not eligible to have the incentive payment reported to CalPERS as special compensation. See Government Code section 7522.34(c) and PERS circular 200-064-17 dated December 6, 2017, a bonus is not "PERSable" compensation for new members.
4. An employee that is off on IOD or other leave of absence whose Performance Appraisal date occurs while off work will have their appraisal date adjusted when returning to work for the time not worked. The employee will not be eligible for the incentive bonus payment until completing the required time in their regular position necessary to be evaluated per current departmental policy.
5. Performance based monetary incentive payment amounts for employees shall be recommended by the employee's supervisor and requires the approval of both the Police Chief and City Manager.
6. The Police Chief shall be responsible for the development and administration of detailed administrative procedures and guidelines for the

consistent and effective application of the Association performance appraisal evaluation criteria. Such procedures and guidelines shall define how performance objectives, measure and standards are developed; when and how performance reviews are to be carried out; how overall performance ratings will be determined; and how performance based monetary incentive payment options are to be exercised.

7. If it is determined by CalPERS that the “Bonus” is not eligible to be included as “PERSable” compensation, the City shall convert the bonus to two (2) additional merit based steps at increments of two and one half percent (2.5%) for the last year that the employee earned the Bonus. The Association understands and agrees that these steps would be merit based and employees must maintain a Significantly Exceeds rating to receive or maintain the five percent (5%) or Exceeds Expectations rating to receive or maintain the two and one half percent (2.5%). Employees who do not receive Significantly Exceeds rating or Exceeds Expectations rating will be returned to Step D of the Association salary schedule.

4.9 Promotional Salary Advancement. When an employee is promoted to a position in a higher classification from a position in a lower classification in the bargaining unit, they shall be reassigned to the lowest step in the appropriate salary rate range for the higher classification that gives the employee a minimum increase of one (1) salary step (approximately five percent (5%)) over their current base salary step (plus any pay for performance bonus if said employee was at top step in their current classification) and exclusive of any pay additive or additives such as shift differential, assignment pay, special skill pay, or the like.

4.10 Demotion. When an employee is demoted to a position in a lower classification, their salary rate shall be fixed in the appropriate salary rate range for the lower classification in accordance with the following provisions:

- A. The salary rate shall be reduced by at least one (1) step.
- B. The new salary rate must be within the appropriate salary rate range.
- D. The new salary rate shall not be higher than the salary step to which the employee would have been entitled had their service time in the higher classification been spent in the lower classification.

4.11 Reallocation of Salary Rate Ranges. An employee who is employed in a classification which is reallocated to a different salary rate range from that previously assigned shall be retained in the same salary step in the new salary rate range as he or she had previously held in the prior rate range and shall retain credit for length of service in such step towards advancement to the next higher step.

ARTICLE V

- C. Non-permanent employees (probationary, seasonal, temporary, limited-term, etc.) shall not be eligible for acting pay.
- D. In computing qualifying service rendered, only full-days shall be computed for acting pay, and partial days shall not be combined to make full days.

9.2 Full-time permanent and probationary employees shall receive twelve (12) working days off, eight (8) hours per day, during the calendar year in lieu of the holiday benefits specified in Section 9.1, supra. Therefore, employees with alternative work schedules

shall be credited with ninety-six (96) hours of holiday time at the beginning of every calendar year in lieu of twelve (12) holidays in the year. Effective January 1, 2023, full-time permanent and probationary employees shall receive thirteen (13) working days off, eight (8) hours per day, during the calendar year in lieu of the holiday benefits specified in Section 9.1. Employees with alternative work schedules shall be credited with one hundred four (104) hours of holiday time at the beginning of every calendar year in lieu of thirteen (13) holidays in the year.

For purposes of computing holiday accruals, an eight (8) hour day shall be the basis for computation.

- 9.3 A employee must actually work at least one (1) day preceding the day a holiday listed in Section 9.1, supra, actually occurs in order to receive credit for such holiday during the month in which it occurs.

An employee separating from the service of the City must actually work at least one (1) day following the day a holiday listed in Section 9.1, supra, actually occurs in order to receive compensation for the holiday.

A newly appointed employee must complete six (6) months of continuous full-time service in order to receive credit for the floating holiday listed in Section 9.1.

