July 2024

Honorable Mayor and City Council:

I hereby present the approved Fiscal Year (FY) 2024-2025 budget for the City of Santa Ana, which adds a range of new programs sought by the community while also making long-term investments in roads, infrastructure and public facilities. The total budget, including funds restricted for specific uses, is \$734 million.

The budget has a \$406.8 million general fund that will pay for essential City services, including police and fire protection, libraries, park programs, planning and building, code enforcement, public works, economic development, and more. The \$36.3 million capital improvement program will fund ongoing road and traffic safety projects, park and library expansions, and other infrastructure and facility improvements.

Thanks to your hard work and that of our City staff, the 2024-2025 budget was approved on time and balanced, meaning that recurring spending fits within recurring revenue. The City maintains an 18% general fund reserve of \$73 million and has an AA credit rating from Standard and Poor's, reflecting years of careful financial planning.

Community engagement and feedback were an integral part of the budget process. City staff successfully built on last year's public outreach efforts, resulting in a 42% increase in total engagement. More than 2,400 community members participated in this year's budget process, which was an increase of 660 from the previous year. Residents were able to share their ideas and learn about the budget by taking a survey, using online budget simulation tools, attending one of seven community budget meetings hosted by the City, or engaging with City staff at other events and meetings. The community budget survey received 2,224 responses this year, compared with 1,564 last year.

This community input helped guide City staff in prioritizing funding in the budget presented to City Council. As a result, the approved budget and the City's Capital Improvement Program include:

- Over \$30 million for street and traffic safety improvements
- Safe Routes to School Projects, such as street signage, road striping and crosswalks
- Youth programs

- Technology improvements for the police dispatch center
- Bristol Street improvements from Warner Avenue to St. Andrew Place
- Upgraded traffic signals on Segerstrom Avenue at Raitt and Flower streets
- Redesign of Chepa's Park
- Outdoor library at Jerome Park

Revive Santa Ana

Additionally, the City is moving forward with several major pandemic recovery projects over the next couple of years as part of the \$128.3 million Revive Santa Ana initiative funded by the federal American Rescue Plan Act (ARPA.) Since the first part of this funding was approved in 2021, the City has spent over half, or \$64.4 million, for projects including neighborhood street lighting, new park restrooms, youth and library programs, free food distributions, homeless rapid response, artist grants, and financial assistance for residents, small businesses and nonprofit organizations.

Upcoming Revive Santa Ana projects include:

- The largest renovation and modernization of the Main Library in over 60 years
- Renovation of the Newhope Branch Library
- A new library branch at Delhi Center
- An innovative outdoor library at Jerome Park
- Construction of a modern Memorial Park Aquatics Facility to replace the park's aging pool
- Santa Anita Community Center renovations
- Centennial Park lake renovation
- Digital marquees at local parks to improve the City's communication with residents

Measure X spending

The voter-approved Measure X sales tax has played an essential role in the City's ability to expand services year after year, while also investing in long-term improvements. From 2019 through June 30, 2025, the City estimates it will have collected \$428.7 million from Measure X.

More than a quarter of the Measure X funds have gone to preserving and enhancing public safety services, and over \$10 million has gone to address the impacts of homelessness. The sales tax revenue has also been used to fix streets, maintain parks, provide youth services, rehabilitate aging City facilities, increase tree trimming, and to complete other improvements that have benefited the Santa Ana community.

Measure X funds 21% of the general fund budget, and while the 1.5% sales tax rate will decrease to 1% on April 1, 2029, the City is proactively planning for this adjustment. We are

taking steps to control spending, modernize services, update the Strategic Plan, and grow the City's tax base through new development. As we adapt to these changes, there may be adjustments to service levels to ensure a balanced budget in 2029. Community engagement will be more important than ever to ensure the City Council is able to make the right spending decisions for the community, as the City will have to carefully monitor and evaluate spending to maintain essential services without compromising our fiscal stability.

Conclusion

The Fiscal Year 2024-2025 budget allows us to maintain the highest-quality City services and programs for our residents, neighborhoods, and businesses. The budget reflects our commitment to long-term investments in our infrastructure, thoughtful development planning, and adapting our services to meet the changing needs of our community. Thanks to your leadership, the dedicated work of City staff, and the involvement of the Santa Ana community, it reflects a vision for Santa Ana's future.

Respectfully submitted,

City Profile

FY 24 -25 Adopted Budget

City of Santa Ana History

1868

Rancho Santiago de Santa Ana

The Decree of Partition of Rancho Santiago de Santa Ana was rendered September 12th, 1868, allotting to various parties parcels of land specifically described the undivided interest of Rancho formerly held. This map was recorded December 13th, 1870 in the office of County Recorder of Los Angeles County at the request of W.H. Spurgeon, which includes territory bounded on the North by Seventh street.

1886

The Santa Ana Police Department

The Santa Ana Police department was founded in June of 1886. Charlie Peters was appointed the head of the new force as the Town Marshall. The early duties of the department were responding to bar fights, arresting drunk buggy drivers, and lighting the Fourth Street gas lights at early dusk.

1889

Santa Ana Grand Opera House

Originally called French's Opera House, this grand three-story brick French's Opera House, located on the corner of Fourth and Bush Streets was constructed in 1889-1890 by local entrepreneur, Charles French. In 1896 the building was sold for \$ 20,000 and became the Grand Opera House.

1904

Santa Ana City Hall

The Santa Ana City Hall built in 1903 was located at the southeast corner of Third and Main streets. The building was severely damaged after the Long Beach earthquake of 1933. The building was demolished several years later due to a weakened foundation.

1910

Old Orange County Courthouse

The Old Orange Courthouse was built in 1900. This building bears resemblance to the style of courthouses seen in many mid-western cities and towns. A major restoration project took place and now the interior was historically restored to its original design.

1944

Mendez v. Westminster

Mendez v. Westminster was the first case to hold that school segregation is unconstitutional and violates the 14th amendment. The first-grade class at Hoover School in 1944 shows Sylvia Mendez third from the left on the first row.

1960s

Santa Ana Public Library

Santa Ana Public Library at 26 Civic Center Plaza in the early 1960's. Front view of the library with two young women sitting on the front lawn with books in hand. On the back of the postcard: "The new Santa Ana Public Library, dedicated in May 1960, contains 40,000 square feet."

1965

The Saddleback Inn

"Brunch in the Courtyard" The Saddleback Inn in 1965 was located next to the Santa Ana Zoo on First and Lyon streets. Guests were seated and served brunch while a band performed on this Sunday afternoon in August. The Saddleback Inn was a local retreat, which served both as a place to rest and be entertained.

City Profile

Incorporated in 1886, Santa Ana is located in Southern California adjacent to the Santa Ana River, within 10 miles (16 km) of the California coast. The City is part of the Greater Los Angeles Area which, according to the U.S. Census Bureau, is the second largest metropolitan area in the U.S.

Santa Ana is centrally located in Orange County and occupies 27.2 square miles. Santa Ana's population as of the 2020 census is 310,227 ([U.S. Census Bureau, April 1, 2020](#)). Santa Ana is the County Seat and second largest city in Orange County, and 13th largest in California.

The City's civic center complex serves as a governmental center that houses State and Federal Offices, County Administration, County Court functions, and the Ronald Reagan Federal Court House.

Santa Ana is home to a variety of attractions and amenities such as the world renowned Bowers Museum, the Discovery Science Center, and the Santa Ana Zoo which includes a variety of animal exhibits such as Amazon's Edge and the Fifty-Monkey Ferris Wheel. The Historic Downtown Santa Ana area encompasses many unique shops, premier restaurants, and art galleries.

Governing Body

The City is responsible for three legally separate entities which includes the Successor Agency to the Redevelopment Agency, the Housing Successor Agency to the Housing Authority, and the Santa Ana Public Financing Authority.

In 1952, the City was established as a charter city and adopted a council-manager form of government. Policy-making and legislative authority are vested in a governing City Council consisting of the Mayor and six Council members. The City Council is the policy-making body responsible for passing ordinances, adopting the budget, appointing committees, and appointing the City Manager, City Attorney, and City Clerk. The City Council is elected on a non-partisan basis. Council members serve a four-year term and are limited to three consecutive terms. The Mayor is elected at-large and has term limits of no more than four (4) two-year terms. As of the 2020 election, council members are now elected by Ward.

The City Manager is responsible for implementing City Council's policies and ordinances and for overseeing daily operations. Additionally, the City Manager is responsible for developing and recommending the City's annual operating budget which is then submitted to City Council for approval.

Local Economy

Santa Ana is home to approximately 30,000 businesses (as measured by business licenses issued). The top 25 businesses generate nearly 30% of the City's total sales tax revenue. The City has a solid retail base, anchored by Bristol Street Business Corridor, the Main Place Mall, the Santa Ana Auto Mall and the historic downtown with many independent restaurants surrounding a cultural artist village. The City's general economic base includes transportation, general retail, business to business, food industry, and construction. Transportation and general retail comprised of approximately half of the City's sales tax base. However, the top five sales tax segments in the city are restaurants, auto sales, service stations, building materials, and miscellaneous retail.

Unemployment

According to the State of California, May 2024 preliminary numbers, Santa Ana's unemployment rate is 3.2% (not seasonally adjusted). This is a very slight improvement from the prior year of 3.5% and a significant improvement from 2020 and 2021's COVID-19 pandemic era numbers. Since 2022, Santa Ana's unemployment rate has leveled out to a 3-year average of 3.3%.

Federal Opportunity Zone

In December 2017, the City of Santa Ana received a Federal Opportunity Zone designation of eleven census tracts encompassing approximately 25% of the City. The designation includes areas projected for future development, including the Santa Ana Regional Transportation Center (SARTC) and the route of the Orange County Transportation Authority's (OCTA) Street Car. These zones have the potential to boost the local economy if developers seize the opportunity use the federal tax incentives by December 2028 and support the City's role to create a business-friendly, safe and attractive environment. Each new business potentially results in new jobs, increased sales tax revenue and property values.

Local Economy

New Businesses

Chick-fil-A (Reopening)

Located at 3601 S. Bristol St., this Chick-fil-A location was closed temporarily for interior upgrades to the restaurant. The owner and team celebrated the Grand Re-opening of the restaurant in February 2024, revealing a modern and brand-new dining area for customers and a new state of the art kitchen.

Rosa Madera

Rosa Madera celebrated their grand opening in February 2024, bringing a new dining experience to Santa Ana by capturing the beauty and natural essence of Mexico through food, art, and music. Located at 2158 S. Bristol St., Rosa Madera offers a variety of foods and drinks that the community is sure to enjoy.

Rove

Rove, an electric vehicle charging company, announced plans to open 20 ultra-fast EV charging centers in Southern California. The Rove full-service charging center in Santa Ana will be located at 1008 E. 17th St. and will feature 40 DC Fast Chargers capable of charging any EV in as little as 20 minutes. While drivers wait for their charge to complete, they can enjoy onsite amenities, which include a ReCharge by Gelson's market, an eco-friendly car wash, 24/7 lounge with after-hours security, and dog walk. Their grand opening is expected to take place August 2024.

Givo Ice Cream

One of Santa Ana's newest businesses and ice cream shops began in Michoacán Mexico and opened it's first brick and mortar location in Santa Ana in March 2024. Located at 2525 Westminster Ave, this shop offers pastries, shakes, and a variety of ice cream and toppings.

Local Economy

Coming Soon

Dutch Bros

Dutch Bros has proposed to construct a 950 square-foot freestanding commercial building with a double drive-through located at 1819 N. Tustin Ave. Additional site improvements include a new parking lot, EV charging stations, and landscape improvements.

Raising Cane's

Raising Cane's, known for their quality chicken, great staff, and active community involvement, will be opening their second location in Santa Ana at 1303 N. Bristol St. It will include new construction of the eating establishment with drive-through window services and after-hours operation.

Better Buzz Coffee Roasters

Better Buzz Coffee Roasters will be located at 1601 N. Bristol St. and has plans to construct a new 1,628 square foot building to include a drive-through lane and outdoor dining

Les Brisket

Heritage Barbecue is expanding to Santa Ana's historic French Park this summer with a new concept called Les Brisket Hut. This taco and wine spot will showcase their famous smoked brisket on beef tallow tortillas, alongside smoked meats like pulled pork, barbacoa, and Texas hotlinks. They'll be part of the Santa Ana Diesel development, featuring converted steel huts for retail and dining spaces.

Tacos Los Cholos

Tacos Los Cholos has the highest ratings for Taquerias in Los Angeles, and they are expanding to Downtown Santa Ana at the Rafferty retail space located at 113 E. Fourth St. Tacos Los Cholos was established in 2019 and Santa Ana will mark their fourth location, slated to open in 2024.

Unhoused Community Support

The City continues to address the needs of the unhoused community by providing resources that address, limit, and prevent our neighbors from becoming unhoused. The City cannot single handedly eliminate this ever growing issue. As a result, the City collaborates with various cities, as well as the County. Internally, various City departments play a vital role in ensuring that there are several pathways to assistance, including the the provision of more permanent housing.

Four Point Homeless Strategic Plan

The City of Santa Ana established the four-point Strategic Plan to address the issues related to being unhoused. It is organized around the following four core strategies:

1. Clean: Reduce negative impacts on the community to ensure Santa Ana is clean and safe.
2. Outreach: Be persistent in our contact with anyone currently unhoused.
3. Housing: Reduce the number of Santa Ana's unsheltered community.
4. Communication: Have an engaged and informed community regarding the unsheltered, along with proposed solutions.

Response Teams

The City utilizes two outreach teams to help tackle : The Quality of Life Team and the Santa Ana Multi-Disciplinary Response Team (SMART).

Quality of Life Team

The Quality of Life Team (QOLT) is a multi-disciplinary team to address quality of life issues throughout the City. The team problem solves issues in the field, such as outreach services, encampment clean-up and enforcement action when necessary.

Santa Ana Multi-Disciplinary Response Team (SMART)

The SMART team is a pilot program between the City and the non-profit City Net. City Net provides outreach teams who are able to engage with individuals, on the streets, for the purpose of connecting to shelter, critical services, and mental health and medical treatment. It has allowed for expansion of trauma-informed case services and provides enhanced outreach. The purpose of the SMART team is to efficiently use City resources by diverting calls from the Police Department to SMART teams in the field. In doing this the SMART team is able to focus on all non-emergency calls and focuses on providing services, addressing mental health needs and helping more individuals transition out of being unhoused.

Unhoused Community Support

Navigation Center

The City of Santa Ana officially opened the Yale Navigation Center, a 24-hour shelter for local residents, in June 2022 as part of its commitment to helping the unhoused community. This facility offers a wide range of amenities and services, including a commercial kitchen, separate dormitories for men, women, and families, office spaces for case management and medical services, and an outdoor area for residents and their pets. To ensure a secure environment, guests are transported to and from the shelter, eliminating walk-in traffic. The center provides tailored supportive services to help residents transition into permanent housing and address underlying issues. The Yale Navigation Center aims to create a compassionate and effective solution to improve the quality of life for residents and the community.

CDA also focuses on implementing emergency and permanent housing solutions, managing State and Federal grant funds, and overseeing the Homeless Navigation Center and the Outreach and Engagement program.

The Santa Ana Police Department (SAPD) has dedicated 13 staff members as part of the Quality of Life Team (QOLT) that focuses on enforcement and outreach. The department handles over 15,000 related calls annually, collaborating with the Santa Ana Multi-Disciplinary Response Teams (SMART).

The Planning & Building Agency's (PBA) Code Enforcement Division addresses private property issues, such as illegal encampments and property maintenance, to prevent public nuisances with property owners.

The Public Works Agency (PWA) is responsible for cleaning and sanitizing public property in addition to sorting the private property of individuals in encampments.

FY 2020-21 to 2025-26 Strategic Plan

MISSION

To deliver efficient public services in partnership with our community, which ensures public safety, a prosperous economy, opportunities for youth, and a high quality of life for all residents.

5-YEAR VISION

By 2025, Santa Ana honors its rich cultural history as it becomes a thriving urban center with accessible green spaces, world-class amenities and services, as well as infrastructure. The efficient and financially stable City government will further diversify Santa Ana's housing stock and economy, bolster community safety, and support programs and services that residents' quality of life.

GUIDING PRINCIPLES

Collaboration

We actively engage and include community stakeholders.

