Sunshine Ordinance Meeting

Proposed Residential Development by City Ventures

Questions & Responses from Meeting Held on 6/27/24 at Hazard Elementary School

1. **Question:** What if people who move in have multiple cars, and there are only 2 garage spaces? We don't want them parking in our neighborhoods and taking away our street parking.

Response: We are meeting the parking requirements for the project however we recognize that this can be an issue if there are multiple drivers in each household. That is why our salespeople are trained to make it clear to potential buyers that there are only 2 garage spaces per home and the guest parking is for guests only. If they have more than 2 cars, then this probably isn't the community for them. It is written clearly in the CC&Rs, and we have special disclosures about parking as well.

2. **Question:** Can we meet with the city to talk about parking issues in the area and our concerns?

Response: Nancy Tran from the City Planning Department is here tonight. You can speak to her, and you can also attend the Planning Commission hearing to voice your concerns.

3. **Question:** What is the anticipated pricing of the new homes?

Response: Market Rate Units are currently anticipated to start in the low \$700,000s and the Moderate-Income Units are anticipated to be priced in the mid \$400,000s.

4. **Question:** How do we get on the interest list for the new homes?

Response: You can go to the City Ventures website (cityventures.com) to add your name to the interest list or can go to our Park Place project currently under construction at 830 S. Harbor and add your name to the list there. That list will transfer to this project since Park Place is sold out.

5. **Question:** Will prices go up?

Response: The market rate prices will typically go up a little each phase so best to get in early. We will have a pre-sale program and often the city will require that we market to people who live and work in Santa Ana for the first 30 days to give them priority.

The affordable price is based on annual income guidelines set by the state, and they won't go up unless the state's income guidelines change year to year (which is typically minimal).

6. **Question:** How do we make sure we are at the top of the interest list for the affordable homes?

Response: If you sign up now, you will be toward the top of the list

7. **Question:** If we go to the Park Place sales office, what are the hours of operation?

Response: There should be someone there during business hours (10-6) M-F. We are sold out at Park Place, but our sales manager said that someone at the site would be able to provide information and add people to the interest list for this upcoming project. You can also call or email me and I will make sure your name is added to the list.

8. **Question:** How does qualification process work for the affordable homes?

Response: When we start pre-sales, the salespeople and lenders at the site will be able to pre-qualify buyers and send their applications to the city for approval.

9. **Question:** What are the qualification requirements for the affordable homes?

Response: I am not familiar with all of the requirements. The affordable units will be 3-bedroom and therefore that would be a 4-person household. I don't know if there is flexibility in the family size so the best person to contact would be Claudia Shaw in the Housing Department at the City. I provided Claudia's contact information.

10. **Question:** Will there be another community meeting

Response: Yes, there will be another meeting before our next submittal to the city which is expected in a few weeks. You will receive another notice.