9.4 Holiday Bank Election.

- A. If an employee wants to use their holiday bank hours as described in Section 9.2 during the year in which the holiday leave time is accrued, but not necessarily used in the pay period in which the holiday occurs, they must make an irrevocable election by December 15th of the prior calendar year (i.e. by December 15, 2020 for the calendar year 2021 holidays). Employees completing an irrevocable election form will not be automatically cashed out as the holidays occur (if not taken off), and will retain those hours for use any time during the current calendar year earned. Forms will be turned into the Police Department Human Resources Department then forwarded to City Payroll. If an employee leaves employment during the year and has not used their earned holiday time, the eligible hours will be paid on their final check and will not be eligible to be reported to CalPERS as Special Compensation.
- B. Said substitute holidays may be taken at any time during the calendar year with prior permission of the employee's supervisor and subject to the operational needs of the Department. However, if an employee who separates from the service of the City has taken time off for holidays in advance of the date or day the holidays actually occur, they must pay the City the cash value for such used but unearned holiday time off benefits prior to or at the time of separation.
- C. Holiday time off may be taken in thirty (30) minute increments.

9.5 Holiday benefits may not be carried over from one (1) calendar year to the next.

9.6 Holiday Leave.

- A. Members of the Association will receive holiday hours each year as set forth in Section 9.2 to be used as time off in the pay period in which the legal holiday occurs. Holiday hours (excluding the floating holiday) not used in the pay period in which the legal holiday falls will be automatically given holiday pay-in-lieu.
- B. Pay-in-lieu of time off will be based on the eleven (11) legal holidays (twelve (12) beginning calendar year 2023) observed by the City of Santa Ana. Pay-in-lieu will be computed at eight (8) hours each legal holiday at the regular rate of pay on a straight time basis. This additional compensation will be paid as earned and reported to CalPERS as Special Compensation pursuant to Title 2, Division 1, Chapter 2 of the California Code of Regulations, specifically Section 571(a)(5) – Statutory Items, Holiday Pay.

ARTICLE X

10.0 VACATION

10.1 Purpose. It is the policy of the City to grant employees vacation leave in order to provide them with a break in their regular work schedule and this purpose will be used as a guide in the administration of the provisions of this Article.

10.2 Vacation.

A. Members shall accrue the combined vacation with pay on a monthly basis as set forth in the following table.

B. Vacation time off may be taken in increments as small as one (1) hour, with fractional usage rounded upward to the next higher multiple of one (1).

C. Computing Regular Vacation.

1. In computing vacation, each municipal holiday that occurs during the vacation, and that falls on a day which the employee would have worked had they not been on vacation, shall be deducted from the computation so that one (1) additional day of vacation shall be allowed to the employee. Should an employee be confined to a hospital for sickness or injury while on authorized vacation, each full day of such confinement, when confirmed by a physician's statement and approval of the Police Chief, may be deducted from the computation of vacation expended and charged against the employee's accumulated sick leave.
2. No employee may carry over from one (1) calendar year to the next, more than the maximum vacation carryover as set forth in the following table. Any vacation not used beyond the maximum carryover amount from the current calendar year will be cashed out at the employee's base rate of pay by the City at the end of the current calendar year provided that the employee takes a minimum of eighty (80) hours of accrued vacation leave time off in that calendar year.
3. An employee who does not take a minimum of eighty (80) hours of vacation leave hours during the calendar year beyond the maximum carryover amount as described in Section 10.2(C)(2), will forfeit the hours beyond the maximum carry over amount from year to year, meaning that no pay shall be received for such unused vacation at any time. This provision constitutes a waiver of any rights to vested vacation benefits under California Labor Code section 227.3.

4. Employees may or may not be allowed or required to accumulate or split vacations. The time at which an employee shall take their vacation shall be determined by seniority within rank, with due regard for the needs of the service.

For purposes of computing vacation accruals, an eight (8) hour day shall be the basis for computation.

- D. Vacation Leave Cash Option. Employees may receive cash compensation, computed on a straight time basis, for up to a maximum of one hundred fifty (150) hours of earned, unused vacation leave benefits, subject to the limitation in Section 10.2(E).
- E. Employees may cash out a combination of vacation and management vacation leaves, up to a maximum of two hundred sixty (260) hours in a calendar year.

- 10.3 Management Vacation Benefit. All employees will be granted one hundred (100) hours of management vacation per calendar year over the vacation schedules. Employees may accrue a maximum of four hundred eighty (480) hours of such Management Vacation.