Efficiency

We are a results- and performance-driven organization that continuously seeks to streamline operations and focuses on the productive use of resources.

Equity

We strive to provide equal and fair opportunity in the access and allocation of community resources.

Fiscal Responsibility

We utilize financial assets and resources in a prudent manner to ensure economic stability and growth.

Innovation

We promote a culture that encourages creativity and entrepreneurship in delivering valuable public services

Transparency

We provide information openly and hold ourselves accountable to the public regarding our actions and decisions.

Strategic Priorities & Goals

Financial Stability

Protect and enhance revenue streams while maintaining a healthy reserve balance to provide the expenditure of funds in support of the City's strategic plan priorities.

BALANCED BUDGET: Planned expenditures do not exceed expected revenues for the next 10 years by controlling labor costs, focusing spending on primary functions of the City and improving financial flexibility.

DEVELOPMENT: Entice developers to build attractive businesses and housing to increase property values, resulting in an overall 10% increase in assessed valuations over the next 3 years and increased tax revenue.

MODERNIZE: Reduce costs by 3% over the next 5 years by streamlining administrative processes and providing easy-to-access online services to operate efficiently.

Community Safety

Provide a safe environment for residents and visitors while reducing crime and addressing the impacts of homelessness on our quality of life.

RESPONDING TO THE UNHOUSED: Reduce the number of Santa Ana's unsheltered.

EMERGENCY POLICE RESPONSE: Reduce police response times to emergency calls for service.

SAFETY & PERCEPTION OF SAFETY: Enhance public safety by reducing and proactively targeting gang and violent crime.

COMMUNITY POLICING: Further implement community-based policing programming as a way of doing business. Continue enhancing transparency and community engagement practices.

21st CENTURY POLICE TRAINING: Focus on contemporary, best and "next" practices of de-escalation and liability-limiting techniques through the use of technology.

CRIME PREVENTION: Implement programs and facility/infrastructure improvements that will prevent crime and reduce the demand on Santa Ana Police.

Modern Facilities & Infrastructure

Ensure maintenance and preservation of City facilities and roadways to better serve residents and visitors.

PARKS MASTER PLAN: Develop and implement master plans for parks and facilities.

INFRASTRUCTURE MASTER PLANS: Develop and implement master plans for utilities, infrastructure and roadways.

Efficient City Services

Streamline and maximize the efficiency of service provision to ensure that engaging in business with the City is easier.

TECHNOLOGY MODERNIZATION: Enhance the City's capabilities to allow the public to access more services online.

EFFECTIVE, EFFICIENT, POLICIES & PROCESSES: Streamline policies and processes for staff and residents to reduce the time it takes to complete and access City services.

COMMUNICATION & OUTREACH: Aim to reach and engage all audiences through a variety of communication outlets.

Economic Diversification & Expansion

Enhance economic vitality by growing and expanding revenue streams, attracting quality employers, jobs, businesses and desired amenities.

REDUCE HOMELESSNESS: Reduce the number of unsheltered to reduce negative impacts on the community and to ensure Santa Ana is clean and safe.

INCREASE JOB OPPORTUNITIES: Increase the availability of quality jobs for Santa Ana residents by attracting and retaining businesses.

TOURISM & VISITORS: Create jobs and increase City revenue by attracting investments in tourism-based development that showcases Santa Ana as an international destination.

ECONOMIC DEVELOPMENT: Enhance Santa Ana's business-friendly environment to allow businesses to thrive.

Financial Structure, Policy & Process

FY 24 -25 Adopted Budget

Budget Process FY 2024-25

Budget Process

Budget Process Detail

The City's annual budget is prepared for a fiscal year that begins July 1 and ends June 30. The budget process is a perpetual and iterative operation that includes phases of formulation, adoption, implementation, adjustment, and oversight throughout the year.

- Budget instructions and budget assumptions (labor costs, internal charges, and indirect costs) are distributed to all departmental Budget Liaisons to incorporate within their respective budgets.
- The first funds to be forecasted are the internal service funds due to the impacts of the internal charges on general, enterprise, grants, and other restricted funds.
- From March to April, the budget team meets with department representatives to review, discuss & plan the anticipated goals such as Supplemental Budget Requests including workforce changes, Proposed New, Modified, or Deleted Miscellaneous Fees, and overall budgets for the upcoming Fiscal Year.
- Community budget meetings are held from February through April. Information about the General Fund revenues and expenditures, the Capital Improvement Program, and the budget process is provided and community input is gathered.
- In the month of May, the City Manager presents a draft budget and long-term financial outlook. The purpose of the outlook is to ensure that the City's financial environment is stable, efficient, and transparent, and to ensure the organization's long-term financial viability. The City's General Fund forecast takes into consideration several economic indicators, trend analysis, judgmental forecasting, and expert opinion of the City's consultants and staff.
- The Capital Improvement Program is presented to the Planning Commission for compliance verification to the City's General Plan. Based upon the City Council budget priorities, the Executive Management Team reviews operating budgets and Capital Improvements Program requests. The budget team evaluates and prioritizes the program requirements, determines funding availability, and develops a balanced budget. Final budget decisions are made according to the purpose, vision, and goals of the City.
- In the months of April through June, the City Manager conducts individual meetings with each City Council member for review of the budget and economic conditions overview. The purpose of the sessions is to support the preparation of the upcoming City Budget and provide a status of the current year's budget and preliminary projections of General Fund revenues and expenditures.
- A public hearing notice is published in a local publication in May and/or June. The updated budget is presented to the City Council during the public hearing and any new changes are incorporated into the budget. Copies of the line-item budget, as presented in this document, are available to the public in the City Clerk's Office, Main Library, and the City's website at <https://www.santa-ana.org/budget>.

Budget Process

- After the conclusion of the public hearing, the City Council may further consider the proposed budget and make any revisions thereof that it may deem advisable. On or before the 30th day of June, the City Council meets to adopt the proposed budget, as amended, by the affirmative vote of a supermajority (5) of the seven-member Council.
- The City Charter requires the City Council adopt a budget no later than July 31. Upon final adoption, the budget will be in effect for the ensuing fiscal year. The adopted budget becomes the authority for the various departments to expend appropriations, subject to controls established by the City Charter. A copy of the adopted budget, certified by the City Clerk, must be reproduced and copies made available for the use of all officers, offices, departments, and other agencies of the City and for the use of civic organizations.
- The City can amend the budget during the fiscal year by an appropriation adjustment. This action requires a supermajority Council vote, at least five affirmative votes. The need to amend or adjust the budget typically arises in response to unforeseen circumstances or events. If the request for an appropriation adjustment is a shift of budget between two different departments and/or involves more than one fund, City Council approval is required. The City Manager has the authorization to amend City Council–approved appropriations if the amendment is to shift budget within a single department and fund. The City Manager is not authorized to increase the overall budget.

Financial Policies

The policies in this section are based on longstanding City policies and practices, and recommendations developed by the National Advisory Council on State and Local Budgeting whose founding members include the International City and County Managers Association (ICMA), Government Finance Officers Association (GFOA) and California Society of Municipal Finance Officers (CSMFO). They are presented in the following order:

- City Council Adopted Policies
- Internal Policies
- Standard Operating Procedures

CITY COUNCIL ADOPTED POLICIES

- Annual Statement of Investment Policy (Adopted June 18, 2024)- Finance staff continually analyzes the City's investment portfolio and act to safeguard assets and maintain liquidity, while earning a reasonable rate of return. Treasury staff conducts an annual review of the City's Policy document to evaluate compliance. This analysis includes review of applicable Federal and State regulations, industry standards and best practices to determine if any enhancements or newly adopted rules and regulations are required to be incorporated within the document. As a result, periodic revisions to the investment policy are recommended to the City Council which adopts the policy annually.
- Unfunded Employee Pension Liability Cost Reduction Policy- With a continuous rise in pension costs, the City explored alternatives to reducing pension liability. Establishing a City Policy was the first step in addressing pension liability which included two strategies: 1) Contribute more than required to reduce the accrual of interest; or 2) Refinance the liability, which is a legal debt of the City, at a lower interest rate. The outcome of this policy led to the City refinancing a portion of its unfunded liability costs in 2022, with estimated long-term savings of \$138 million.
- Debt Management Policy- The City's Debt Management Policy is intended to comply with California Government Code Section 8855(i), which requires municipalities that issue debt to develop and apply debt management policies to ensure that debt is issued and managed prudently. The policy applies to all the Santa Ana Issuers, which include the City of Santa Ana, the Santa Ana Financing Authority, and the Successor Agency to the Santa Ana Redevelopment Agency.
- Budget & Reserve Policy- The Budget and Reserve Policy provides direction on balancing the budget (e.g. General Fund), information to support long range financial decisions, and reserve requirements. The General Fund is the City's discretionary fund and provides for numerous activities such as Parks and Recreation Programs, Library Services and Public Safety. The current minimum reserve is 18% of annual recurring revenue and is projected to be \$73.2 million for FY 24-25 in accordance with this policy. Other target reserve levels are established for internal service funds and are also evaluated annually.

Financial Policies

CITY COUNCIL ADOPTED POLICIES (Continued)

- **Legal Level of Budgetary Control-** The City Council adopts the budget one fiscal year at a time. Per Section 609 of the City Charter, expenditures are appropriated to offices, agencies, and departments, which are all functional departments. Therefore, the legal level of budgetary control is by functional department and fund. The City Council can amend the budget throughout the year with a two-thirds vote of the Council.

Overview of Santa Ana

Financial Policies

INTERNAL POLICIES

- Accounting, Auditing & Financial Reporting Policies- The accounting system maintains the City's financial records on a basis consistent with Generally Accepted Accounting Principles (GAAP) applicable to local government. These reports consist of
 - A financial report entitled Revenue Ledger Detail -All Funds updated monthly to show revenue activity by fund.
 - A financial report entitled Expense Ledger Detail All Funds updated monthly to show expenditure activity by fund.
 - The Annual Comprehensive Financial Report is prepared at the end of each fiscal year to account for the City's financial transactions for the year, including details of the actual revenue received and appropriations expended by major types of funds. The report includes the audited financial statements and statistical information.
 - In accordance with state law, an Investment Report is prepared on a monthly basis to account for the amounts, placements, and yields of the City's invested funds with quarterly reports presented to City Council at regular public meetings. In accordance with state law, an independent certified public accounting firm will perform an annual audit of the financial statements of the City and issue an opinion therein.

- Basis of Budgeting- Budgets for all Governmental Funds are prepared on a modified accrual basis. Revenues are recognized as soon as they are both measurable and available. Revenues are considered available when they are collectible within the period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under full-accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

- Purchasing Policies- Purchases must be in accordance with all federal, state, and municipal requirements. If there are no specific requirements, purchasing is in the best interest of the City and meet the following criteria:
 - Purchases must be impartial, competitive, and efficient.
 - Purchases must be from the lowest priced and most responsible vendor. Qualitative factors such as vendor reputation and financial condition will be considered, as well as price, for public works projects and service agreement where the City wants to ensure construction / maintenance / service companies are reliable and financially solvent
 - It is preferable to purchase from vendors who maintain a place of business within the City.

Financial Policies

INTERNAL POLICIES (Continued)

- Revenue Policies - Revenue policies must adhere to the following criteria:
 - The City will endeavor to maintain a diversified and stable revenue system to shelter it from short-term fluctuation in any one revenue source
 - The City will estimate City annual revenues by an objective, conservative and analytical process
 - The City will strive to establish user charges and fees to recover the cost of providing services to individuals and annually review the full cost of activities supported by user fees to identify the impact of inflation and other cost increases.
- The City will set fees and user charges for each Enterprise Fund, such as water and refuse, at a level that fully supports the total direct and indirect costs of the activity, as well as capital rehabilitation.
- Non-recurring revenues will be used only to fund non-recurring expenditures.
- The City will prepare annually a multi-year financial outlook of the General Fund.

Financial Policies

OPERATING PROCEDURES

- The annual budget process will be the general method used by the City to develop annual service levels and determine the type of resources needed to fund those service levels.
- The City will seek to avoid budgetary procedures that balance current expenditures at the expense of meeting future years' expenses, such as postponing expenditures, or rolling over short-term debt.
- The budget will include funding for the costs of services and goods for the current fiscal year. If funding for a particular service or good is determined to not be appropriate for a given year, the budget will disclose that and include a discussion of those costs that were not fully funded.
- The City will annually prepare a multi-year financial outlook of the General Fund.
- Budgetary and accounting procedures will conform to Generally Accepted Accounting Principles (GAAP) for government agencies.
- The City of Santa Ana utilizes a modified accrual basis for Accounting & Budgetary financial purposes.
- Provisions will be made for adequate maintenance of capital facilities and equipment and for their orderly replacement, within budgetary limits.
- Since expenditures for capital and infrastructure often have an impact on operating costs, one-time capital costs, ongoing net operating costs, and replacement costs (end of lifecycle) should all be considered in the budget development process.
- The budget will provide for adequate funding of the employee retirement system in accordance with contractual commitments.
- The City will maintain a budgetary control system to help City Staff adhere to the budget.
- The City will be held accountable for ensuring department expenditures stay within budget appropriations.
- Changes to the budget and service levels during the fiscal year will be minimal. Changes classified as routine will be typically limited to technical adjustments, time sensitive issues and/or opportunities such as any new grants/awards that must be spent within the fiscal year.
- The City will submit quarterly reports to the City Council comparing General Fund actual revenues and expenditures to budget amounts.
- All requests for City Council action which have a financial impact on the City and/or its various funds shall be reviewed and approved by the Executive Director of Finance and Management Services before such requests can be included in the City Council agenda.
- Requests for new and/or additional positions will only be considered during the City's annual budget process and may be considered during quarterly budget updates. New positions and/or upgraded positions approved as of part of the budgetary process shall be reviewed to determine the appropriateness of the assigned classification and/or salary structure.
- Where possible, the City will integrate performance measurements, service level and productivity indicators in the City's published budget document.
- The City will provide a financial impact analysis of all policy initiatives, service changes, and new programs or projects.
- The City will aggressively seek state and federal funds that are available for capital projects.
- Enterprise funds will remain self-supporting where ongoing revenue meets operating expenses.

B. In accordance with Section 606 of the City Charter, a public hearing has been held upon the proposed budget of expenditures after notice of such public hearing had been published in the manner prescribed in Section 606 of the City Charter.

C. The proposed budget of expenditures duly submitted and considered as herein stated, together with any supplemental revisions and amendments thereto, was approved, adopted, and fixed by the City Council as the budget of the City for fiscal year 2024-2025, commencing July 1, 2024, in the amounts and for the funds, purposes, functions, department activities, and programs as therein set forth, including the Seven-Year Capital Improvement Program update per Orange County Transportation Authority Measure M2 eligibility requirement. The adopted budget, including any supplemental revisions and amendments, together with a copy of the appropriation ordinance, shall be placed in the official files of the City Clerk.

Section 2. There are hereby appropriated to the several offices, agencies, and departments of the City, being the respective object and purposes specified in that certain document entitled "Fiscal Year 2024-2025 City Budget", a copy of which is on file in the Office of the City Clerk, out of the various funds of the City for fiscal year 2024-2025, the several amounts stated as proposed expenditures from such funds, respectively, in those columns of the Budget that are headed "FY 24-25". Each aggregate of expenditures so specified in the Budget for the fiscal year for each program shall be deemed to be an appropriation for a single object and purpose within the meaning of Section 609 of the City Charter, except that as to any office, department,

or agency of the City for which more than one program is designated in Fiscal Year 2024-2025 City Budget, the aggregate expenditure authorized for all programs in Fiscal Year 2024-2025 City Budget of each such office, department, or agency shall be deemed to be an appropriation for a single object and purpose within the meaning of Section 609 of the City Charter.

Section 3. The appropriations hereby made shall constitute the maximum expenditures authorized for the several offices, agencies, and departments opposite which the amounts of such appropriations are shown in the Budget, and as set forth in Exhibits 1A and 1B attached hereto and incorporated herein by reference.

Section 4. No warrant shall be issued or indebtedness incurred for any purpose that exceeds the unexpended balance of the appropriations established by this ordinance, unless such appropriation shall have been amended or supplemented by the City Council in the manner set forth in Section 609 of the City Charter. The City Manager is hereby authorized to make revisions between the items included within any such appropriation if, in his/her opinion, such revisions are necessary and proper.

