Opening Celebration Of Mariposa Park And Jerome Fitness Court

On December 14, 2019, residents at MARIPOSA PARK (6th and Lacy) and Jerome Park celebrated the opening of these two wonderful facilities. Elected officials, city staff and the community gathered to officially cut the ribbon to open Mariposa Park and Jerome Fitness Court.

Mariposa Park is a ½ acre site across the street from Garfield Community Center that was formally three homes purchased by the city to provide a park site for the community. The process took approximately five years to acquire the site, demolish the homes, obtain community input on the park design, re-zone the property to open space, approve a name for the park and to construct the new park site. Funding was provided by a Housing Related Parks Program Grant, Residential Development Fees and City General Funds. The park includes playground equipment, exercise area, colorful butterfly sculptures, drought tolerant plants, park tables and benches, skate area and drinking fountains. This all was made possible through community involvement and the city working together. The community fully enjoyed the park immediately after it was opened.

Jerome Fitness Court is the first of five fitness courts that will be constructed in the city from grant funding awarded through a National Fitness Campaign. The fitness court is an outdoor bodyweight circuit training system that provides 30 separate pieces of equipment, grouped into seven stations. The system provides full body workout to people of all ability levels. The fitness court is located north of the Southwest Senior Center in Jerome Park.

El 14 de diciembre del 2019, los residentes de los parques Mariposa y Jerome celebraron la apertura de dos maravillosas instalaciones. Funcionarios electos, personal de la ciudad y miembros de la comunidad se reunieron para cortar oficialmente la cinta de apertura del parque Mariposa (6th and Lacy) y el Gimnasio al Aire Libre en el parque Jerome.

El parque Mariposa fue construido en un terreno de medio acre, dicho terreno fue ocupado anteriormente por tres casas compradas por la Ciudad para proporcionar a esta comunidad, un parque justo al cruzar la calle del Centro Comunitario Garfield. El proceso para adquirir el terreno tomó aproximadamente cinco años, y demoler las casas, obtener aportes de la comunidad sobre el diseño del parque, re-zonificar la propiedad, aprobar un nombre para el parque, y finalmente construir el nuevo parque. Los fondos fueron provistos por los subsidios del Housing Related Parks Program, Residential Development Fees y el fondo general de la Ciudad. El parque incluye equipo de juegos, área de ejercicio, coloridas esculturas de mariposas, plantas tolerantes a la sequía, mesas y bancas, área de patinaje y fuentes para beber agua. Todo esto fue posible gracias a la participación de la comunidad y su trabajo en conjunto con la Ciudad. La comunidad empezó a disfrutar el parque inmediatamente después de su apertura.

El gimnasio al aire libre del parque Jerome es el primero de cinco gimnasios que se construirán en la ciudad con subvenciones otorgadas a través de la Campaña Nacional de Aptitud Física. Este gimnasio al aire libre es un circuito de entrenamiento de peso corporal constituido por un equipo de 30 piezas separadas y agrupadas en siete estaciones. El sistema proporciona entrenamiento de cuerpo completo a personas de todos los niveles de habilidad. El gimnasio se encuentra al norte del centro para personas mayores Southwest, en el parque Jerome.

SANTA ANA COUNTS

We Need Your Help!

Goal: As the 2020 Census approaches, it's never been more important to ensure that everyone in Santa Ana is counted. An undercount means millions of dollars lost in federal funding, which equals less money to improve our schools, fix our roads and highways, and provide vital programs for our community. Every person counts - this includes people of all ages, races, ethnic groups, citizens and non-citizens.

Your participation is vital. Everyone in Santa Ana counts!

BALLET

Has your child dreamed of being a ballerina? For over 19 years, the Academy of International Dance has trained children in classical ballet and has been successful teaching students to reach point level. But it all starts with beginning ballet classes. Your child will learn various rhythms, barre exercises that will improve their technical and strength ability, center work, spatial awareness and coordination, and choreographies that will impress their family and friends. Lastly, we take pride in not only teaching children ballet but also that they learn etiquette and gracefulness. Join us this semester! Make your child's dream come true. **Class begins April 3rd.**

SWIMMING LESSONS

Ages: 4 YRS AND UP

First and foremost, safety is number one when it comes to teaching our students. But beyond our students staying safe, we want them to have fun while learning! Our "student first" approach allows us to establish a base comfort level for our swimmers in and around the water while progressing in accordance with the individual swimmers' comfort and skill level. This efficient and effective approach allows us to successfully guide each individual through all of the levels of skill progression.