Employees may receive cash compensation, computed on a straight time basis, up to a maximum of one hundred fifty (150) hours of earned, unused management vacation leave benefits, subject to the limitation in Section 10.2(E). Such cash option may be eliminated or modified to the extent it is construed as overtime under Department of Labor Guidelines implementing provisions of the Fair Labor Standards Act.

- 10.4 Effect of Extended Sick Leave on Vacation Accrual. An employee that is absent on paid sick leave or unpaid leave for a period of time greater than fifteen (15) consecutive calendar days in any one (1) calendar month shall not accrue vacation credits during that month.

ARTICLE XI

11.0 OTHER LEAVES OF ABSENCE

11.1 Sick Leave.

- A. Definition. Except as otherwise provided in this Article, sick leave shall be deemed to mean absence from duty of an employee because of illness or injury that prevents the employee from performing the duties of their position, and shall be deemed to include time in quarantine resulting from exposure to a contagious disease.
- B. Accrual. Each employee shall earn eight (8) hours of sick leave for each full calendar month of service in which they are employed by the City with full pay; provided, however, any absence on sick leave for a period of time greater than fifteen (15) consecutive calendar days in any one (1) calendar month shall not be considered to be service entitling an employee to earn sick leave as aforesaid. Subject to the other provisions in this Article, sick leave shall accrue to the credit of each employee to the extent that it is not used. Notwithstanding the foregoing, an employee on leave of absence for service-connected illness or injury who is covered by the provisions of Labor Code Section 4850, shall continue to accumulate eight (8) hours of sick leave for each full calendar month of service for which he or she is employed by the City with full pay during said absence for service-connected illness or injury. For purposes of computing sick leave accruals, an eight (8) hour day shall be the basis for computation.
- C. Authorized Only When Necessary. Sick leave is not a right which an employee may use at their discretion, but shall be allowed only in cases of necessity and actual sickness or disability, or as authorized in Section 11.1(J).

When an accepted industrial illness or injury has caused a non-sworn employee's absence, for which benefits are required under the State Workers' Compensation Insurance and Safety Act, paid sick leave will be allowed such employee during the first three (3) days of the statutory waiting period. If the workers' compensation related illness or injury continues past the initial three (3) consecutive days, the employee will have the three (3) used sick days recredited to their account. Paid sick leave will continue until the fourth (4th) day when the City pays the employee workers' compensation benefits for such illness or injury. If the employee does not have sufficient accumulated sick leave at the commencement of such industrial illness or injury, they will be advanced sick leave for this purpose. Subsequently, the City will deduct an equal amount previously advanced from any sick leave accrued by the employee until the total amount is recovered. If the employee terminates before recovery of all advanced sick leave, the City will deduct the unrecovered cost of sick leave from such

terminated employee's final paycheck, to the extent possible. The City may authorize employees to use sick leave, vacation, or compensatory time for approved workers' compensation medical appointments as specified herein. The City may authorize use of such leave for City approved medical appointments whenever such appointments cannot be secured outside the employee's regular workday, and salary continuation or workers' compensation benefits are not available.

- D. Limit. The maximum total accumulation of sick leave with pay shall be two thousand (2,000) hours. Sick leave usage of less than a full day shall be charged in minimum increments of one (1) hour, with fractional usage rounded upward to the next higher multiple of one (1).

For employees who are newly hired from outside the City into classifications represented by the Association following City Council approval of this MOU:

1. The maximum accumulation of sick leave with pay shall be three hundred fifty-two (352) hours; and
2. Any annual accrual over the three hundred fifty-two (352) sick leave hours (up to ninety-six (96) hours) will be converted into an employee's Retirement Health Savings ("RHS") Plan account during the first full pay period in January of each year.

- E. Extended. The City Manager may grant leave up to six (6) months without pay to an employee who has exhausted all of their accrued sick leave if a licensed physician indicates that the employee will be sufficiently recovered to return to his employment within a six (6) month period. Prior to the expiration of the additional time, the employee may return to his position provided that the employee has a certificate from a licensed physician stating that the employee is able to perform all the duties of their position without qualification. In addition to the above, the City Manager may grant a further extension not to exceed a total of one (1) year without pay.
- F. Extension by Use of Vacation. After an employee's sick leave has been exhausted, they may be granted permission to take any earned vacation they may have accrued.
- G. Notice. The employee taking sick leave shall notify their immediate supervisor as established by the Police Department regulations. When the absence is more than three (3) consecutive working days, the employee must present to the Police Chief a physician's certificate stating that, in the physician's opinion, the employee could not report to work because of such illness or injury and that the employee is sufficiently recovered to safely return to work. Such certificate shall be transmitted to the Human Resources Department with the report of the

employee's return to work.