Section 5. In accordance with Governmental Accounting Standards Board Statement 54, the City Manager or his/her designee is hereby authorized, as of the date of this ordinance, to allocate assigned governmental funds' balances to specific programs and activities as deemed necessary and proper.

Section 6. The Executive Director of Finance and Management Services is hereby authorized to transfer monies in accordance with the Inter-fund Transfers listed in the Budget, in such amounts and at such times during the fiscal year as he/she may determine necessary to the competent operation and control of City business, except that no such transfer shall be made in contravention of State law or City ordinance or exceed in total the amount stated herein or as amended by the City Council.

Section 7. One certified copy of this appropriation ordinance together with a certified copy of each amendment thereto shall be transmitted by the City Clerk to the Executive Director of Finance and Management Services.

Section 8. The City Council of the City of Santa Ana hereby adopts the updated Seven-Year Capital Improvement Program, as set forth in the 2024-2025 City Budget.

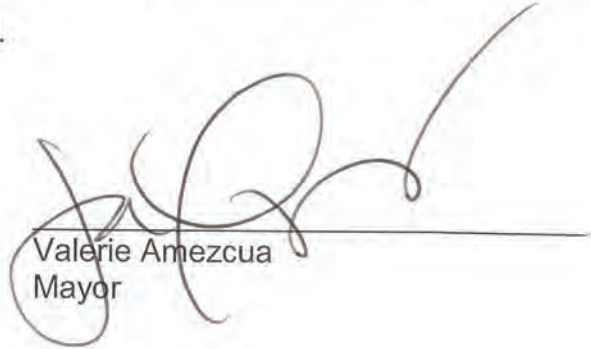

Section 9. Upon and from the effective date of this ordinance, expenditures of monies appropriated hereby are authorized beginning July 1, 2024.

Section 10. The City Clerk shall cause the title of this ordinance to be published as required by law.

Section 11. All presently applicable documentation pertaining to the number, titles, qualifications, powers, duties, or compensation of officers or employees of the

City, which has been previously approved by resolution or order of the City Council and which is currently on file with the Executive Director of Human Resources, is incorporated herein and is hereby approved. The City Manager is authorized to create, alter, or abolish any position of employment, or the number, title, qualifications, powers, duties, or compensation thereof, when such action is appropriate to promote the efficiency of the City administrative organization; provided, however, that no such action shall be effective unless and until approved by resolution or order of the City Council.

RESOLUTION NO. 2024-029

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA ANA ESTABLISHING THE APPROPRIATION LIMIT OF THE CITY OF SANTA ANA FOR FISCAL YEAR 2024-2025

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SANTA ANA AS FOLLOWS:

Section 1. The City Council of the City of Santa Ana hereby finds, determines and declares as follows:

A. Article XIII B of the Constitution of the State of California, adopted by the voters of the State of California in 1979, imposes upon State and local government the obligation to limit each fiscal year's appropriations to those established in fiscal year 1978-79 as adjusted for by inflation and population, together with other specified changes required or permitted.

B. In June of 1990, the voters of the State of California approved Proposition 111, which amended Article XIII B to establish the limit originally calculated for fiscal year 1986-87 as a new adjustment base, and to change the definition of the cost of living to be either the percentage change in California per capita personal income from the preceding year or the percentage change in the local assessment roll from the preceding year for the jurisdiction due to the addition of local non-residential new construction.

C. Proposition 111 further modified Article XIII B requirements by making certain capital outlay, debt service, emergency and court ordered expenditures not subject to the limit, and by allowing expenditures in excess of one year's limit to be offset by under expenditures in an immediately following year.

D. The City of Santa Ana has opted to use as the inflation adjustment factor the percentage change in the California per capita personal income from the preceding year.

E. The City of Santa Ana has opted to use as the population adjustment factor the County's percentage change in population from the preceding year.

F. Section 7910 of the Government Code of the State of California requires the governing body of each local jurisdiction each year to, by resolution, establish its appropriations limit and make other necessary determinations for the following fiscal year pursuant to Article XIII B of the California Constitution at a regularly scheduled meeting or noticed special meeting. Fifteen days prior to the meeting,

documentation used in the determination of the appropriations limit and other necessary determinations shall be available to the public.

G. This matter came before the City Council at its regularly scheduled meeting of June 18, 2024.

H. The Executive Director of the Finance and Management Services Agency of the City of Santa Ana has determined the City's appropriation limit for fiscal year 2024-2025 in accordance with said provisions of the Constitution and laws of the State of California, and the documentation used in the determination has been available to the public since not later than June 3, 2024, in the office of the Executive Director of the Finance and Management Services Agency.

Section 2. Based upon the above referenced facts, and all facts specified in the accompanying Request for Council Action and its attachments, and each of them, the appropriation limit of the City of Santa Ana for fiscal year 2024-2025 is hereby found and determined to be \$1,427,985,554.

Section 3. This Resolution shall take effect thirty (30) days after its adoption by the City Council, and the City Clerk shall attest to and certify the vote adopting this Resolution.

ADOPTED this 18th day of June, 2024.

*In FY23-24, the City changed its methodology for calculating full-time headcount. All full-time headcount is now calculated based on authorized positions, regardless of funding status.

These workforce changes include full-time position additions, deletions and reclassifications. The workforce increases and changes enables allows City departments to continue operating at near capacity.

The FY24-25 budget includes a net increase of 5 full-time authorized positions from FY23-24. The staff increases are mostly attributed to the expansion of workforce development, housing, and economic development programs. In addition, the City eliminated American Rescue Plan Act (ARPA) funded vacant positions in various departments that are no longer needed and has built in 6 months of one-time funding in the FY24-25 budget to support positions no longer eligible for ARPA funding after December 31, 2024. These six months provide ARPA-funded employees with adequate time to obtain other positions in the City or pursue other opportunities.

Budget Overview & Highlights

FY 24 -25 Adopted Budget

Budget in Brief

The City of Santa Ana is a vibrant community in Orange County, California with a youthful population of more than 300,000 and a diverse economic base. This Budget-In Brief is designed to give you, the reader, a quick overview of the annual budget that begins on July 1, 2024 and ends on June 30, 2025. The City is governed by a policy making City Council elected by ward and a Mayor elected at large. Operations are structured by functional department overseen by a professional City Manager. Budget priorities are guided by a 5-year Strategic Plan adopted by the City Council in 2020. More information can be found in the detailed budget document on the City's website at <https://www.santa-ana.org/budget/>.

Significant Changes

Overall, the Citywide budget did not significantly change from the prior year. Restricted revenue sources fluctuate yearly based on grant awards from state and federal agencies and the capital project priorities for the year, hence why we see a decrease in this fiscal year's adopted budget. The decrease in General Fund expenditures, was largely due to the pay off of the Jail Holding Facility debt. The detailed budget document includes a full reconciliation of the changes to the General Fund, located in the Table of Contents.

Changes from proposed to adopted budget on June 18, 2024:

- Removal of \$1.66M in General Fund subsidies from Parking Enterprise
- Removal of \$35K budget allocation for City's membership to Association of California Cities - Orange County (ACC-OC)

Fund	FY22-23 Actual	FY23-24 Adopted Budget	FY24-25 Adopted Budget

¹ Estimated balance of \$93,209,914 presented during the Budget Public Hearing on June 4, less \$7,748,811 transferred to the Pension Stabilization Account in prior years. Contributions to the Pension Stabilization Account are not expenditures. These contributions are set-asides of money for future pension costs, making them no longer available for general spending.

² Transfers to/from other funds are primarily for debt service, capital projects, and two-thirds of Cannabis business tax set-aside for public benefit. A full reconciliation of inter-fund transfers is available under the Fund Transfers Summary (page 21).

Measure X Local Sales Tax Rate

In November 2018, Santa Ana voters approved Measure X: the Santa Ana Neighborhood Safety, Unhoused Community prevention and Essential City Services Enhancement Measure. Measure X became effective April 1, 2019 and levied a local 1.5% sales tax rate, decreasing to 1.0% in 2029, then sunsets in 2039. Vital goods like groceries, gasoline, medication and housing are exempt from this tax.

Measure X funds general city services including, but not limited to: emergency response services, unhoused community, fixing potholes and streets, keeping up parks, and maintaining senior services, after school programs and graffiti removal.

Prior to April 1, 2019

Effective April 1, 2019

Use of Measure X

The ballot language called for the use of Measure X funds “To maintain effective 9-1-1 response; retaining firefighters and police officers; addressing the unhoused community; fixing streets, maintaining parks, and youth and senior services, and unrestricted general revenue purposes.”

The City’s Measure X captures a larger share of sales tax from online sales and less reliance on the transportation sector in comparison to the State of California.

The City generally prepares a Measure X spending plan in excess of estimated Measure X revenue, in case the actual revenue is more than expected, the spending plan will be backfilled by other General Fund revenue if it exceeds actual Measure X revenue.

Overview of City's goals related to the Measure X revenue use:

Increase the efficiency & effectiveness of emergency response services by retaining firefighters, police officers and paramedics – according to the FBI's Information Services Division, cities with a population over 250,000 in the Pacific region of the United States have an average of 1.8 sworn officers per 1,000 residents. Effective July 1 , 2024, Santa Ana has 382 funded positions which is 1.23 per 1,000 residents, less than the regional average.

Address the unhoused community epidemic – Santa Ana bears a disproportionately large burden of the unhoused population in the region, due to being the county seat, with county-provided social services. Using local revenue to address the issue will ensure that our residents will benefit directly from this investment. The Homeless Evaluation Assessment Response Team (H.E.A.R.T.) Program focuses exclusively on the unsheltered, individuals and families, and addresses the problem in its entirety through immediate needs and long-term effects.

Fix and maintain roads and parks – The City’s latest Pavement Management Plan (PMP) assessed the condition of City roadways with an average Pavement Conditions Index (PCI) score of 75 out of a possible 100. A score of 75 is in the fair, but not excellent range. To help improve this score, the City allocated \$9.08M from the Measure X spending plan for fixing and maintaining streets.

Cannabis Public Benefit Fund

In December 2018, the City Council adopted [Ordinance NS-2959](#) to establish the Cannabis Public Benefit Fund (CPBF) for youth and enforcement services. The revenue source is two-thirds of the Cannabis business tax collected from adult-use retail sales and supply activities such as cultivation, manufacturing and distribution. The remaining one-third of the tax remains in the General Fund.

In October 2022, City Council took two actions:

- 1.Reduced the Cannabis industry tax rates
- 2.Adopted a Qualified Social Equity designation for a further 2% tax rate reduction. Qualified Social Equity practices include paying prevailing wages, hiring from disadvantaged communities, supporting local non-profit organizations and skills training for employees.

For FY2024-25, the adopted CBPF is \$9.4 million, a reduction of \$0.37 million from FY2023-24. Although these rate decreases led to a reduction of the annual CBPF transfer, staff ensured there were no service level disruptions while also rebalancing the spending between youth services and enforcement services to make it a more equitable split. Spending on youth programming increased from 42.6% to 46.8% of the CBPF total, while spending on enforcement decreased from 57.4% to 53.2%. This rebalancing directly aligns with community priorities to increase spending on youth. Summaries of spending follows on the next page.

Citywide Appropriations

City Council appropriations of resources are budgeted expenditures. Citywide appropriations across all funds for FY24-25 amount is \$734.1 million (M) and the pie chart on the next page illustrates the different areas of expenditures. This does not include internal service funds, which account for costs charged between departments. Total appropriations this upcoming fiscal year decreased by 4%, when compared to FY23-24. A major component of this minor decrease primarily resulted from City's full repayment for the Jail Holding Facility debt.

An illustration of the citywide budget, by fund type, is shown on the next page. Examples of spending for each fund type follow.

- The unrestricted General Fund is the largest segment of the budget with appropriations and transfers to other funds for debt service totaling \$406.8M or 55% of the citywide total. The City uses its unrestricted revenue primarily for Public Safety (54%) and Public Works (13%).
- Enterprise Funds, funded by user fees, represent 17.5% and is the second largest budget segment of the citywide budget totaling \$128.2M. Programs funded from the Enterprise Funds include Water (\$72.1M), Refuse (\$25.2M), Sanitary Sewer (\$11.7M), Sanitation (\$8.7M) and Parking Operations (\$5.1M).
- Grant Funds from other government agencies and Other Restricted Funds represent a combined 19.01% of the citywide budget totaling \$139.6M. Programs funded by grants include Housing Authority (\$64.7M), Community Development Block Grant (\$5.9M), and the Workforce Investment Act (\$2.7M). The largest programs funded by Other Restricted Funds include Successor Agency Funds (\$24.2M), and the Gas Tax (\$16.2M).
- Capital Funds and self-restricted General Fund money represent a combined 6.35% of the citywide budget totaling \$46.6M. Major programs funded by Capital Funds include Traffic Safety Management Program (\$5.6M), Sanitary Sewer Capital (\$2.0M), and Measure M Street Construction (\$6.7M). Programs funded by self-restricted General Fund money include Cannabis Public Benefit (\$9.4M) and City Services (\$3.3M).
- Debt Service Fund of \$12.9M represents 1.76% of the citywide budget, which are bond debt service payments funded by Governmental Funds. The payoff of the Jail Holding Facility debt in FY23-34 resulted in a net savings for the Debt Service Fund in FY24-25.

Adopted Citywide Budget: \$734.1M

General Fund Revenue: \$406.5M

Source Overview

General Fund revenue can be used for any purpose and includes voter-approved taxes, cost recovery fees, and fines. This section includes detailed information for Sales Tax, Property Tax, Utility Users' Tax, Hotel Visitors' Tax, and Business Tax, which represent 72% of General Fund revenue. Sales Tax and Property Tax continue to be the primary revenue sources for the General Fund, accounting for 59% of the budget.

***Cannabis Revenue Includes:**

Adult-Use Retail Tax (\$15.1M), Commercial Cannabis Taxes (\$416K), Medical Marijuana Tax (\$528K).

****Other GF Revenue includes:**

Fines, intergovernmental, investment on earnings & miscellaneous income

Revenue Overview

Projected General Fund revenue for FY2024-25 is \$406.5 million, representing an increase of \$5.6 million or 1.4% in comparison to FY2023-24. Overall, General Fund revenue is flat with the exception of Jail revenue. Jail revenue estimates were decreased due to ongoing challenges with staffing and deferred maintenance, preventing the jail from operating at full capacity.

General Fund revenues are projected to be slightly lower (\$245K) than the adopted General Fund expenditures due to use of Fund Balance for one-time projects only such as critical City infrastructure projects (e.g., pavement maintenance, sidewalks, traffic signals) and Zoo enhancements. When factoring out these one-time items, the General Fund budget is balanced.

Sales Tax

Everyone who shops or dines pays a sales tax on the transaction. There is a statewide levy, as well as allocations for counties and cities. As discussed in the Measure X section of this budget narrative, the City's voters approved a local add-on of 1.5% that became effective April 1, 2019. The local add-on decreases to 1.0% on April 1, 2029 and sunsets completely on April 1, 2039. A break-down of the total 9.25% tax currently paid in Santa Ana follows.

Sales tax is a revenue source that is susceptible to economic fluctuations. During the Great Recession of 2009, the City's sales tax decreased by 14%. For over a year, economists have been worried that high interest rates and stringent monetary policies could push the U.S. economy into another recession. As reported by Forbes in June 2024, "The New York Fed's recession probability model suggests there is still a 50% chance of a U.S. recession sometime within the next 12 months." The FY24-25 budget has been adjusted to reflect lower tax receipts across various economic sectors. This downward trend is projected to persist into the latter part of 2024. Throughout FY24-25, City staff will continue to watch economic indicators closely and use the quarterly budget reports to make adjustments to revenue estimates, if needed.

Even though this tax category accounts for 36% of the City's General Fund revenue, there are two mitigating factors that will help the City maintain service levels in the event of a recession. First, the City's sales tax base is diversified. In some recession scenarios such as the COVID pandemic, restaurant sales may suffer and business-to-business sales may increase. The second mitigating factor is the City's General Fund Reserve. The City Council adopted a policy to ensure we maintain a General Fund balance equal to at least 18% of annual recurring revenue. For FY24-25, that amount is \$73.17 million, which can be used for emergencies or to help get through a recession.