A physician's certificate or other satisfactory written evidence of actual illness or injury may be required after an absence of any duration less than three (3) days.

- H. Denial. No employee shall be entitled to sick leave with pay while absent from duty because of sickness or injury purposely self-inflicted or caused by willful misconduct; or, sickness or disability sustained while engaged in employment other than employment by the City, for monetary gain or other compensation, or by reason of engaging in business or activity for monetary gain or other compensation.
- I. Excess Usage. If sick leave is used in excess of that due and available to an employee, such excess sick leave will, first, be deducted from any available vacation leave benefit; finally, deducted from the next scheduled salary payment.
- J. Personal Necessity Leave. Each employee shall be afforded the opportunity to use up to forty-eight (48) hours of sick leave per calendar year, on a non-cumulative basis, as personal necessity leave. All of this personal necessity leave may be used to attend to an illness of a child, parent, spouse, or registered domestic partner of the employee. As used in this section, a child means a biological, foster, or adopted child, a stepchild, a legal ward, or a child of a person standing in loco parentis; and a parent means a biological, foster, adoptive parent, a stepparent, or a legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child. This section also applies to the employee's grandparent, grandchild, or sibling.

California's Healthy Workplaces/Healthy Families Act of 2014 (AB1522) also known as California's Paid Sick Leave Law, required the City to provide paid sick leave to eligible employees upon oral or written request, within the parameters of the law, for the following purposes:

- Diagnosis, care, or treatment of an existing health condition of, or preventative care for an employee or an employee's qualified family member;
- Specified purposes for an employee who is a victim of domestic violence, sexual assault, or stalking.

Up to three (3) days of this personal necessity leave may be used: (a) to attend to a serious accident to members of the employee's immediate family; (b) childbirth; (c) to cope with imminent danger to the employee's home or other valuable property; or (d) when the existence of external circumstances beyond the employee's control make it impractical for him or her to report for duty. For the purposes of this section only, a "day" shall be defined as the number of hours of work that an employee is required to work according to his or her specific

workday schedule.

K. Payment for Unused Sick Leave.

1. Payment criteria and limitations.

Upon non-disciplinary termination of employment after ten (10) years of cumulative full-time service with the City, each qualified employee shall be entitled to the following cash out provisions below:

- a. After ten (10) years, but less than fifteen (15) years of service, the employee shall be entitled to fifty percent (50%) of the amount of unused sick leave benefits credited to their RHS account upon the effective date of separation, not to exceed a maximum limit of six hundred forty (640) hours.
- b. After fifteen (15) years, but less than twenty (20) years of service, the employee shall be entitled to fifty percent (50%) of unused sick leave benefits credited to their RHS account upon the effective date of separation, not to exceed a maximum limit of eight hundred (800) hours.
- c. After twenty (20) years, but less than twenty-five (25) years of service, the employee shall be entitled to sixty-six and sixty-seven hundredths percent (66.67%) of unused sick leave benefits credited to their RHS account upon the effective date of separation, not to exceed a maximum limit of one thousand sixty-seven (1,067) hours.
- d. After twenty-five (25) years of service or more, the employee shall be entitled to one hundred percent (100%) of the amount of unused sick leave benefits credited to their RHS account upon the effective date of separation, not to exceed a maximum limit of two thousand (2,000) hours.

2. A lump sum payment shall be made to the beneficiaries of any eligible employee whose death occurs while such employee is an active employee of the City, such payment to be in the amount of two-thirds (2/3) of the total sick leave benefit credited to the employee's account at the time of their death, and at the rate of pay effective on the date of the death.

3. Association members who notify the City, in writing, of their intent to retire from the City within twelve (12) calendar months shall be allowed to cash out any and all eligible leave bank balances, including sick leave, upon request. Employees shall receive payment as soon as practical, and no longer than thirty (30) days after the request has been made. If an

employee cashes out their eligible leave bank balances prior to retirement and subsequently remains employed one (1) year after their initial notice of intent to retire, said employee shall be ineligible to accrue one hundred (100) hours of management vacation the next calendar year.