Sales Tax

The pie chart listed above shows a breakdown by percentage of where the City of Santa Ana gets its sales tax. Our biggest source of revenue income comes from transportation followed by general retail sales and business-to-business transactions.

A ten-year trend of the City’s Bradley-Burns allocation follows. Although the overall trend is upward, there is economic fluctuation, as seen in FY19-20 with COVID pandemic impact. More recently, Sales Tax has continued on a downward trend, with lower tax receipts across most economic segments, particularly in general retail and transportation (i.e. New Auto Sales). In response, we have estimated a slight decrease in revenue for FY24-25 (-4.7% for Bradley-Burns and -3.4% for Measure X). This decrease reflects the challenges consumers are attempting to balance among higher prices and financing costs with essential needs.

Sales Tax

The Measure X tax rate became effective April 1, 2019, which means there were only 3 months of revenue collections in FY18-19. There are some differences in how the two taxes are collected. The City receives a much larger benefit from online sales with the local add-on tax; which is why we do not see the same COVID pandemic impact in FY19-20, as online sales grew during the pandemic.

Property Tax

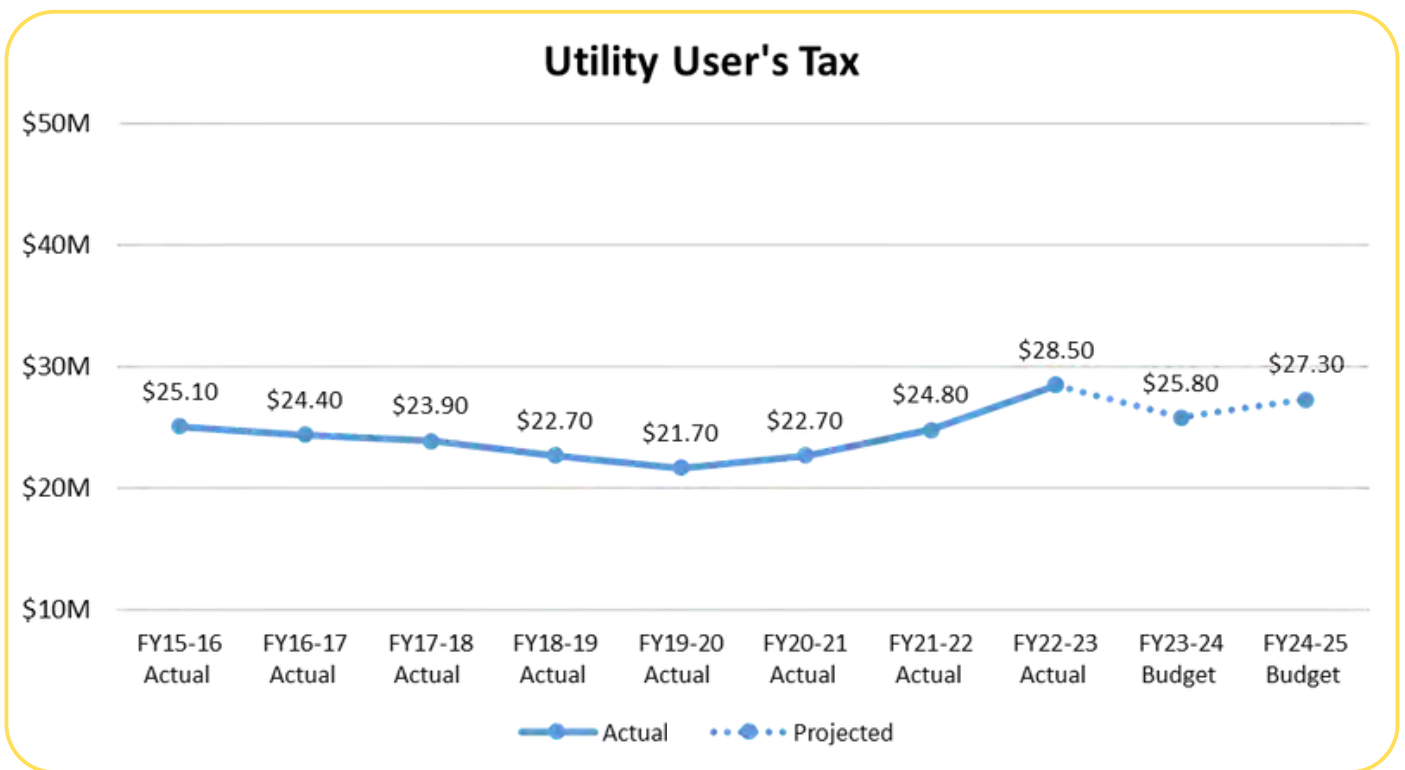

The property tax is an ad valorem tax (a tax levied according to property value) imposed on real property, which includes land and permanently attached improvements, such as buildings and tangible personal property with the state of California. Three county agencies are involved with administering the property tax; the Assessor, the Auditor-Controller and the Tax Collector. The City receives only approximately 19% of the tax paid by property owners.

Increases in property taxes result from property changing ownership, new construction and a maximum annual increase of 2% in property assessments. Using trend analysis in tandem with city consultant projections, the City expects to receive \$92.8 million for FY2024-25, a 5.01% increase over the prior year. This growth is largely attributed to the strength of both residential sales and construction and industrial asset growth. Sales prices have continued to exceed prior year levels, but not exceeding economic trends growth, more recent data indicates there is a flattening of sales and/or less growth in the coming years.

Utility User's Tax

The City’s voters approved a Utility User’s Tax (UUT) for telephone, electric, gas and water services. The tax rate is 5.5% of utility charges. The City’s revenue fluctuates when utility prices or utility usage change. Southern California Edison’s multiple rate increases in 2023 calendar year led tax receipts to be higher than originally anticipated. Telephone-related revenue has been decreasing over the years due to competitive bundling and the migration away from land-lines. Without this offset, the overall Utility User’s Tax would have a consistent upward trend.

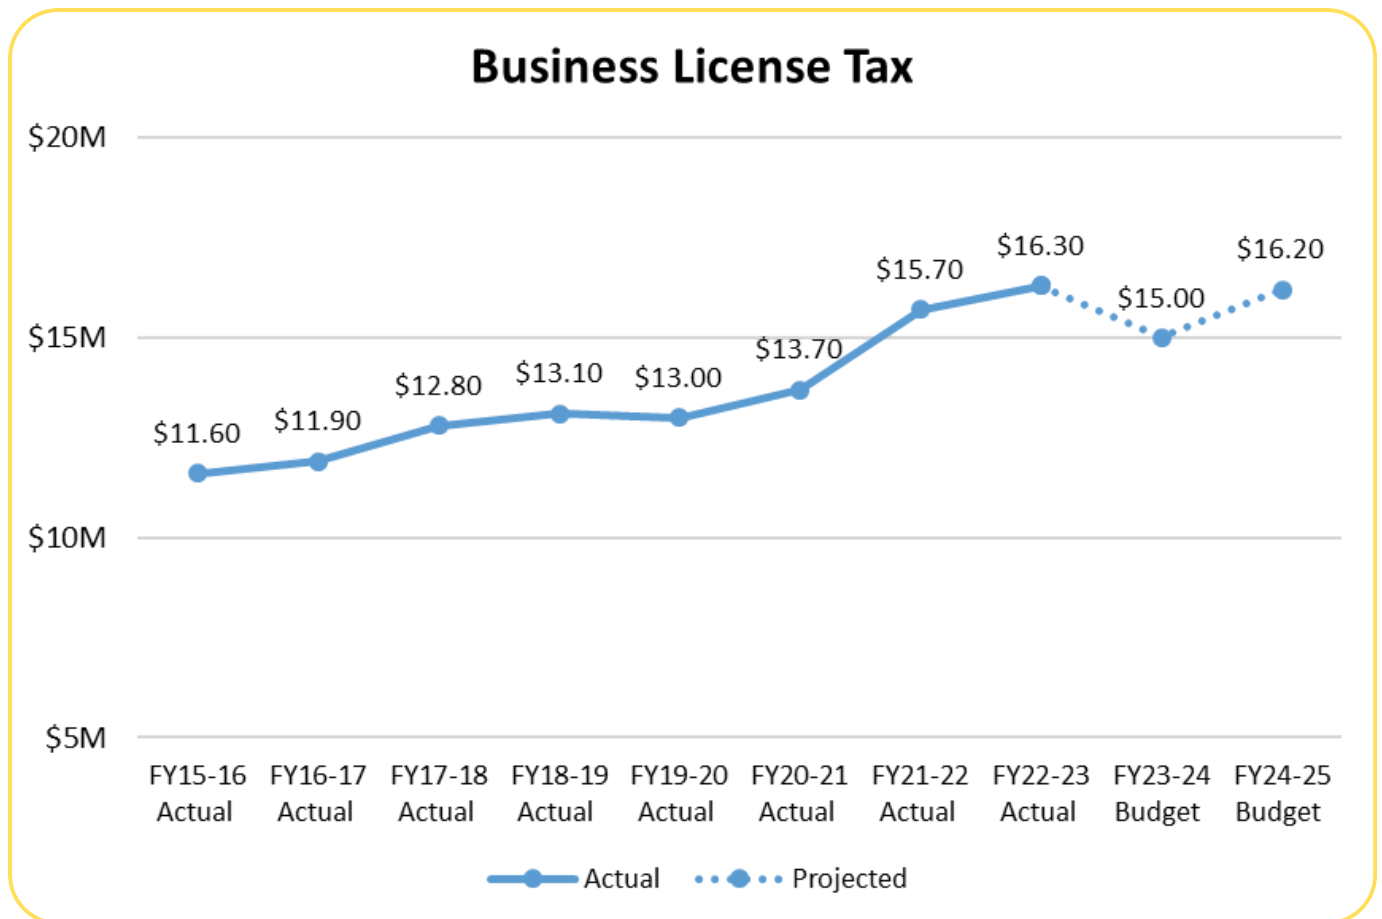

Business License Tax

The City’s voters approved a Business License Tax (BLT). It’s a non-regulatory tax designed to raise General Fund revenue from the business community. In November 2022, the City’s voters approved amendments to make the tax more equitable across all business sizes, streamline some of the tax calculations, and provide a tax holiday in 2023 from past years taxes and penalties to encourage business compliance. The new tax rate structure became effective January 1, 2023.

The estimates for the adopted budget for the FY23-24 were \$15.0M showing a roughly 8 percent decrease from the prior fiscal year; however, the projected adjusted revenue is \$16.0M, aligning closer to the prior fiscal year actuals. The last five years, including FY24-25, have an average of a five percent increase annually.

Some business types pay a percentage of their gross receipts and some business types pay a flat-dollar tax rate. Economic fluctuations will affect the revenue trend, but to a lesser degree due to the variety of business types and calculations. The flat-dollar taxes do increase by an inflation factor each year. In addition, staff periodically pursues proactive enforcement of the tax using information obtained by the State of California, which can boost the City’s revenue.

Hotel Visitor's Tax

The City's voters approved an increase to the Hotel Visitors Tax (HVT) from 9% to 11% in 2004. The 11% tax is charged to hotel/motel customers for stays of 30 days or less; which means most Santa Ana residents do not pay this tax. The hotel operator collects the tax from the customer and sends it to the City. The tax only represents 2% of General Fund revenue, but it is very susceptible to economic fluctuations. During the COVID-19 pandemic, hotel business decreased significantly, but has since rebounded.

General Fund Expenditures

The General Fund supports basic city services such as public safety (Police & Fire/EMS), community services (Library & Parks & Recreation), and providing the necessities (streets, sidewalk maintenance, building safety & land-use policies). General Fund appropriations for FY2024-25 total \$406.8 million, which represents a 1.74% decrease over the adopted FY2023-24 budget.

Below are the most commonly community-identified budget priorities, which were recorded during spring 2024 using online citizen engagement tools, a citywide survey, in-person community forums, Listening Tour stops and City Council direction. Spending for the Unhoused, City infrastructure projects and youth programs were all identified as the top community priorities. Similar to other municipalities throughout the country, Public Safety accounts for 54% of General Fund appropriations. A majority of spending (60%) for or the Unhoused Community is provided through local, state and federal grants, not via the General Fund (40%). The same also applies to spending on the City's infrastructure, while youth programming is predominantly budgeted in the General Fund. Below is a list of the top four community priorities with General Fund contribution totals.

- **Public Safety:** \$212.8M
 - Police, Fire & Emergency Medical Services Departmental Budgets (excluding Public Safety Response for the Unhoused Community)
 - Position dedicated to police recruiting
 - Ambulance cost increases to maintain current service levels
- **Spending for the Unhoused Community:** \$10.39M
 - Public Safety Response
 - Encampment Clean-Ups
 - Navigation Shelter maintenance
- **City Infrastructure Projects:** \$9.8M
 - Recurring allocation to replace sidewalks, address potholes
 - Traffic signal equipment replacement
 - Pavement maintenance and road repairs
 - Increased maintenance costs for new parks
- **Youth Programs:** \$3.5M
 - Police Athletic & Activity League (PAAL)
 - Library and recreational program offerings

General Fund Expenditures: \$406.8M

General Fund Expenditure Trends

The General Fund is the primary operating fund of the City. It accounts for spending from all unrestricted revenue. For example, property tax revenue is not restricted and can be used for services that benefit the general public; such as police, fire and park maintenance. General Fund spending includes directly-charged amounts and transfers to other funds for items such as debt payments, the Cannabis Public Benefit Fund, and general liability costs.

FY2024-25 General Fund budgeted expenditures decreased 1.74% from FY2023-24. This decrease was primarily driven by the paying off of the Jail Holding Facility debt.

Much of the historical growth of General Fund spending has and continues to be directly related to labor negotiations and contract increases, such as the maximum annual 4.5% increase for the Orange County Fire Authority contract.

The following is a ten-year summary of General Fund spending.

Public Safety Trends

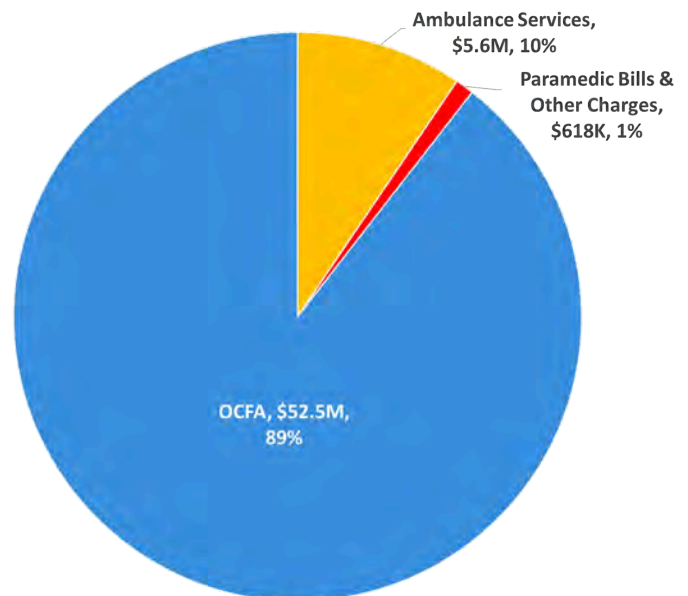

Public safety expenditures comprise the Police Department and the Fire and Emergency Medical Services. In FY 2012-13, the City outsourced Fire Services to the Orange County Fire Authority (OCFA) to realize cost savings. Fire and Emergency Medical Services comprise 7% of the Citywide budget.

Total Public Safety expenditures in FY24-25 increased by 8% from FY23-24. This is primarily attributed to three different factors:

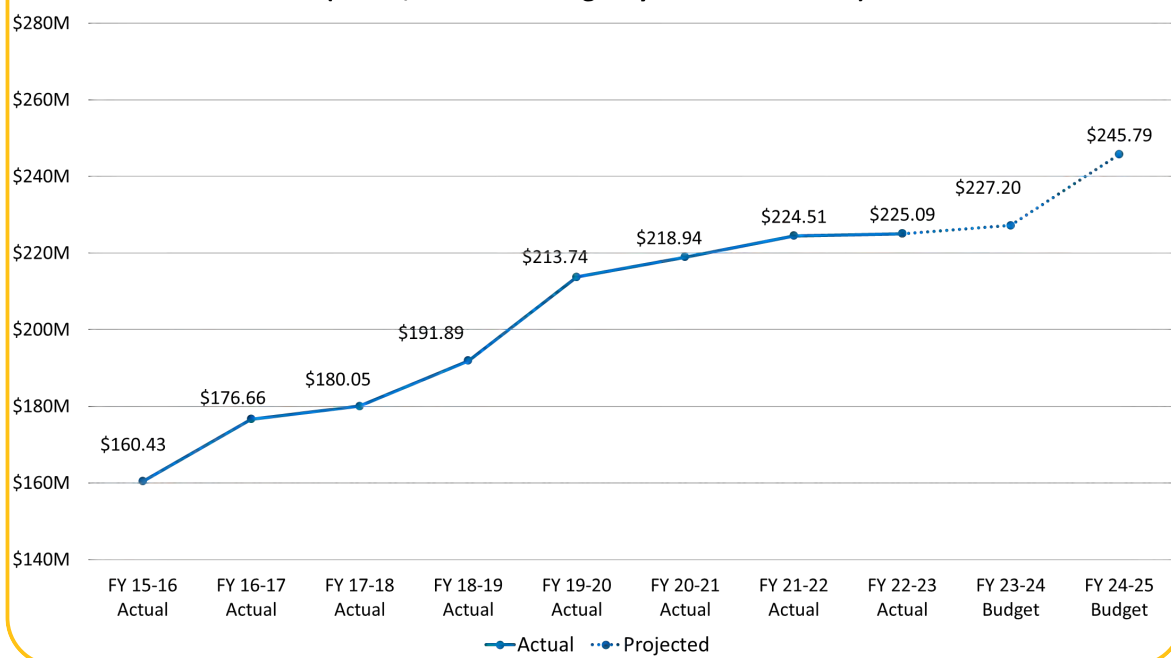

- Rising labor costs, including the recent negotiated wage increases for the Santa Ana Police Officers Association (SAPOA) approved by the City Council on June 18, 2024.
- The budget for Animal Services returned to the Police Department after being managed by the Planning & Building Agency for the past few years.
- Inflation and contractually mandated cost increases when purchasing goods and services.

In addition, the FY24-25 budget includes a 4.5% annual increase for the OCFA contract for fire services and higher unfunded pension liability costs due to CalPERS investment performance not meeting expectations. Public Safety expenditures continue to climb steadily over the past decade, averaging nearly 5% since FY15-16 and approximately 3% in the last five years.

Breakdown of City's Fire and Emergency Medical Services Budget \$58.7M

Public Safety Expenditures (Police, Fire and Emergency Medical Services)

Public Safety Trends

Sworn positions consist of Police Officers, Police Sergeants, Police Lieutenants, Police Captains, and the Police Chief. The total number of authorized sworn positions in FY24-25 is 400, of which 382 positions are funded and 18 positions are unfunded. This constitutes a net change of two unfunded sworn positions from FY23-24. This is attributed to the elimination of funding for two Civic Center Authority (CCA) Police Officer positions due to the County of Orange’s cancellation of the CCA policing agreement. The total authorized sworn headcount has remained at 400 since FY22-23, which is an increase of 16 positions since FY21-22.

Labor Cost Trends

Labor costs are estimated to be \$279M in FY2024-25, which is just over one-third of the entire citywide budget. The increases are attributed to mandatory employee pension contributions, negotiated salary increases, and the addition of staff to deliver quality service to the municipality. The average cost increase over the last 5 years spent on labor is about 4.36%. The decrease between FY21-22 to FY22-23 is misleading due to the Council approved plan to set-aside the savings derived from the refinancing of pension debt for future increases of pension costs. The increase in projected salary increase from the FY23-24 to the FY24-25 is largely due to the negotiated salaries that was passed by city council after the adoption of the FY23-24 budget.

Salaries make up the greatest portion of a full-service governmental entity’s budget. Since salaries account for such a large percentage of the total citywide budget, especially the General Fund, it’s considered a best practice to under budget for salaries and wages by not assuming an 100% occupancy rate; not all positions will be filled at all times. Assuming that every position will be occupied throughout the fiscal year nearly always results in a budget with too much cushion and may prevent resources from being allocated where there is a greater need. The City currently budgets for vacancies by assuming new positions take an average of 3 months to recruit and hire a newly adopted position. As a result, new positions are budgeted assuming 9 months (in lieu of 12 months) of occupancy in the initial year.

Employee Pension Costs

The City contracts with the California Public Employee Retirement System (CalPERS) to administer a defined benefit pension plan for the City’s employees. There are two different plans: one for sworn safety personnel and one for everyone else, referred to as miscellaneous.

There are also two different cost components: the normal cost of an additional year of service and a contribution to reduce the unfunded liability. The unfunded liability is a long-term debt on the City’s audited financial statements. An unfunded liability exists when the plans do not meet CalPERS assumptions, and the accrued liability for future pension payments exceeds the cash accumulated in the plan. For example, CalPERS assumes the pension plan cash investments will earn 6.8%. When CalPERS investments earn less than the 6.8% assumption, the unfunded liability increases.

Expected City costs for FY24-25:

	Safety Plan 100% paid by General Fund	Miscellaneous Plan 67% paid by General Fund
Normal cost contribution - a percentage of employee wages	23.43%	12.22%
Required Payment for the unfunded liability	\$16,062,765	\$12,018,763

In addition to the City’s costs, the employees also contribute a percentage of their wages to help fund the pension plan.

	Safety Plan Paid by Employees	Miscellaneous Plan Paid by Employees
"Classic" employees who became CalPERS members prior to January 1, 2013	12.00%	8.00%
"PEPRA" employees who became CalPERS members after January 1, 2013	12.75%	7.75%

Employee Pension Costs

In 2021, the City issued bonds to refinance a portion of its pension debt. At the time of the refinancing, City Council approved a plan to maintain the existing budget level for pension debt. With the 2021 refinancing, the required payments for pension debt decreased, and the City began setting aside money (the difference between required payments and the \$54 million budget) to cover future cost increases for pension debt.

The City has a plan to partially offset future pension debt costs with contributions to the pension stabilization account, an irrevocable Section 115 Trust. For FY 24-25, we are able to contribute another \$11.9 million to the account. The account balance is approximately \$40.9 million. The City’s liability will increase when CalPERS does not meet investment returns assumptions. Recent CalPERS investment returns follow.

Fiscal Year	Actual	Assumption
FY2021-22	-6.10%	6.80%
FY2022-23	5.80%	6.80%
FY2023-24*	9.30%	6.80%

**CalPERS preliminary investment return for FY2023-24*

Once staff receives the latest actuarial valuation report from CalPERS dated June 30, 2023, the analysis will be updated. The strategy for the future will continually evolve with each new year of data.

General Fund Ten-Year Outlook

The General Fund Ten-Year Outlook is created by taking the current budget structure, applying an inflationary adjustment for the following nine years, and including the following assumptions:

- Factors in recurring spending only
- Debt pay-offs
- Measure X sales tax rate decrease (1.5% to 1.0% on April 1, 2029)
- Inflationary increases in FY25-26 and later, based on the California Department of Finance CPI forecast
- City’s contribution to OC streetcar operations begins in FY25-26 (Estimated to be \$1M annually)
- Negotiated wage increases
- Orange County Fire Authority contract increase of 4.5% annually
- Contributions to, and uses of, the Pension Stabilization Account have been included to smooth the pension debt fluctuations

The model indicates that the General Fund budget structure must be adjusted in the future to remain balanced. The future imbalance is caused by multiple factors. Costs are expected to continue increasing faster than the City’s revenues. In one example, the OCFA contract may increase up to 4.5% per year, yet property tax revenue is not expected to exceed 3% per year. To further complicate matters, the Measure X rate decrease in 2029 will cause significant a decrease in revenue.

Multi-Year Outlook (Non-General Fund)

Assumptions

The City has prepared a multi-year outlook for the City's major funds as defined by the Governmental Accounting Standards Board:

- Unless otherwise noted below, future years' estimated revenue and planned operational spending has been increased by CPI, as forecasted by the California Department of Finance.
- The Grants Fund is comprised of multiple funds including HOME, WIOA, and CDBG. For purposes of this outlook, we are only including fund CDBG, which is the most significant of that group.
- The City does not expect to receive any further federal ARPA funding and has a plan to fully expend the entire fund balance by December 2026, in compliance with federal law.
- Future years' estimates of Gas Tax fund revenue is based on projections from the League of California Cities Fiscal Policy Advisor, Michael Coleman. Planned operating expenditures in future years have been reduced to fit within the expected revenue to avoid overspending the fund. During the FY25-26 budget process, staff will make recommendations for these potential reductions, which may take the form of a reduced level of maintenance or a General Fund subsidy. Future years' debt service has been taken from the 2019 Gas Tax Bonds debt service schedule, and future years' capital spending has been limited to the estimate of RMRA revenue.
- The City Council adopted a Budget and Reserve Policy that sets a target reserve balance for operating funds such as the Gas Tax fund. That target reserve is not a requirement and is identified as 20% of annual operating expenditures. The outlook for the Gas Tax fund suggests that we will not meet the ideal target reserve. It is possible the City can meet the target reserve goal in the future by allowing the fund balance to grow when actual expenditures are less than budgeted.
- The City is expected to begin developing an updated Water, Recycled Water & Sewer Rate Study with an independent consultant in FY24-25. The last approved rate study was completed in 2019 and many of the assumptions used in the study are now outdated. The new study will incorporate the latest assumptions and methodologies.

City Manager's Office

Department Programs

Operations

Under the leadership of the City Council and in partnership with City departments, implement the City Council's goals and priorities as articulated in the Five-Year Strategic Plan, annual City Budget, and all other official policy directives.

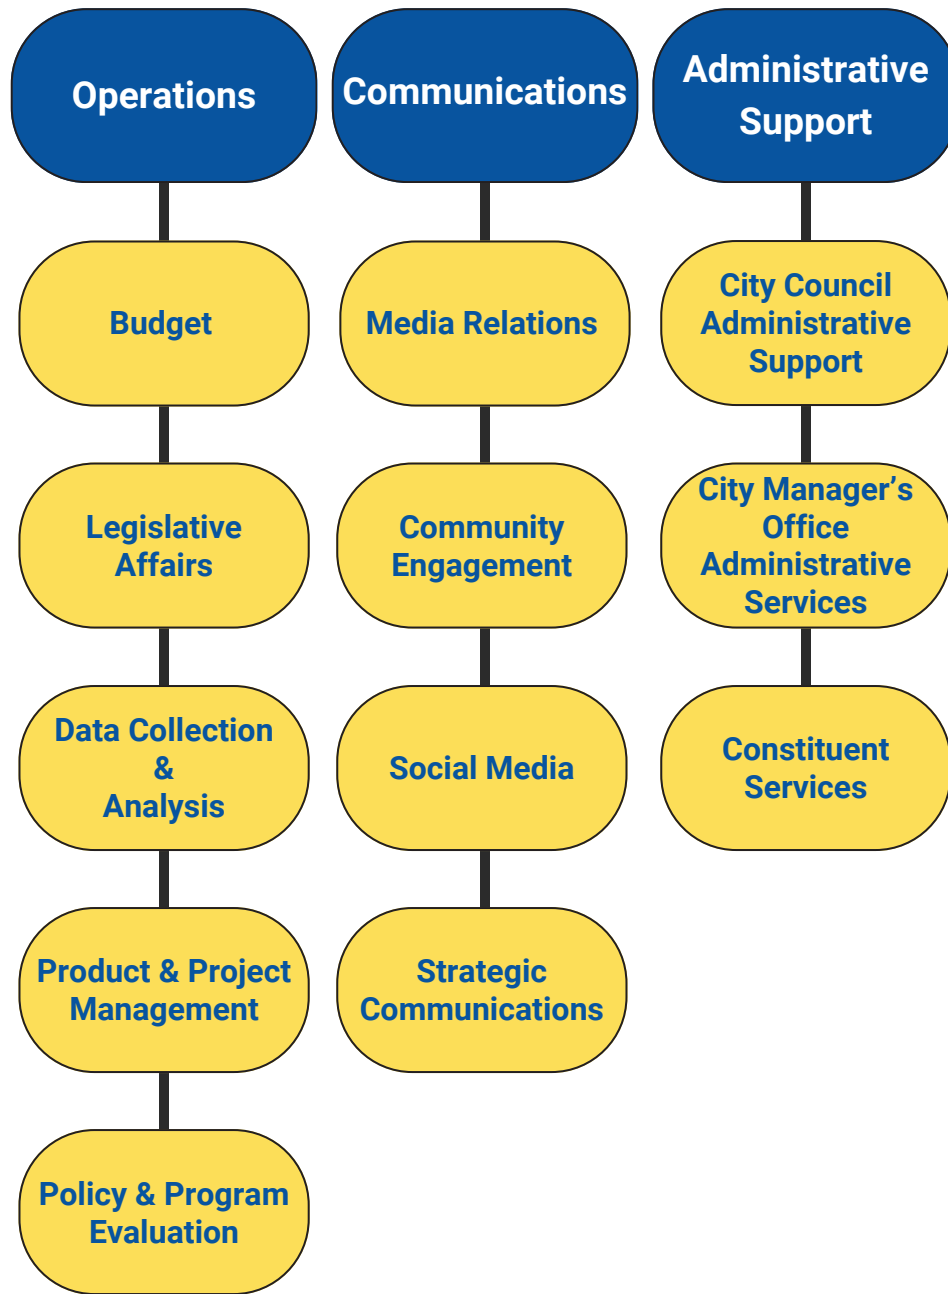

Communications

Use digital tools to empower City departments to conduct effective community engagement and create a feedback loop, and work within the City government to facilitate internal communications.

Administrative Support

Provide specialized administrative support to the City Council and City Manager.

Department Summary

The City Manager's Office is responsible for administering all of the policy decisions made by the City Council. The City Manager's Office facilitates effective and efficient service delivery under the leadership of the City Council and in compliance with the City Charter, Santa Ana Municipal Code, and all applicable laws and regulations. The City Manager's Office consists of three functional areas: Operations, Communications, and Administrative Support.

Accomplishments

- Partnered with community organizations to distribute ready-to-eat meals and groceries, having fed approximately 130,000 individuals as of February 2024.
- In 2023, the communications staff issued 56 press releases and media advisories, added over 2,500 Facebook followers and 5,700 Instagram followers (increasing FB page visits by 26.3% and IG page visits by 22.1%), and responded to over 200 requests for communications, marketing and video assistance from other City departments.
- Successfully implemented City Hall's new reception desk in the main lobby, elevating community engagement by enhancing accessibility for Santa Ana residents.
- Established the Police Oversight Commission, with its inaugural meeting on October 6, 2023.
- Processed 766 certificates of recognition and proclamations for the City Council.
- Oversaw the renovation of the Council Chamber.
- On-boarded new employees in the City Manager's Office, including Interim City Manager, Secretary to the City Manager, and Executive Assistant.
- Fulfilled 55 public records requests.

Strategic Priorities

Financial Stability

Protect and enhance revenue streams while maintaining a healthy reserve balance to provide for the expenditure of funds in support of the long-term priorities of the City's strategic plan.

Community Safety

Provide a safe environment for residents and visitors while reducing crime and addressing the impacts of homelessness on our quality of life.

Modern Facilities & Infrastructure

Ensure maintenance and preservation of City facilities and roadways to better serve the population and visitors.

Efficient City Services

Streamline the methods of providing services to help ensure doing business with the City is easier and more efficient.

Economic Diversification & Expansion

Enhance economic vitality by growing revenue streams, attracting quality jobs, diverse businesses and desired amenities for residents.

Strategic Plan & Goals For FY 2024-25					
Facilitate cross-departmental collaboration among City departments to champion economic development that promotes sustainable growth through business-friendly initiatives that lead to an increase in property tax revenue through development, sales tax revenue business attraction and retention, and income through workforce development.				X	
Conduct a comprehensive review of the City's current commitments, and reprioritize actions and resources to ensure successful and timely completion of projects and initiatives approved by the City Council.				X	
Strengthen relationships and collaboration with local and regional elected officials to ensure local, state, and federal support aimed at securing resources that benefit the City and legislative actions that protect the City's ability to maintain local control, while conforming to State legislative mandates.				X

City Clerk's Office

Department Programs

Administration

To provide management and coordination of department operations and public services, including customer service and notarizations.