11.2 Bereavement Leave. An employee shall be granted up to three (3) days leave without loss of pay in case of death of a member of the employee's immediate family. For purposes of this Section only, a "day" shall be defined as the number of hours of work that an employee is required to work according to his/her specific workday schedule. Such leave is designated as bereavement leave. "Immediate family" as used in this section is limited to:

- A. Any relative by blood or marriage who is a member of the employee's household;
- B. A parent, parent-in-law, spouse, child, brother, sister, grandparent, or grandchild of the employee, regardless of residence;
- C. Any other relative of the employee by blood or marriage where it can be established by the employee that as a result of such relative's death, the employee's presence is required.

11.3 Military Leave.

- A. Proof of Orders and Reinstatements. An employee shall be granted military leave if they furnish the Executive Director of Human Resources satisfactory proof of their order to report for duty. Upon return and upon showing of proof of actual service pursuant to such orders, they will be reinstated as provided in Section 9-143 of the Civil Service Rules and Regulations of the City of Santa Ana.
- B. Temporary. Members of the reserve forces of the United States or the National Guard, granted temporary leave when ordered to duty, in accordance with the Military and Veterans Code, will be granted leave with pay not to exceed thirty (30) working days in each calendar year after one (1) years' service with the City upon presenting satisfactory proof of orders to and from such temporary active duties.

11.4 Jury and Witness Leave. When an on-duty employee is called to serve as a juror or witness in any court action, they shall be allowed to leave for the time actually required for such service without loss of pay. Each on-duty employee called for such service shall present to the Police Chief for examination the subpoena calling them to such service and shall pay into the City Treasury the fees collected for such service, with the exception of reimbursement for transportation expenses, if any.

11.5 Examination Leave. Employees participating in examinations conducted during their normal working hours for positions in the competitive service of the City of Santa Ana

will be granted leave with pay for the time actually required without loss of any accrued vacation time off benefits.

- 11.6 Unauthorized Absence. Unauthorized absence from duty for any duration of time may be considered cause for dismissal.
- 11.7 Authorized Absence Without Pay - Short Term. Absence without pay, not to exceed five (5) consecutive working days, may be authorized by the Police Chief. Absence without pay, not to exceed fifteen (15) calendar days, may be authorized by the Department with the approval of the City Manager. Such an absence may be authorized only if, in the judgment of the Police Chief, it serves the best interest of the City.
- 11.8 Authorized Absence Without Pay - Long Term. Upon receipt of a written request from an employee having permanent status plus action by the Police Chief recommending approval of the request, the City Manager may grant a leave of absence without pay for up to six (6) months.

An employee returning to duty with the City shall inform the Police Chief and the Executive Director of Human Resources of their intention at least thirty (30) calendar days prior to the expiration of the six (6) months period or a shorter period of the full six (6) months if not taken. Upon receipt of such notice, the Police Chief will take steps necessary to restore the employee to their former position.

- 11.9 Industrial Leave.
 - A. Each "safety member" employee covered by the provisions of Labor Code Section 4850 who is compelled to be absent from duty because of an illness or injury covered by the State of California Workers' Compensation Insurance and Safety Act shall, in lieu of temporary disability compensation payable under the aforementioned Act, continue to be paid his or her normal salary and accrue other benefits in accordance with the provisions of Labor Code Section 4850.
 - B. Any period of time during which an employee is required to be absent from their position by reason of an industrial injury or industrial illness for which they are entitled to receive compensation shall not be considered a break in continuous service for the purpose of their right to salary adjustments or to the accrual of vacation, seniority, and any other benefits.
- 11.10 Administrative Leave Policy. The City Manager is authorized to grant, at their discretion, paid or unpaid administrative leave for employees.
- 11.11 Catastrophic Leave Donation. In order to assist employees otherwise granted leave of absence without pay by the City Manager because of catastrophic non-industrial medical condition or injury, the City and Association agree to implement a Catastrophic Leave

Donation procedure.

Nothing herein shall be construed to alter City policies and procedures as provided in the Charter or ordinances of the City of Santa Ana or other provisions of this MOU with regard to granting unpaid leaves of absence.

The Catastrophic Leave benefit will be provided for non-industrial injury or sickness only. The leave shall cover the uncompensated time prior to the employee becoming eligible for Long Term Disability (L.T.D.) benefits.

A. Guidelines. It shall be understood that all donations under this procedure are voluntary and subject to taxation for the recipient.