Legislative

To facilitate the legislative policy-making process and be consistent with the provisions of California's public meeting laws and the Public Records Act.

Elections

To manage and conduct municipal elections comprising of seven elected officials, initiatives, recalls, referenda, ballot measures, charter amendments, and special elections.

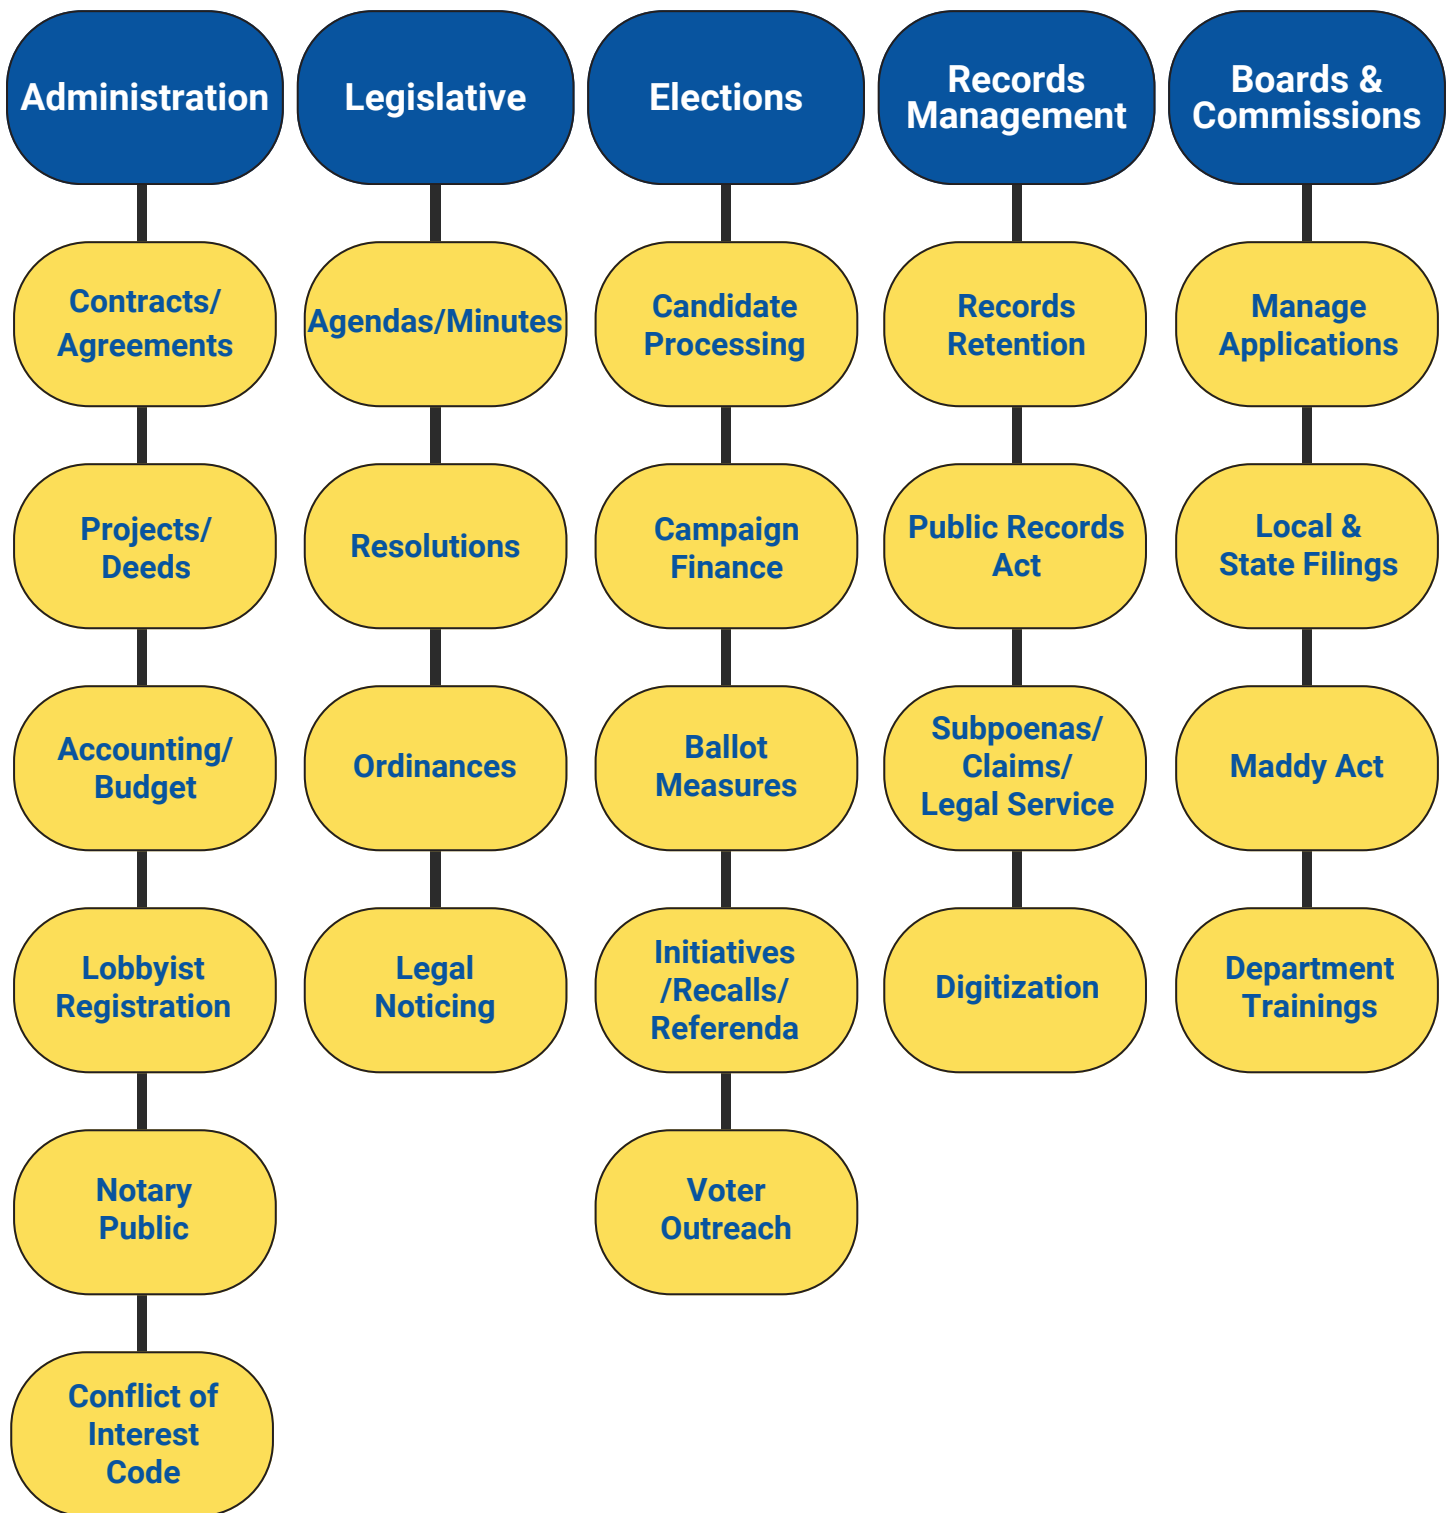

Records Management

To serve as the City's official record-keeper and administer a citywide records management program including consistency and compliance with storage, retrieval, and destruction of City records in all formats and locations.

Boards and Commissions

To maintain current appointments, vacancies, attendance reports, and state-mandated filings on various boards, commissions, and committees; provide training and best practices to department liaisons.

Department Summary

The City Clerk's Office helps administer efficient government and is the designated local official responsible for the care of official records and documents of the City, maintaining legal and historical records and information, administering the democratic process by conducting local elections, acting as the compliance officer for various federal, state, and local laws, and ensuring transparency to the public.

The department's core functions include:

- Preparing the legislative agenda and minutes for City Council Meetings
- Acting as the election official when local candidates are elected or local measures are proposed
- Maintaining public records and searching for and satisfying requests and inquiries
- Keeping the public up to date on Board and Commission vacancies, appointments, and attendance

This department contributes to the City's strategic plan by providing efficient City services through streamlining processes, maintaining accurate and up-to-date records and policies, and implementing trainings and new programs.

Accomplishments

- Recertification of NetFile, the electronic-filing system for Statements of Economic Interest (Form 700) and Campaign Disclosure Forms.
- Brought approval of City Council and Authority/Agency minutes current from a six-month backlog.
- Reduced PRA request response times by two days over prior FY.
- Administered and processed over 2,300 Public Record Act requests and over 600 subpoenas/summons/legal documents.
- Digitized over 124,000 pages of City records.
- Processed over 840 contracts/agreements.

Strategic Priorities

Financial Stability

Protect and enhance revenue streams while maintaining a healthy reserve balance to provide for the expenditure of funds in support of the long-term priorities of the City's strategic plan.

Community Safety

Provide a safe environment for residents and visitors while reducing crime and addressing the impacts of homelessness on our quality of life.

Modern Facilities & Infrastructure

Ensure maintenance and preservation of City facilities and roadways to better serve the population and visitors.

Efficient City Services

Streamline the methods of providing services to help ensure doing business with the City is easier and more efficient.

Economic Diversification & Expansion

Enhance economic vitality by growing revenue streams, attracting quality jobs, diverse businesses and desired amenities for residents.

Strategic Plan & Goals For FY 2024-25					
2024 General Municipal Election: Conduct the election consisting of the Mayoral seat, three (3) by-ward Councilmember seats, and multiple ballot measures (two (2) as of 6/04/2024); perform outreach to the community about the election process and what will be on the ballot.				X	
Conflict of Interest Code: Conduct comprehensive biennial review and update of the Code and designated positions.				X	
Boards and Commissions: Create and present training and guidance materials for department/agency boards and commissions liaisons and recording secretaries to implement best practices and consistency.				X	
Policies and Procedures: Revise/update/create policies and procedures to streamline operations, increase transparency, and provide consistency and accountability.				X	

Key Performance Measures

Strategic Priority: Efficient City Services

Transactional

Provides both advisory and transactional services to all City departments. Staffing for certain Boards and Commissions. Prepares agreements, resolutions and ordinances. Provides legal advice to all City departments and special litigation services including CEQA, elections matters, and eminent domain.

General Counsel

Provides a wide range of legal services to the Police Department, Risk Management and Code Enforcement. Manages all of the SAMC prosecutions and civil litigation for the City. Oversees receivership and nuisance abatement actions.

Police Advisory

Provides legal support and advice to the Senior Management Team. Manages outside police litigation matters. Provides legal advice regarding public records, subpoenas, criminal discovery, and department policies/procedures.

Rent Stabilization

Provides support for the administration and enforcement of the City's Rent Stabilization and Just Cause Eviction Ordinances.

Department Summary

The City Attorney's vision is to strive to always serve as effective advocates for our client's interests, in court and elsewhere. We seek to be a value-added resource that understands our client's needs and offers viable result-oriented solutions to both commonplace and intractable problems. Our department's core divisions include:

- Administration;
- Transactional;
- General Counsel;
- Police Advisory; and
- Rent Stabilization.

The City Attorney's Office contributes to the City's Strategic Plan by supporting the City Council and all City departments and agencies to provide their core services within the confines of the law with an eye towards the goals of modernization, transparency, and efficiency.

This is executed by adhering to our code values of:

- Integrity;
- Professionalism; and
- Respect.

Accomplishments

- Responded to 1,410 requests for legal service (as of April 19th).
- Defended in-house 80 litigation matters brought against the City and its employees. Initiated 6 nuisance abatement and eminent domain matters.
- Managed an additional 37 litigation matters assigned to outside counsel.
- Provided legal advice to all City departments and agencies including implementation of RSJCEO, development projects, public construction projects, police operations and implementation of City Council policies.
- Assisted with preparation of ballot measures for November 2024 election.

Finance Management & Services

Department Programs

Management & Budget

Responsible for the improvement of operational efficiency through the review, preparation, monitoring of the City's operating and capital budgets and long-term financial planning; and oversight of all FMSA's other divisions.

Accounting

Provides true, current and accurate financial information and support services to internal and external customers while safeguarding the City's assets, promoting ethical behavior, and maintaining a high level of compliance with applicable accounting pronouncements, laws, and regulations.

Administrative Services

- Payroll - Ensures all employees are paid accurately and in a timely manner; complies with City policies, federal and state tax and labor laws; conforms to negotiated pay and benefits as identified in employee contracts.
- Purchasing - Develops technical specifications and advertises bids. Leads centralized procurement for the City.
- Central Services - Provides in-house reprographic duplication, and special one-time print order photocopying.

Treasury & Customer Service

Assess & collect city taxes, licenses, municipal utility charges, and other revenues in a courteous manner while providing for receipt, custody, deposit, and investment of City funds through sound and prudent investment policies and procedures.

Department Summary

The Finance Department manages internal City financial operations and controls at the highest level of efficiency with effective staffing and management. The department safeguards public funds through proper internal controls, expenditure, and service operations while providing support services for all City agencies and residents.

Accomplishments

- Issued \$44 million of water revenue bonds to fund water system capital improvements.
- Earned national awards for both financial reporting and the budget document.
- Supported efficient use of all federal dollars from the American Rescue Plan Act (ARPA), meeting compliance requirements and spending deadlines.
- Increased public engagement efforts during the FY24-25 budget process, including developing an informational budget video for the public.
- Facilitated a balanced budget for FY24-25.
- Implemented new dog licensing system.
- Managed the business license tax holiday from the voter-approved ballot measure to reform business license tax.
- Completed a series of revenue audits and additional tax collections.
- Completed an assessment of contracted ambulance service.
- Generated over \$2 million in additional revenue for the City by conducting multiple audit-related collections for calendar year 2023:
 - Hotel Visitor's Tax- \$1.3M
 - Commercial Cannabis Tax- \$873K

Strategic Priorities

Financial Stability

Protect and enhance revenue streams while maintaining a healthy reserve balance to provide for the expenditure of funds in support of the long-term priorities of the City's strategic plan.

Community Safety

Provide a safe environment for residents and visitors while reducing crime and addressing the impacts of homelessness on our quality of life.

Modern Facilities & Infrastructure

Ensure maintenance and preservation of City facilities and roadways to better serve the population and visitors.

Efficient City Services

Streamline the methods of providing services to help ensure doing business with the City is easier and more efficient.

Economic Diversification & Expansion

Enhance economic vitality by growing revenue streams, attracting quality jobs, diverse businesses and desired amenities for residents.

Library Services Department

Department Programs

Administration

To provide responsible and effective administrative support for innovative library program and service delivery to the community in an efficient and effective manner.

Adult Services

To provide a variety of relevant materials, quality information and innovative services that promote learning and enjoyment for adults and seniors in the Santa Ana community.

Youth Services

To provide timely materials and quality programs that meet the educational, recreational, and cultural needs of youth from infancy through eighth grade, while also promoting early literacy, academic success, and expanded personal growth.

Young Adult Services

To provide Santa Ana teens and young adults with a safe place to study and gather, while taking advantage of library materials, mentoring and training opportunities to develop civic mindfulness and enhanced personal development.

Technology & Support Services

To provide programs and services to people of all ages, including access to quality electronic resources and print materials through efficient use of technological advances, training, processing, and lending procedures.

Outreach Services

To provide Santa Ana with quality bookmobile and outreach services to meet the community's diverse information and programming needs.

Department Summary

The Santa Ana Public Library's purpose is to respond to our community's informational, educational, and personal interest needs using books, materials, technology, e-resources, and professional expertise. The Santa Ana Public Library has a multilingual staff that shares the cultural heritage of the community. Each staff member is dedicated to serving the community through a variety of physical, mobile and virtual library locations that are maintained as safe places for residents of all ages to connect, learn, and play.

Accomplishments

- Completed design of the Main Library Transformation Project and Outdoor Library at Jerome Park.
- Bid out all capital improvement projects, including Delhi and Newhope Branches, Main Library, and Outdoor Library at Jerome Park.
- Increased patron engagement and outreach in the community by 26% from 17,940 to 22,581 total program attendees.
- Received a grant from the State of California adding \$1.087 million in new funding for the Newhope Library Renovation Project.

Strategic Priorities

Financial Stability

Protect and enhance revenue streams while maintaining a healthy reserve balance to provide for the expenditure of funds in support of the long-term priorities of the City's strategic plan.

Community Safety

Provide a safe environment for residents and visitors while reducing crime and addressing the impacts of homelessness on our quality of life.

Modern Facilities & Infrastructure

Ensure maintenance and preservation of City facilities and roadways to better serve the population and visitors.

Efficient City Services

Streamline the methods of providing services to help ensure doing business with the City is easier and more efficient.

Economic Diversification & Expansion

Enhance economic vitality by growing revenue streams, attracting quality jobs, diverse businesses and desired amenities for residents.

Police Department

Department Programs

Chief's Office

Provides executive leadership and direction in support of the City's strategic plan priorities and community safety needs. The Chief's Office is charged with the responsibility of allocating the necessary personnel, resources and training to address these community safety needs and priorities, with a focus on 21st century policing pillars, enhancing and reforming police services.

Administration Bureau

Oversees Human Resources, Budget, Records, Communications, and Information Services. The Admin Bureau also oversees the Training Division with a focus on developing and implementing de-escalation techniques. Each Division within the Bureau provides specific community services to our members, both sworn and civilian, and to the citizens of Santa Ana.

Investigations Bureau

Oversees Homicide, Gangs, Sexual Assaults, Child Abuse, Domestic Violence, Robbery, Burglary, Economic Crimes, Prosecution Unit, Vice, Human Trafficking, Hate Crime, and Forensics. Crimes assigned to the Bureau are investigated thoroughly until all leads are exhausted. Investigations that identify a suspect are prepared for filing with the District Attorney's Office.

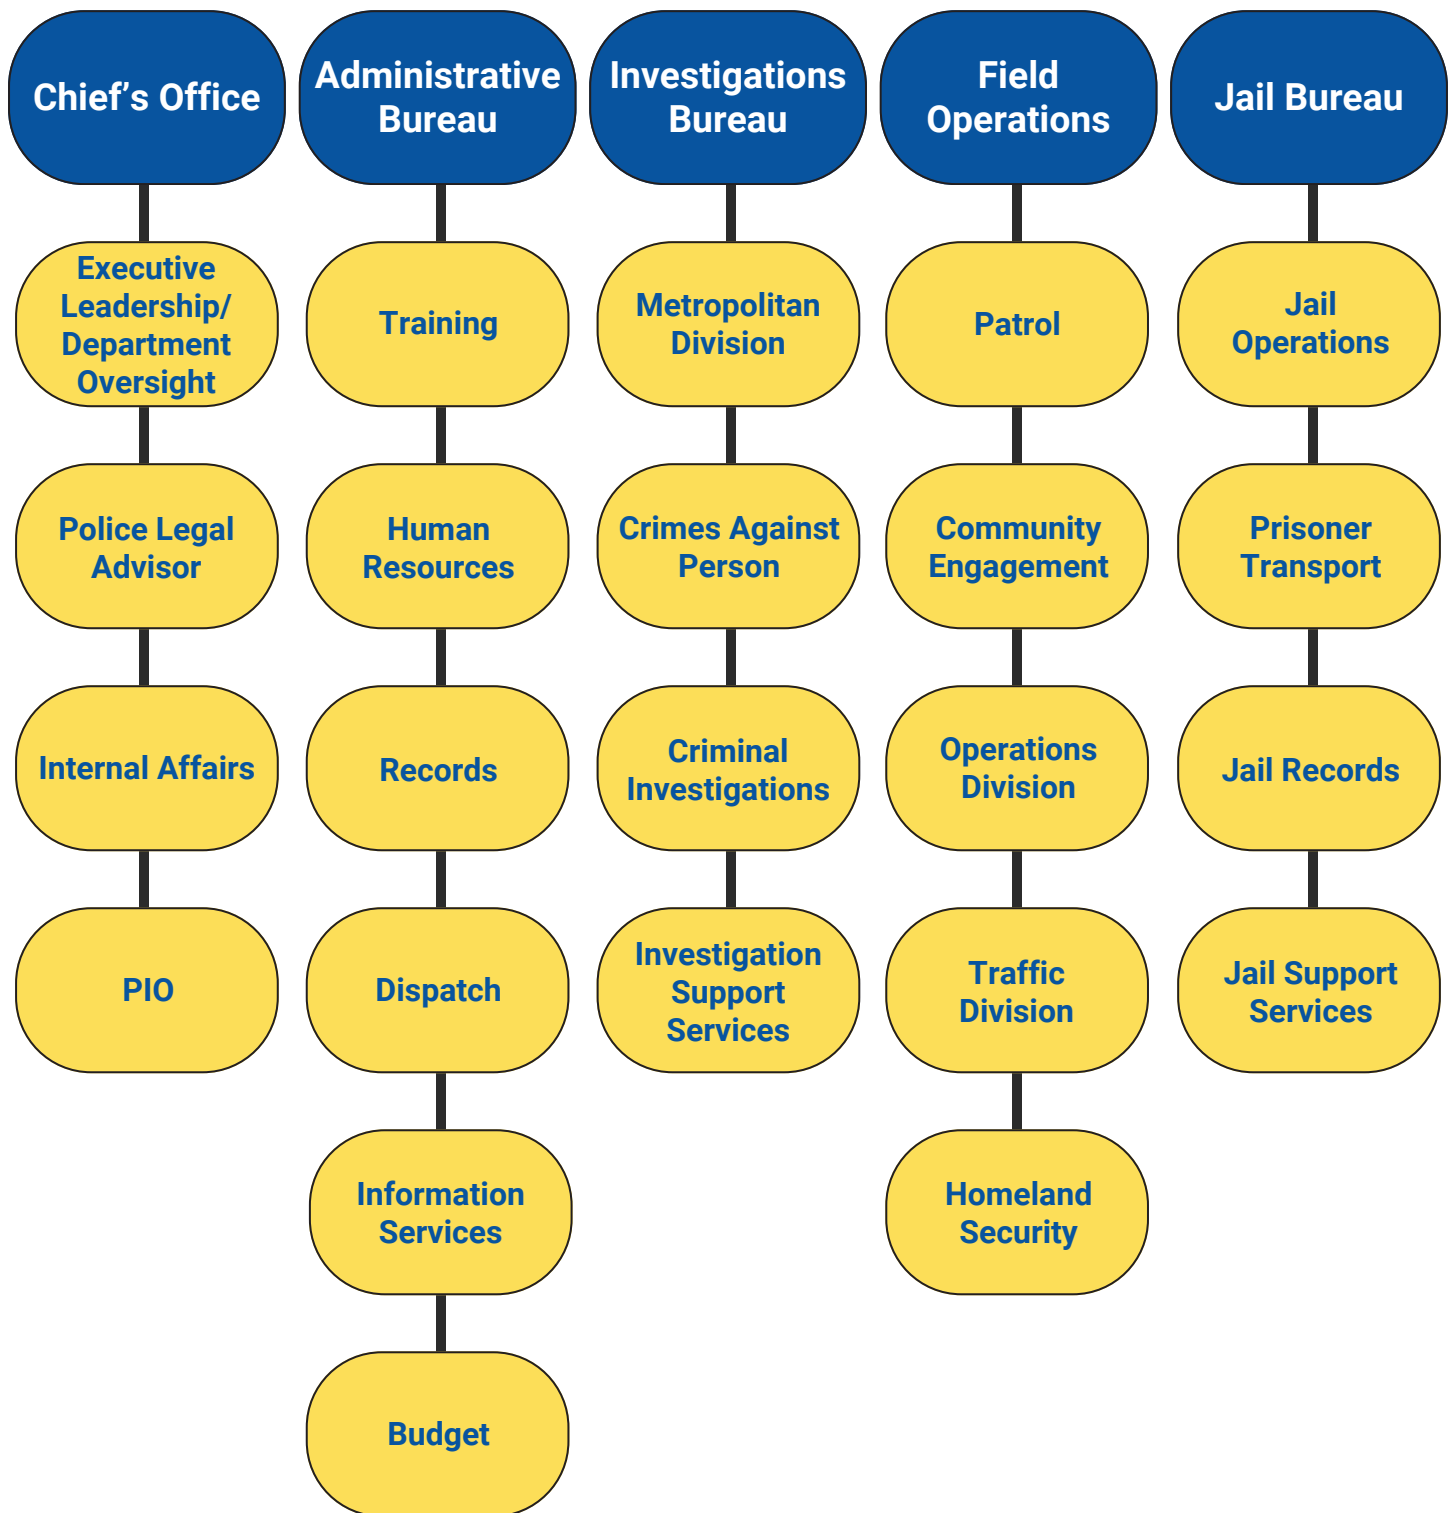

Field Operations Bureau

The largest and most visible Bureau of the Santa Ana Police Department, the Field Operations Bureau is comprised of the Patrol, Traffic, Community Engagement and Homeland Security divisions, and a number of specialized units that serve the community as first responders to a myriad of field incidents, with a focus on community oriented and traditional policing, youth services, and homelessness response.

Jail Bureau

Oversees Jail Operations, Prisoner Transport, Jail Records, and Support Services. These units meet the incarceration needs of the Department, supplying direct and indirect law enforcement assistance, and providing for the safe, secure, and humane housing of persons incarcerated.

Department Summary

The mission of the Santa Ana Police Department is to provide effective police services with integrity, respect, and compassion while fostering strong partnerships with the community we serve. At the Santa Ana Police Department, we pride ourselves on the service we provide to all people in Santa Ana. We police the City from two foundational tenets: community-based policing and traditional enforcement efforts. This combined approach has served the residents of Santa Ana and the Police Department well for decades. It has proven to reduce crime while building relationships and sustaining community trust. We, the members of the Santa Ana Police Department, exist for the sole purpose of serving our community; centered on servant leadership, and making it a safe place to live, work, and visit.

Accomplishments

- Reduced response times for Priority 1 calls for three consecutive calendar years; 6:25 in 2020, 5:31 in 2021, and 5:22 in 2022.
- 77% of homicide cases solved in 2022 and successfully recovered 557 firearms during the Gun Buy-Back Program event, resulting in a 74.5% increase in firearms seized compared to 2021.
- Implemented District/Ward Senior Officer Liaison program for the Mayor and each City Council ward to enhance communication and logistics when requiring police services.
- Enhanced the PD's social media presence and strategy, and collaborated with the Recruitment Team to actively recruit to fill vacancies throughout the department.
 - Held 1st Women's Hiring Expo in October 2022 – 1st in the County.
 - Committed to 30x30 Initiative (hire 30% female sworn officers by 2030) – 1st in the County .

Strategic Priorities

Financial Stability

Protect and enhance revenue streams while maintaining a healthy reserve balance to provide for the expenditure of funds in support of the long-term priorities of the City's strategic plan.

Community Safety

Provide a safe environment for residents and visitors while reducing crime and addressing the impacts of homelessness on our quality of life.

Modern Facilities & Infrastructure

Ensure maintenance and preservation of City facilities and roadways to better serve the population and visitors.

Efficient City Services

Streamline the methods of providing services to help ensure doing business with the City is easier and more efficient.

Economic Diversification & Expansion

Enhance economic vitality by growing revenue streams, attracting quality jobs, diverse businesses and desired amenities for residents.

Strategic Plan & Goals For FY 2024-25					
Continue and expand talent acquisition efforts focused on diversity, equity, and inclusion to attract and retain qualified applicants to the department.		X			
Continue focus on providing effective and efficient core police services, including maintaining and improving response times to calls for service.		X			
Continue to implement Community Oriented Policing philosophy and strategies in delivery of services to the public (i.e. positive community engagements, Quality of Life Team, etc.)		X			
Continue to reduce number of officer involved incidents through focus on de-escalation training, tactical communication training, and mental health crisis intervention training.		X			
Expand Santa Ana Police Athletic & Activity League (SAPAAL) program to the Cypress Fire Station upon completion of building rehabilitation.		X

Planning and Building Agency

Department Programs

Administrative Services

The Administrative Services Division manages all PBA contracts, policies and procedures and provides general support staff responsibilities, manages budget, processes all invoicing, provides staff training, and maintains department webpages, newsletters, and social media.

Planning

The Planning Division maintains, updates, and implements the General Plan and Zoning Code; administers the historic preservation and urban design programs; assists with commercial cannabis regulations; and provides environmental justice and neighborhood support services through its Neighborhood Initiatives and Environmental Services (NIES) Section.

Building Safety

The Building Safety Division reviews, processes, approves permits, and inspects construction activities on private property and ensures compliance with State and local building codes.

Code Enforcement

The Code Enforcement Division administers a comprehensive enforcement program and investigates violations of the State Health & Safety Code, the Santa Ana Zoning Code, and General Property Maintenance and Building Codes (Building, Plumbing, Mechanical and Electrical Codes).

Department Summary

The Planning and Building Agency plays a critical role in achieving the City Council's goals for the physical development of the community. The agency's objective is to provide a safe, attractive, and business-friendly community through implementing state and local construction codes, as well as planning and regulating future land uses.

Accomplishments

- Continued interagency collaborations addressing quality of life and unlawful activities:
 - ✓ Illegal gaming and unlicensed cannabis businesses
 - ✓ Abandoned, vacant, and unsecured structures, accumulation of trash and debris, public nuisances and unlawful occupancies
 - ✓ "NOTICE of Enforcement Action" sign program
 - ✓ Advise and inform responsible party, city residents, and interest parties of property maintenance expectations and requirements
 - ✓ Sidewalk vending education and enforcement with OC County Health
 - ✓ Public nuisance prevention
- Issued over 9,500 permits with a total valuation of over \$772 million.
- Implementation of electronic plan review for all permit submittals such as solar, architectural, structural, mechanical, plumbing, and electrical project plans.
- Initiated the Zoning Code Update and development of the Public Realm Plans, which is a comprehensive effort to update the City's zoning code to implement the goals and policies of the new General Plan.
- Released pre-approved plans for accessory dwelling units (ADU) available to the general public, and reduced Planning review fees for these pre-approved ADU plans. These plans streamline the ADU review process and reduce architect fees for owners, and by reducing the review time at City Hall for permit issuance.
- Continued the Neighborhood Initiatives and Environmental Services section's implementation of Environmental Justice goals, policies, and programs stemming from the 2022 General Plan Update, by kicking off the Environmental Justice Action Committee meetings in April 2024.
- Under the Revive Santa Ana Initiative, introduced the Commercial Property Compliance Assistance Program (CP-CAP) to promote commercial revitalization, encourage private investment, and enhance the aesthetic appeal of commercial corridors.
- In collaboration with the City Manager's office, enhanced customer arrival experience at City Hall by remodeling the City Hall main entrance, centralization of reception staff, and implementing tri-lingual check-in kiosks.

Strategic Priorities

Financial Stability

Protect and enhance revenue streams while maintaining a healthy reserve balance to provide for the expenditure of funds in support of the long-term priorities of the City's strategic plan.

Community Safety

Provide a safe environment for residents and visitors while reducing crime and addressing the impacts of homelessness on our quality of life.

Modern Facilities & Infrastructure

Ensure maintenance and preservation of City facilities and roadways to better serve the population and visitors.

Efficient City Services

Streamline the methods of providing services to help ensure doing business with the City is easier and more efficient.

Economic Diversification & Expansion

Enhance economic vitality by growing revenue streams, attracting quality jobs, diverse businesses and desired amenities for residents.

Strategic Plan & Goals For FY 2024-25					
Build capacity to meet the demand for business regulatory and cannabis enforcement regarding licensed and unlicensed businesses implementation and administration.	X	X			X
Implement enforcement strategies and programs to address diverse commercial property conditions using City interdepartmental coordination to address attractive public nuisance, quality of life, land use, and environmental justice-related concerns,		X			X
Implement new online building permit system to transition all development permits to be available online through a new enterprise permit system to streamline customer service.				X	
Enhance our core counter team to serve increasing demand; Recruit, train, and retain additional staff to process requests, services, and inspections promptly.			X	X	
Commence the comprehensive Zoning Code Update and retain qualified consultants to update accompanying public realm plans and historic surveys of historically sensitive neighborhoods.	X	X	X	X	X

Public Works Agency

Department Programs

Administrative Services

Provides management, administrative, and fiscal support, as well as resources needed for the Public Works Agency to operate effectively and efficiently. Manages refuse service and right of way amenities.