Employees may donate vacation or compensatory time or one (1) in lieu holiday to the eligible employee. In no event shall sick leave be donated.

Employees shall be provided a two (2) week period to submit donations. Donations received after this two (2) week period shall not be processed. The two (2) week period for each case shall be designated by the Police Chief or their designee as provided herein below.

Donations shall be for a minimum of two (2) hours and a maximum of eight (8) hours per donor. All donations must be made in two (2) hour increments, except in lieu holidays must be for eight (8) hours.

Any authorization of donations not made in accordance with the procedures outlined in Section 11.11(C) will not be processed.

All donations shall be irrevocable.

In the event the recipient returns to work before leave donations have been exhausted, any balance on the books shall be accrued by the recipient and designated as sick leave.

B. Eligibility. Regular, full-time employees shall be eligible for Catastrophic Leave donations if the following criteria are met:

1. When it is reasonably foreseeable that all accrued time on the books, such as sick leave, compensatory time, vacation, and in lieu holidays, will be exhausted and the employee's illness will continue past the time when the employee will be on paid status.
2. The Police Chief or their designee has approved a written request for donations accompanied by a medical statement from the employee's attending physician. The attending physician's statement must verify the

employee's need for an extended medical leave and an estimate of the time the employee will be unable to work.

C. Procedure.

Upon receipt of a valid request for donations from an eligible employee, the Police Chief or their designee shall post a notice of the eligible employee's need for donations on bulletin boards accessible to employees. No confidential medical information shall be included in the posted notice.

Employees wishing to donate time to an eligible employee must sign their authorization of the transfer of such donated time and provide:

1. Their name, department name, and employee number.
2. The number of hours of compensatory or vacation time of the donation within the limitations of Section 11.11(A)(3).
3. The name, department, and employee number of the recipient.
4. A statement indicating that the donor understands such donation of time is irrevocable.

F. For each such employee who is covered under a spouse's non-City sponsored health plan, the City will pay the employee a cash-in-lieu payment (subject to taxation as wages) each month in an amount equal to one hundred percent (100%) of the monthly premium amount for the City's lowest "employee-only" coverage, if said employee waives, in writing, City-paid coverage. If an employee waives City provided coverage, said employee shall provide proof of medical insurance coverage in a non-City-sponsored health plan. Said waiver shall include a provision warning such employee that reentry into any of the City-sponsored plans is allowed only at open enrollment, unless there is a qualifying event, and may require proof of insurability for such employee and/or family.

12.2 Dental Insurance. The City agrees to contribute towards the cafeteria Benefit plan the payment of premiums for dental insurance plans provided by the City for employees and their eligible dependents on the following basis:

- A. One hundred percent (100%) of the premium cost for "employee-only" coverage.
- B. Up to one hundred ten dollars (\$110) per month per employee for "family" coverage.

premium cost for term life insurance coverage under the policy it maintains on behalf of its officers and employees in order to provide employees with life insurance coverage in an amount equal to twice such employee's annual rate of salary to a maximum of three hundred thousand dollars (\$300,000), provided said affected employees can provide evidence of insurability of coverage above one hundred fifty thousand dollars (\$150,000) if so required by the terms and conditions of said term life insurance policy.

In the event any such employee is determined to be ineligible for said insurance coverage, the City will attempt to provide as much coverage as may be obtained at reasonable cost without having to provide evidence of insurability.

12.5 The City shall retain the right to change health, dental, and life insurance carriers, administer the insurance benefits provided thereunder, and select and/or change any excess or supplemental insurance carriers as a part of any self-insurance plan during the term of this MOU, provided that employees continue to receive equivalent benefits and provided that the parties have met and conferred before the changes have been made.

12.6 Cafeteria Benefit Plan. The City provides a Cafeteria Benefit Plan adopted in accordance with the provisions of Internal Revenue Code § 125 for employees. Affected employees will be eligible to receive cash (subject to taxation as wages) through the cafeteria Benefit plan if they either opt-out of receiving one of the optional benefits provided through the plan or if they choose optional benefits that do not cost as much as the maximum dollar amount they have received through the plan.

If two (2) City employees are married, at least one (1) of the two (2) employees must maintain insurance coverage. The amount of money that can be redesignated by the employee waiving coverage is limited to the value of the "employee-only" level within each type of insurance.

In the event the City experiences an adverse impact in rates due to utilization of the redesignation option, the City and Association agree to meet and confer over the impact.