Engineering Services

Provides professional engineering services, such as design and construction management, plan reviews, permit issuance, construction inspections, and stormwater management for all capital improvement projects throughout the city.

Maintenance Services

Provides the highest quality of maintenance services to the community in a cost-efficient and timely manner for a safe and aesthetically pleasing environment.

Parks, Fleet & Facilities

Repairs and maintains City buildings, including the Santa Ana Regional Transportation Center; provides landscape maintenance services of the Park system for community use; and maintenance and procurement services for City vehicles and equipment.

Water Resources

Provides the highest quality water and sewer services, excellent customer service, and viable infrastructure, while ensuring fiscal responsibility, ethical conduct, and environmental sustainability.

Department Summary

The Public Works Agency (PWA) constructs and maintains public infrastructure, such as water, sewer, and stormdrain; maintenance of streets, sidewalks, medians, and trees; park system design, landscape, and maintenance; as well as management of the City's refuse, recycling, graffiti, and National Pollutant Discharge Elimination System (NPDES) programs. PWA is also responsible for providing services to other City departments such as fleet (vehicle) maintenance, building maintenance to ensure upkeep and preservation of City facilities – including the Santa Ana Regional Transportation Center and the City's Corporate Yard – and Central Stores for the purchase of supplies and materials for City operations. With these combined services, PWA continues to enhance the quality of life for residents, businesses, and visitors.

Accomplishments

- Assisted the community during Tropical Storm Hilary and other rain events by passing out over 11,000 sandbags, removing fallen trees, and clearing floods.
- Received two 2023 Project of the Year Awards from the American Public Works Association of Southern California for Ed Caruthers Park and the San Lorenzo Sewage Lift Station.
- Received award for "World's Best Tasting Tap Water" from Berkeley Springs International Water Tasting competition.
- Received over \$5 million in state grants to renovate facilities such as SARTC and the Newhope Branch Library.
- Received over \$54 million in state grants for street safety projects, such as the Santa Ana Boulevard Grade Separation and the Safe Route to Schools program.
- Established a new Solid Waste team to enforce trash requirements.
- Unveiled community monuments at Pacific Park, Little Saigon, and Willard and Washington Square Clock Tower.
- Partnered with the Arts and Culture Commission to install artwork at 17 bus stops.
- Unveiled the city's first crosswalk art in the Willard neighborhood.
- Broke ground on George Upton All Access Park, Gerardo Mouet Park, and reopened Santiago Park.
- Awarded Tree City USA designation from the Arbor Day Foundation for the 25th consecutive year.
- Engaged the community at city events, including Jackson Elementary, a street light walking tour, a water treatment system tour, and Inner-Coastal Cleanup Day.
- Opened the new San Lorenzo Sewage Lift Station that will improve sewage flow, servicing over 380 acres.

Strategic Priorities

Financial Stability

Protect and enhance revenue streams while maintaining a healthy reserve balance to provide for the expenditure of funds in support of the long-term priorities of the City's strategic plan.

Community Safety

Provide a safe environment for residents and visitors while reducing crime and addressing the impacts of homelessness on our quality of life.

Modern Facilities & Infrastructure

Ensure maintenance and preservation of City facilities and roadways to better serve the population and visitors.

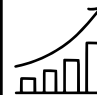

Efficient City Services

Streamline the methods of providing services to help ensure doing business with the City is easier and more efficient.

Economic Diversification & Expansion

Enhance economic vitality by growing revenue streams, attracting quality jobs, diverse businesses and desired amenities for residents.

Strategic Plan & Goals For FY 2024-25					
Develop agency-wide policy and procedures to improve collaboration and information-sharing between divisions.				X	
Establish methodologies to accurately identify service costs that may generate additional revenue from funding agencies.	X				
Identify projects that reduce traffic congestion and improve air quality in conjunction with OCTA's Congestion Management Plan.			X		
Review the existing Mitigation Fee Program and report traffic impacts of new developments.	X				
Expand grant management operations to track existing billings and additional funding opportunities for capital improvements.	X				
Assess street sweeping program operations and funding to maintain service levels for residents.				X	

Strategic Priorities

Strategic Plan & Goals For FY 2024-25					
Continue the use of the mySantaAna app to facilitate faster response rates for park maintenance, pothole repairs, streetlight maintenance, graffiti abatement and other requests for services.				X	
Develop a Master Plan and policies for the electrification of fleet vehicles.		X			
Implement City Yard facility and technology upgrades to enhance operational efficiency.		X			
Continue to implement improved technology to manage the water distribution system, enhance customer service, and ensure the delivery of safe drinking water supply to the community.		X	X	X

Community Development Agency

Department Programs

Administration

To provide financial and administrative support for the entire agency, including budget, payroll, purchase requisitions, grant billing, monitoring of revenues and expenditures, and manage the Successor Agency activities to unwind the former redevelopment agency.

Economic Development

To improve the economic well-being of the community through efforts that entail job creation, job retention, workforce development, management of downtown parking operations, tax base enhancements and quality of life activities such as a robust arts and culture program.

Homeless Services

To prevent and intervene in homelessness by providing innovative and effective resources and solutions for those experiencing homelessness and exploring needed services such as street medicine and detox beds for the unhoused population. Serve as liaison to businesses and residents affected by homelessness.

Housing Services

To deliver a wide range of affordable housing options for low-income residents including tenant-based rental assistance, project-based affordable housing, and homeownership opportunities. The Division also administers projects to improve the neighborhood experience with funding for capital improvement projects, code enforcement, and housing rehabilitation, as well as grants for various nonprofit organizations and homeless services

Rent Stabilization Program

To administer the Rent Stabilization and Just Cause Eviction Ordinance, protect tenants from unreasonable rent increases and unjust evictions and promote rental housing stability, affordability, and habitability for renters. Program staff are focusing on additional ways to decrease the cost of living by working with the Hunger Alliance, Solar on Multi-Family Housing and emergency rental assistance.

Department Summary

The Community Development Agency (CDA) is responsible for providing services in the areas of economic development, job training, affordable housing, rent stabilization, arts and culture programming, parking enterprise and downtown maintenance. CDA also coordinates efforts to address homelessness throughout the City. The Agency plans, develops and administers programs to accomplish the public policy goals of the Santa Ana City Council, Santa Ana Housing Authority, Community Development Commission, Arts and Culture Commission, Workforce Development and Rental Housing Boards.

Accomplishments

- Awarded over \$1.4 million in ARPA funding to various recipients including artists and arts organizations, small business as part of City's Rent & Debt Relief Grant Program.
- Awarded over \$1.2 million in Federal and State Grant funds to provide workforce services to Dislocated Workers and paving pathway towards employment for justice-involved population.
- Placed over 295 youth in paid internships under the CaliforniansForAll Grant.
- Awarded HHAP Funding for Affordable Housing Development, finalizing the Intergenerational housing project for seniors and transitional aged youth with children.
- \$10 million investment in affordable homeownership opportunities which includes \$7.7 million for development of affordable homeownership projects and \$2.3 million for down payment assistance for new homebuyers.

Strategic Priorities

Financial Stability

Protect and enhance revenue streams while maintaining a healthy reserve balance to provide for the expenditure of funds in support of the long-term priorities of the City's strategic plan.

Community Safety

Provide a safe environment for residents and visitors while reducing crime and addressing the impacts of homelessness on our quality of life.

Modern Facilities & Infrastructure

Ensure maintenance and preservation of City facilities and roadways to better serve the population and visitors.

Efficient City Services

Streamline the methods of providing services to help ensure doing business with the City is easier and more efficient.

Economic Diversification & Expansion

Enhance economic vitality by growing revenue streams, attracting quality jobs, diverse businesses and desired amenities for residents.

Strategic Plan & Goals For FY 2024-25					
Continue business attraction and retention activities that create and retain high-quality jobs for Santa Ana residents.					X
Increase efforts to identify and facilitate redevelopment of underutilized commercial properties into revenue generating projects that will benefit the community and local economy.					X
Continue administration of Council-approved economic development ARPA programs (Business assistance grants and Artist Grants).					X
Develop the second floor of the Navigation Center to facilitate programs, activities and classes to transition people out of homelessness, and implement street medicine and detox beds.			X		
Submit a HHAP and PLHA application for State Funding to reduce and address homelessness.		X			

Strategic Priorities

Strategic Plan & Goals For FY 2024-25					
Expand the Down Payment Assistance Program to provide affordable homeownership opportunities for low to moderate income families.		X			X
Provide over \$1.4 million (FY 24-25 and FY 25-26) to nonprofit organizations for the provision of public services that include a priority on crime prevention, crisis-intervention, and/or suppression efforts for children, youth, and/or families.		X			
Begin Process of developing a Civic Center Master Plan for future development of the Civic Center Campus.			X		
Begin process of developing an MOU with the County of Orange to create Transit-oriented Development at the County and Train Station.				X	X

Capital Improvement Program (CIP)

FY 24 -25 Adopted Budget

Capital Improvement Overview

A Capital Improvement Program (CIP) project ([See the FY24-25 CIP Book here](#)) either installs a new asset or extends the useful life of an existing asset. Examples include the acquisition of land; construction, expansion, or major renovation of City infrastructure such as roads, buildings, storm drains, and parks. To qualify for the CIP, a project must have an estimated useful life of at least two years following the date of acquisition, meet the minimum dollar threshold criteria for capitalization **AND** meet one of the following criteria:

- New funding is appropriated to a new project.
- Existing funding is reallocated to either an existing or new project.
- Additional funding is appropriated to an existing project. This condition only applies if a project's scope and budget are significantly different or expanded.

Projects already funded, along with routine/ongoing capital purchases and minor maintenance projects are not always included in the CIP.

CIP projects are reviewed for alignment with the City's five Strategic Priorities. Strategic Priorities ensure resources are properly distributed and services programmed to best serve our community.

Glossary

FY 24 -25 Adopted Budget

GLOSSARY

To enhance understanding of the City's budget, we have provided a list of key terms and acronyms frequently mentioned in budget presentations and City Council discussions.

ACFR (Annual Comprehensive Financial Report): An audited report of financial statements such as balance sheets and statement of revenues, expenditures, and changes in fund balances.

Accruals: In the accrual method of accounting, expenses are recognized when they are incurred, not when they are paid. Revenue is accrued when it is recognized before the cash has been received.

Active Transportation: Active modes of transportation including walking and bicycling.

Allocation: Restricted money from another governmental agency, which is non-competitive and typically based on a City metric such as population.

American Rescue Plan Act (ARPA): The American Rescue Plan Act of 2021 is a \$1.9 trillion economic stimulus package designed to assist with the economic and health recovery caused by the COVID-19 pandemic. The City of Santa Ana received \$128.3 million and additional allocation of \$21.5 million for housing.

Appropriations: An authorization granted by City Council to make expenditures and incur obligations for specific purposes. Appropriations are typically limited in amount and the time in which it can be expended.

Arterial Street: A highly trafficked through street connecting different areas or neighborhoods of the City.

Audit: The thorough examination of financial statements by an independent body.

Balanced Budget: When revenues equal expenditures in a given budget.

Bike Lane: Dedicated traffic lane for bicycles, segregated with striping or a physical barrier such as a curb.

Bonds: A bond is a type of security under which an investor lends money to the City for a set period of time in exchange for regular cash payments.

Buildings: City-owned buildings, which may or may not be accessible to the public. Examples include City Hall, the Corporate Yard and fire stations.

Budget: Plan that tells us how much money we will receive and how we will spend it.

CalPERS (California Public Employees' Retirement System): The pension system for city employees who retire from the City.

GLOSSARY

To enhance understanding of the City's budget, we have provided a list of key terms and acronyms frequently mentioned in budget presentations and City Council discussions.

CIP (Capital Improvement Program): A plan for capital expenditures for street, park and traffic improvements and other capital programs. The CIP is adopted with the City's budget.

Coronavirus Aid Relief, and Economic Security Act (CARES): The CARES Act is a \$2.2 trillion economic stimulus bill in response to the economic fallout of the COVID-19 pandemic. The City of Santa Ana received \$28.6 million to provide rental assistance, business grants, child care support and other resources to the Santa Ana community.

Debt Service: Payment for principal and interest on a City's debt obligation such as bonds or other debt instruments.

Enterprise Fund: A fund used to account for activities that provide goods or services to the public for a fee, designed to make those good or services self-sustaining.

Expenses: Money that goes out (payments).

Fiscal year: A 12-month budget calendar which begins July 1 and ends June 30 of the following year.

Fund: The resource used to pay for the project cost. Examples include the Measure M2 Fund, the Gas Tax Fund, and the Water Enterprise Fund. It is possible for multiple Funds to pay the costs of a single project.

Fund Balance: Describes the net position of various governmental funds. It is the accumulation of revenues minus expenditures.

Funded: The City has identified funding for the project.

General Fund: Account which the City has the most discretion on spending (least restrictions).

Generally Accepted Accounting Principles (GAAP): Set of accounting rules and procedures that is the default accounting standard used in the United States.

Governmental Fund: Accounts for City activities primarily supported by taxes and other similar revenue sources.

Grant: Restricted money from another governmental agency, based upon a project application and award. Due to limited grant resources, applications are typically competitive.

Infrastructure: Basic physical facilities, structures and systems that serve the city. Examples of infrastructure include roads, bridges, water supply and sewer systems.

GLOSSARY

To enhance understanding of the City's budget, we have provided a list of key terms and acronyms frequently mentioned in budget presentations and City Council discussions.

Maintenance of Effort (MOE): Requirement for the City to spend its own unrestricted resources in order to receive restricted money from another governmental agency.

Matching Requirement: City commitment to fund a portion of a grant-funded project. For example, a grant may only fund 80% of the cost of a project and the City must fund a matching contribution for the remaining 20% from other resources.

Mobility: Ability to move freely and easily.

Modified Accrual: An alternative accounting method that combines accrual basis with cash basis. It recognizes revenues when they become available and measurable. This system of accounting records expenditures when liabilities are incurred. This method is commonly used by government agencies, such as the City of Santa Ana.

Orange County Transportation Authority (OCTA): County transportation planning commission, responsible for funding and implementing bus and rail transit, rideshare, environmental programs, active transportation, express lanes and freeways.

Overlay: Street pavement repair including grinding down the existing surface and laying fresh asphalt.

Parks System: Includes parkland, community centers, and park facilities such as restrooms, shelters, and playgrounds.

Pavement Condition Index (PCI): System of scoring the condition of street pavement, with a 100 being a newly constructed street and a 0 being a completely failed/impassable street.

Proprietary Funds: Used in governmental accounting for activities that involve businesslike transactions.

Rehabilitation: Repair of an existing facility.

Reserves: Savings account to be used primarily for emergencies.

Residential Street: Neighborhood streets that typically have a 25-mph speed limit.

Revenue: Money that comes in (income).

Roadway: Includes street pavement, sidewalks, medians, traffic safety implements such as bike lanes and guardrails, traffic signals and streetlights. It is common for restricted revenue to allow spending for all elements of a roadway.

GLOSSARY

To enhance understanding of the City's budget, we have provided a list of key terms and acronyms frequently mentioned in budget presentations and City Council discussions.

Secondary Street: Feeder streets that connect neighborhoods to arterial streets.

Sewer System: Includes sewer main pipelines, pump stations, and sewage treatment facilities.

Slurry Seal: Street pavement repair consisting of a thin layer of slurry applied over the existing surface.

Storm-water System: Includes storm-water drainage pipelines, inlets/outlets, catch basins, and water-quality filtration systems

Traffic Signal Synchronization: Traffic engineering technique of matching the green light times for a series of intersections to enable the maximum number of vehicles to pass-through, reducing stops and delays experienced by motorists.

Unfunded: This term refers to a situation where the City has not identified available funding for a project. In such cases, the project cannot proceed until funding sources are secured.

UUT (Utility User Tax): This is one of the top six major general fund tax revenues. The UUT is a tax on utilities such as gas, electric, and communications. The revenue generated from this tax is used to fund various city services and operations.

Water System: This system includes water main pipelines, water meters, pump stations, and filtration/purification systems. It is responsible for the delivery of clean and safe water to residents and businesses in the city.
